Consolidated Program Assurances

The School Site Council (SSC) develops and revises the School Plan for Student Achievement (SPSA) and the corresponding budget to be presented for approval to the Board of Education of the Fresno Unified School District annually.
The SSC, and all advisory committees, are formed in accordance with procedures established by federal or state law and regulations, and with membership parity as mandated. The advisory committees provide input on the SPSA.
The principal is an active member of the SSC and participates in regularly scheduled meetings throughout the school year. Classroom teachers, school staff, parents and students (secondary level only) are also participating members.
The school's SSC, staff and parents participate in a needs assessment to help guide SPSA development.
The members of the SSC, the school's English Learners' Advisory Committee (ELAC) and members of other advisory school committees receive information and data detailing the needs of students during the SPSA development process and the comprehensive needs assessment. Information for all significant student groups includes the economically disadvantaged students, students with disabilities, gifted and talented students, English Learners, and foster youth.
School sites schedule SSC and ELAC meetings yearly to elect officers, designate representation for district meetings (Parent Advisory Committee (PAC) and District English Learners' Advisory Committee (DELAC)) and provide input for the SPSA. ELAC may vote to consolidate with the SSC every two years.
Opportunities for parents to participate in the development of the SPSA are provided by all schools, as described in the Elementary and Secondary Education Act (federal law), California Education Code, and the policies and regulations of the Fresno Unified School District Board of Education. The SPSA includes strategies to improve parent involvement and examples of the Parent and Family Engagement Policy and the Parent-School Compact.
Strategies to improve student achievement, meet measurable objectives, provide high quality professional development, and support struggling students through the use scientifically-based research are included in the SPSA. The SPSA reforms and supplemental funding provide opportunities for all students to meet state standards by extending learning time, supporting grade-level and school-level student transitions and providing social-emotional supports for students.
The School Plan for Student Achievement is reviewed and revised during the first semester of each school year, and re-evaluated and re-written during the second semester of each school year for annual approval by the Board of Education.

Action 1

Title: Decrease Chronic Absenteeism

Action Details:

Data shows there is a correlation between consistent attendance and academic achievement. Since many of our students that are not meeting grade level standards also have poor attendance, it is imperative that we continue to take steps to improve student attendance. To address this issue, the following actions will be taken. Yosemite will decrease the chronic absenteeism percentage by closely monitoring the attendance data and create a tiered systems of supports for students and families. YMS will also establish an attendance task force to monitor and support students who chronically absent.

- Tier 1
 - Monitor attendance data by-Satisfactory, Manageable ,Chronic and severe and assign these categories for targeted action. All incoming 6th grade students to 7th grade will be counseled immunization requirements and provided resources so they can start day one of school.
 - Daily automated phone calls out to parents who have students marked absent.
 - Attendance Task Force will be monitoring the attendance of all students and low performing groups.
 - Students will receive certificates, rewards, incentives, and/or incentive trips for attendance, improvement, and increased effort
 - Visual, Performing Arts, and Athletics activities will be provided to further connect students to school with the goal of improving attendance through engagement.

- Saturday Academy will be available for recovering absent days from school per FUSD guidelines.
 - SEL Learning for all students using Second Step with support of CCS and DPI
- Tier 2
 - Satisfactory students and students with improved attendance will receive incentives.
 - Students that are manageable will be counseled by a member of the Task Force on how to improve with attendance contracts.
 - Chronic and Severe students will conference, have home visits and be counseled on supports on how to improve attendance by Attendance Clerk, VP, GLA and/or Attendance Task Force.
 - Attendance Clerk along with a member of the Task Force will daily monitor students being targeted for attendance. If students are absent HSL will call or visit the home.
 - Teacher will call at least one student in tier 2 daily to let them know they were missed and to give alternate digital assignment.
 - Parents will be contacted about enrolling and registering student for Saturday Academy to recover absence.
- Tier 3
 - Attendance Intervention parent meeting with Attendance Clerk, GLA, and HSL to begin the SART process with HSL and/or SARB referrals.
 - SARB referrals
 - Home visit by HSL for chronic and Severe students will conference and counsel on supports and how to improve attendance.
 - Attendance contracts and incentives will be utilized to promote student attendance and celebrate attendance improvement.
