

Retakes FAST ELA and EOC Retakes

The Fall Administration for Retakes will start on September 23rd.

If you need to retake ELA 10, Algebra 1, Geometry, Biology or US History, you will receive a letter from your 1st period teacher, an email and a phone call reminding you of WHEN to come take your test(s).

These are RETAKES only, so if you are currently sitting in one of those classes for the first time, THIS IS NOT YOU.

Your letter and email will be coming to you in a few short weeks. Be on the look out
