

## Student Code of Conduct 2024-2025

At JKCS, we know God has created every student and staff member with unique and incredible value. We believe the Holy Spirit helps us show love to God and all people. JKCS wants this to be a safe place for all students to learn and grow in academics, athletics, musicality, social-emotional learning, and, most importantly, their relationship with Jesus Christ. To make this possible, we expect all students to use the following to have healthy relationships at JKCS.

### Our Relationship with God

- We will speak about God in respectful ways.
- We will encourage close relationships with God in others and ourselves through Chapels, prayer, sharing, etc.
- We will respect ourselves because God created us in His image.

### Our Relationship with Those in Authority

- We will be respectful in our speech and actions.
- We will be obedient to those in authority over us.
- We will not condone disrespect displayed by others to those in authority.

### Our Relationship with Students

- We will be respectful of all students.
- We will address each other properly and not resort to name-calling, swearing, racist slang, or dirty language.
- We will respect each other's property.
- We will encourage everyone to feel included.
- We will respect each other's person and avoid touching unless to help or in friendship.
- We will learn to apologize and seek God's strength when we fail to continue building a community of love.

### Our Relationship to School Property & Rules

- We will respect school property. This includes furniture, books, equipment and the building.
- We will report any damage done and volunteer to pay for damages if we are responsible.
- We will accept responsibility for the cleanliness of the school and grounds.
- We will respect school rules and follow them to the best of our ability, including:
  - We will not bring phones or smart watches to school.
  - We will be on task on our Chromebooks at all times.
  - We will do our homework, arrive at school on time and well-rested, and bring what we need.
  - We will use academic honesty (our work will not be copied from the internet, AI, books, or other students).
