This is an agreement between the parents, students and teacher/school that explains how we will work together in sharing the responsibility of ensuring student success.

Your input is important. Please feel free to contact Michelle Hill,, Principal at any time to share suggestions.

## What does it mean to be a part of a Title I School?

A school may qualify for Title I funding based on the number of low-income students residing within its boundaries.

Students who receive services are those who show an academic need based on assessment data. The services will help to develop the skills necessary to be successful in reading and/or math

## School-Parent Compact for Achievement 2024-2025

### Our Goals for Student Achievement

The Litchfield Elementary School District has set a goal to increase the percent of students proficient in each grade by a minimum of 20% for both reading and math. These goals may be adjusted after receiving new AASA baseline data from the state.

Dreaming Summitstaff members have analyzed student data to determine the areas of focus for each grade level.
