Daniel Tomaszewski	June 2027
Matthew Gropper	June 2027

The Board of Education seeks members of the community to serve on its Legislative, Policy, and Safety Committees.

Finding Answers and Addressing Concerns

The Board of Education encourages direct parent-teacher communication to be the most helpful to the district's children.

If you have a question, comment, or concern about your child's education, it should be brought to your child's teacher's attention. If your concerns are not satisfied, contact the principal of your child's school. If this does not produce a satisfactory solution, contact Central Administration. If you are unable to agree, you may request that the matter be brought to the Board of Education's attention.

Teachers, supervisors, administrators, and the Board of Education are employed, appointed, and elected to help you. However, if they don't know what your concern is, they can't assist you. Should you have a problem, it is to your benefit and the benefit of your child that you take full advantage of each level of communication. Most matters are resolved by a discussion between the parent and the teacher. This communication strengthens the understanding and appreciation of the role of each. You are urged to take full advantage of each level in the order indicated.

The Board of Education welcomes your questions and comments at:

Welcome Back from Superintendent of Schools Lance Lohman, Ed.D.

Welcome to the 2024-2025 school year! I hope you all had a wonderful and relaxing summer filled with quality time with family and friends. As we prepare for the upcoming school year, we are so excited to welcome each and every one of our students back on Tuesday, September 3, 2024.

Throughout the summer, our schools have been bustling with expanded learning opportunities for our students, such as the Summer Bridge Reading Program, Extended School Year, ENL Summer Program, transition and recovery programs, and the Kickstart Program for incoming kindergarten students.

Our team has been diligently preparing for another exciting, enriching, and fulfilling academic year. This past May, the Longwood community overwhelmingly supported an extensive Capital Improvement Project set to maintain and upgrade our school district's facilities while expanding upon opportunities for all our students to thrive and reach their true potential. Many of our schools and buildings have already undergone upgrades and renovations this summer in preparation for the upcoming school year, including a complete refacing and beautification of many of our cafeterias, gymnasiums, new flooring and paint in offices and classrooms, new signage, security fencing, and much more.

We are committed to ensuring that our students have the very best educational experiences in the learning environments they deserve. From updating our facilities to providing greater access to college and career readiness programs, every aspect of this plan is designed to empower each and every one of our students. We hope that you are as excited as we are and we will continue to keep our families and community updated as the projects progress.

As always, we encourage our families and community members to stay actively involved in our school community. Your collaboration, partnership, and feedback are essential aspects of maintaining open communication and a strong home-to-school connection. Thank you for your continued support and partnership as we work together for Every One ... Every Day. We wish everyone a happy and healthy new school year and cannot wait to welcome our students back for another fantastic first day and school year!

Student Registration

Student registration is available online through PowerSchool Enrollment at www.longwood.k12.ny.us.

Online student registration (for grades K-12) is available by clicking the link for Central Registration on the district website. To begin your child's online enrollment, gather the necessary documentation listed below. All documentation must be uploaded to PowerSchool Enrollment.

- Proof of residency in the school district. A parent must provide one of the following documents to establish proof of residency: a Town of Brookhaven tax bill, a deed, mortgage statement; if renting, a lease and two utility bills (PSEG and phone/water bill), or the district's Affidavit of Landlord, plus proof of landlord's ownership, i.e., tax bill/deed.
- An original birth certificate with a raised seal or a passport.
- Immunization dates from a physician signed or a previous school.
- Transfer or discharge notice from the former school district (except kindergarten).
- If a student has a disability, an IEP is required.

Foster children: A guardian or agency must present evidence or have a court order assignment or a Department of Social Services assignment or agency assignment that they have been given the authority to act on behalf of the State of New York.

Kindergarten Registration

Any child residing within the school district who will become five years of age on or before December 1, 2024, is eligible for kindergarten for the 2024-2025 school year.

Secondary Students

Once registered, new secondary students must make an appointment with their guidance counselor to schedule their classes. It is suggested that secondary students bring their report cards or a copy of their transcript to facilitate the scheduling of appropriate classes.

For directions and hours of Central Registration, call (631) 345-2162.

Required Student Immunizations

Under New York State's Immunization Law, students may not attend school unless they provide acceptable written proof (including dates) of immunizations that have been prepared and signed by a physician. Section 2164 of the New York State Public Health Law requires that all children receive the following:

- Three-five doses of DTaP*, Tdap is mandated for students entering sixth-grade (minimum age 10) for grades 7 through 12 (minimum age 7)*
- Three-four doses of polio*
- Two doses of MMR (mumps-measles-rubella)
- Three doses of hepatitis B
- One-two doses of varicella (commonly known as chicken pox) or proof of immunity to the disease *
- The meningococcal conjugate vaccine (Menactra or Menveo) one dose is mandated for students entering grades 7, 8, 9, 10 and 11. For students in grade 12 second dose required unless the first dose was received at 16 years or older.

*Number of doses needed depends on student's grade level entry and if the doses follow the correct intervals.

If a child is receiving immunizations, it should be noted that there are required intervals set by the New York State Department of Health for the administration.

Consequently, if a child is receiving required immunizations, she/he is to be admitted to the school. Nurses will follow up on children who have entered the school and are receiving required immunizations and inform parents of the need to follow up with their physician should those intervals be found invalid.

No child shall be admitted to school without one of the following:

- Written proof of adequate immunization signed by a physician.
- A certificate from a physician stating that the child cannot be vaccinated for medical reasons and also must be approved by the school medical office.

As of June 13, 2019, there is no longer a religious exemption to the requirement that children be vaccinated against measles and other diseases to attend public, private or parochial school. Children who do not have the required immunizations, must receive the first dose of vaccinations 14 days from the start of school. Within 30 days of the first day of school, parents must show they have made appointments for all required follow-up doses. Free immunizations are available for children who are uninsured or underinsured. Contact the Suffolk County Immunization Action Program at (631) 854-0222 for information.

Health/Physicals/Screenings

The New York State Education law mandates that students entering pre-k, kindergarten, grades 1, 3, 5, 7, 9 and 11, have a physical examination. Each certificate shall describe the condition of the student when the examination was made, which shall not be more than 12 months prior to the commencement of the school year in which the examination is required, and shall state whether such student is in a fit condition of health to permit his or her attendance at the public schools. The certificate should also state the student's Body Mass Index (BMI) and weight status category. NYSDOH requires selected districts to report BMI information collected from physicals. If a parent requests this information be excluded from the survey, the school must receive a written request for such. A physical form will be sent to the parent/guardian by the school the child will be attending. Physical and history forms are available on the district website under Parents, Health Office Information. Parents should submit their healthcare provider's results to the school nurse on or before September 6, 2023. After this date, the physical will be conducted in the school by the district's medical professionals.

Dental Certificate Law

The New York State Education Department requests that all students enrolling in a public elementary school present a dental health certificate, which must contain a report of your child's comprehensive dental examination.

Special Education Program for Students with Disabilities

Longwood offers a full continuum of special education services for students identified as having a disability by the Committee on Special Education (CSE) or the Committee on Preschool Education (CPSE). Students in private or parochial schools with a disability must apply to the district of the location of the private or parochial school on or before June 1 preceding the next school year to receive services. Anyone with knowledge or suspects a child has a disability who has not been identified should contact the Special Education Office. Any questions or additional information may be obtained by contacting the Office of Special Education at (631) 345-2173.

Interscholastic Athletics and Co-Curricular Activities

Students in grades 7-12 that are interested in participating in the Interscholastic Athletic Program can contact the Longwood Athletic Office or visit the district website. The Interscholastic Athletic Program consists of 69 teams, 40 at the high school and 29 at the junior high school, with over 1,800 participants each school year. The New York State Public High School Athletic Association and Section IX rules and regulations guide the program.

Co-curricular activities are available as early as the elementary grades, with secondary schools having a full complement of activities to address students' varied interests. There are 37 performing groups in grades 4-12.

Multi-Tiered System of Support (MTSS)

Longwood Central School District offers various academic interventions through our Multi-Tiered System of Support (MTSS). Our MTSS process is a collaborative, evidence-based approach to differentiating and personalizing instruction and intervention for all students. Our MTSS process is broken down into three different tiered systems. At

each tier, data-based decision-making is used to systematically individual support and interventions for students in need. Our main goal is to ensure our students receive precise and accurate academic intervention support.

Rights of Students in Transitional Housing

Students in transitional housing have the right to attend Longwood even if they live outside the district if they were permanently housed or last enrolled in the District.

Definition of Transitional Housing:

Children and youth who lack a fixed, regular, and adequate nighttime residence, including those:

- Living in emergency or transitional shelters.
- Living in motels, hotels, trailer parks, camping-grounds due to the lack of alternative adequate accommodations.
- Living in a public or private place not designed for sleeping.
- Living in cars, parks, abandoned buildings, sub-standard housing, bus or train stations, etc.
- Sharing the housing of others due to loss of housing, economic hardship or a similar reason.
- Migratory living in circumstances described above.

A student who is considered homeless (lacking a fixed, regular, and adequate nighttime residence) and not in the physical custody of a parent or guardian can be registered as an unaccompanied homeless youth.

Registration:

Students have the right to immediate enrollment, even if they are missing documents usually required to enroll.

Longwood Central School District, 35 Yaphank Middle Island Rd., Middle Island, New York, 11953-2373, does not discriminate on the basis of race, color, national origin, sex, religion, age, or handicapped status, in employment or the provision of services.

Transportation:

- Students are entitled to transportation to their school of origin, including public preschool (e.g., pre-k), even if the student is temporarily housed in a different school zone.
- Students are entitled to transportation to participate in an extracurricular activity (including before- and after-school programs) if the lack of transportation poses a barrier to the student's participation, even if it is not provided to permanently housed students.
- School districts are required to provide transportation for the remainder of the school year in which a student becomes permanently housed, and for one additional year if that year is the student's last year in the school building (also referred to as the terminal grade).

For questions, contact Valerie Perez, District Liaison for Transitional Housing at (631) 345-2889 or email Valerie.Perez@longwoodcsd.org.

Emergency School Closings

In the event that inclement weather causes school closing, the district will notify parents through our automated messaging system, ParentSquare.

Announcements will also be shared on the district website, Facebook, Instagram, and the following radio and television stations:

Radio Stations:

WALK 97.5 FM/1370 AM
WBAB 102.3 FM
WBLI 106.1 FM

Television Station:

News 12 LI - Channel 12

Emergency School Closings After the Start of School

If emergency weather conditions or other emergencies develop during the school day, children will be dismissed early. Please be sure to create a plan with your child if you are not at home.

Be sure to plan now, and appoint someone to meet your child at the bus stop in your absence. Make sure your child and your designee are both familiar with the plan.

Two-Hour Delayed Opening

When a two-hour delayed opening is announced, students will report to their bus stops two hours later than usual. Dismissal for all schools will be at their regular times.

All students attending private or parochial schools will follow the same procedure and report to their bus stops two hours later than their regular pick-up times.

Should a two-hour delayed opening be announced at 5:30 am based on inclement weather, and conditions do not improve by 7:30 am, District officials will announce that schools will be closed for the day. You must continue to monitor all of the announcements.

Find Us On Social Media

Our district has "official" social media accounts where we share all the great activities happening in our classrooms, on the athletics field and in our school community.

Be sure to follow the accounts at:

Facebook @LongwoodSchoolDistrict

Twitter @LongwoodCSD

Instagram @LongwoodSchoolsCSD

Parent Teacher Associations

Each of our seven schools has a Parent Teacher Association (PTA). A Special Education Parent Teacher Organization (SEPTO) is also available districtwide. Active involvement is just one of the many ways parents can play an active role in many vital facets of your child's educational experience.

PTA and SEPTO sponsors a wide variety of special activities and events throughout the school year, and we encourage all parents to get involved and join the PTA and/or SEPTO.

For more information, please contact your child's school building.

WheresTheBus App

The WheresTheBus application securely tracks the arrival of your child's bus, and provides an enhanced and convenient school bus experience delivering real-time locations via email and push notification alerts to assist our families in best managing their daily school bus experience.

After securely verifying your child's information, the mobile app determines the location of your child's bus along with an estimated arrival time, which is based on real-time and GPS route analytics.

The WheresTheBus app is simple and takes less than five minutes to set up:

- Download the WheresTheBus app from the App Store (iOS / Apple) or Google Play Store (Android).
- Create an account.
- Select Longwood from the dropdown menu and provide your child's information. Once the information is verified, your account will be active.
- Log onto the app from any Internet-enabled device (smartphone, tablet, PC, iPod) to access real-time bus information.

Passing Stopped School Buses is Illegal

Section 1174 of the Vehicle and Traffic Law prohibits vehicles from passing a stopped school bus.

Stop-arm cameras identify illegal passers by license plate number.

In most states, a first-time stop-arm violation carries a fine of \$250. In New York state, subsequent violations within an eighteen month period are subject to a \$25 increase in penalty, up to a maximum of \$300.

School Communication Platform

Longwood Central School District utilizes ParentSquare as our primary communication platform. The program keeps parents and guardians informed and encourages greater engagement and connection.

Communications may include:

- Urgent alerts, including school cancellations, early dismissal and delayed start, as well as news and messages via email, call, text or mobile app notification
- Two-way texting with translation between staff and families
- Choose to receive information as it comes, or all at once at 6:00 pm daily
- Communicate in your preferred language
- Direct message teachers and staff through a secure and private interface
- Participate in group messages

ParentSquare can be accessed through the district website, as well as by downloading the app on your mobile device. The app is available on both the Apple App Store and the Google Play App Store.

School Safety Department

The School Safety Department is available 24-hours a day, seven days a week throughout the year, including holidays.

The 2024-2025 District Safety Plan can be found on the district website, under Departments, School Safety.

If you need to contact the Safety Department, please call (631) 345-6500.

No Smoking Policy

Longwood Central School District is a smoke free campus. Smoking is prohibited for everyone at all times on school property.

Parent Portal

Longwood Central School District utilizes PowerSchool Student Information System (SIS). PowerSchool SIS provides a secure online Parent Portal allowing parents/guardians to create an account to access their child's schedule, attendance, grades, classroom assignments, as well as the ability to make changes to phone numbers, email addresses, and emergency contacts.

As the district continues to move toward paperless communication, we urge you to keep your contact information up to date and be sure to include an email address.

The link to the Parent Portal is found on our website at www.longwood.k12.ny.us.

If you have not registered for the Parent Portal, visit our website and follow the Parent Portal link at the bottom of the page to create an account. Contact your child's school building for student ID information. If you already have an account, the user name and password will remain the same.

Calendar Updates/Revisions

Check the Longwood School District website for calendar updates and revisions throughout the school year. The web address is www.longwood.k12.ny.us.

September 2024

Child Nutrition Provides Free Breakfast and Lunch

The District participates in the Community Eligibility Provision (CEP) Program that provides a healthy breakfast and lunch each day at no charge for ALL students during the 2024-2025 school year. A la Carte charges will still apply where available, and menus are posted on the district website at www.longwood.k12.ny.us.

Before the school year, you will receive a Household Income Form as part of the welcome packet from your building principals. Be sure to complete the form to assist the District in obtaining additional Federal or state-level grants, including:.

- Essential funding for your school
- Eligibility for free school meals and potentially qualify for P-EBT
- Discounted utilities and internet access
- Eligibility for fee waivers for college applications and admissions tests (i.e., SATs, ACTs)
- Discounted school fees, including musical instruments, textbooks, athletics, technology, etc.
- Receive benefits regardless of citizenship status

The National School Lunch/Breakfast Program is a federally-assisted meal program in public and nonprofit private schools. The program was established under the National School Lunch Act, signed by President Harry Truman in 1946, and provides nutritionally balanced, low-cost, or free meals to children each school day.

Without proper nutrition, mental and physical activity would be significantly impaired. We take great pride in our responsibility to fuel the minds and bodies of our students properly, assisting the educational process by providing the nutrients necessary for increased mental stamina, attentiveness, and retention.

District Attendance Policy Summary

Regular daily attendance is important for your child to be successful in school. Teachers have carefully planned and organized the academic lessons and class work, which includes assigning specific material each period. The Longwood School District Attendance Policy #5100 requires students to be in regular daily attendance.

Both students and parents will be held accountable for absences. When a student is absent, tardy, or leaves early from class or school without an excuse, the student's parent will be notified by phone or mail of the specific absence, and shall be reminded about our Attendance Policy, and provided an opportunity to review the attendance intervention procedures. Excused absences, tardiness, and early departures from class or school are as follows:

- Illness of student
- Death in the family
- Critical family illness
- Court summons
- Work study, exams (but not limited to, such as driver's permit and road test) or school related service with prior approval
- Observance of a religious holiday
- State emergency
- Snow day/impassable roadways as declared by the district.
- Suspension
- Approved college visits.
- Health care appointments that cannot be scheduled outside the school day.
- Military Deployment: Students whose parent or legal guardian has been called for military deployment, is on leave from, or is returning from a combat zone or combat support may be excused from school for five (5) days by the building principal or

Superintendent (or his/her designee), but any work which was missed by the student must be made up according to the rules applicable to other excused absences. Parents/guardians must notify the Building Principal no less than three days before the intended absences.

All Other Absences or Tardies Will be Considered Unexcused

It is the responsibility of elementary parents to notify the school attendance office on the next school day of the absence, and to provide a written excuse upon the student's return to school.

At the secondary level, it is the student's responsibility to provide documentation for all in-school appointments that will prevent a student from attending a class prior to dismissal from a class.

December 2024

Code of Conduct

The Longwood Board of Education is committed to providing a safe and orderly school environment where students may receive, and district personnel may deliver, quality educational services without disruption or interference. Responsible behavior by students, teachers, other district personnel, parents and other visitors is essential to achieving this goal.

The District has a long-standing set of expectations for conduct on school property, at school functions, and while using school-provided transportation.

These expectations are based on the principles of civility, mutual respect, citizenship, character, tolerance, honesty, integrity, and in some cases, contractually negotiated agreements.

The Longwood Board of Education recognizes the need to clearly define these expectations for acceptable conduct, to identify the possible consequences of unacceptable conduct, and to ensure that discipline, when necessary, is administered promptly and fairly.

The Code of Conduct includes the following components:

- Student Rights and Responsibilities
- Essential Partners
- Student Dress Code
- Prohibited Student and Public Conduct
- Reporting Violations
- Student Disciplinary Consequences
- Alternative Instruction
- Discipline of Students with Disabilities
- Corporal Punishment
- Questioning of Students by Administrators
- Visitors to the Schools

- Consequences for Persons other than Students
- In-Service Education Programs
- Circulating, Publishing, and Reviewing the Code of Conduct
- Dignity for All Students Act
- Appeals Procedure

Acceptable Use for District Computers, E-Mail, and the Internet

The Longwood Board of Education is committed to optimizing student learning and teaching, and considers student access to a computer network, including the internet, to be a powerful and valuable educational and research tool and encourages the use of computers and computer-related technology in classrooms.

Student internet accounts and network access are valid as long as students comply with the Board policies listed below:

Policy 4526- Acceptable Use of School District Computers and Computer Networks

Policy 4526.1- Internet Safety

Policy 4528- Acceptable Use- Distance Learning

Policy 8630 - Computer Resources and Data Management

February 2025

Voting and Registration

Throughout the school year, voters can register to vote at all school buildings, Central Registration or the Office of the District Clerk. To be eligible, you must be at least 18 years of age, a citizen of the United States, and a resident of the school district for 30 days prior to the election (you do not need to own a home). You can find out if you are registered by using the link on the website, under Community and the Voter Registration page.

The 2024-2025 School Budget Vote and School Board Election will be held on Tuesday, May 20, 2025, from 7AM to 9 PM at all four elementary schools. A Public Hearing/Board of Education meeting on the proposed budget will be held on Thursday, May 8, 2025, at 7PM at Longwood High School.

Call (631) 345-2162 for more information, hours, and directions, between the hours of 8AM and 2:30PM.

Votación y Registro

A lo largo del año escolar, los votantes pueden registrarse para votar en todos los edificios escolares, en el Registro Central o en la Oficina del Secretario del Distrito. Para ser elegible, debe tener al menos 18 años de edad, ser ciudadano de los Estados Unidos y residente del distrito escolar durante los 30 días anteriores a la elección (no es necesario que sea propietario de una casa). Puede averiguar si está registrado utilizando el enlace en el sitio web, en Comunidad y en la página de Registro de votantes.

La votación del presupuesto escolar 2024-2025 y la elección de la junta escolar se llevarán a cabo el martes 20 de mayo de 2025, de 7 a. m. a 9 p. m. en las cuatro escuelas primarias. El jueves 8 de mayo de 2025 a las 7:00 p. m. en Longwood High School se llevará a cabo una audiencia pública/reunión de la Junta de Educación sobre el presupuesto propuesto.

Llame al (631) 345-2162 para obtener más información, horarios y direcciones, entre las 8 a.m. y las 2:30 p.m.

March 2025

Transportation

School age children will be picked up and dropped off by a school bus at a scheduled stop designated by the Transportation Office. This includes students attending private or parochial school living within a 15-mile limit. Parents enrolling children in private or parochial schools, and daycare facilities who are eligible for transportation, must submit an application in writing to the Transportation Office no later than April 1 for the following school year.

If you should require further information contact the Transportation Office at (631) 345-2775 or contact Suffolk Transportation Service (large buses, field trips & athletics) at (631) 732-3200 and/or First Student Inc. (mini-vans & summer transportation) at (631) 924-8400.

All kindergarten students must have an authorized person with photo ID at the bus stop to pick them up in the afternoon. The authorization form can be found on the school website under Transportation.

Please be advised that parents are prohibited from boarding the school bus.

Textbooks for Private/Parochial Schools

Textbook orders for students attending private or parochial schools are serviced by BOCES:

April 2025

Longwood Public Library

Lisa Jacobs, Director

The Longwood Public Library serves the communities of the Longwood School District.

The high-performance building, renovated in 2015, is an energy-efficient, comfortable, and inspiring space for all ages. The facility includes a large, bright and well-lit area for children and teens, as well as a dedicated room for teens, dubbed "True North."

There are many places in the building and out on the terrace to read, study, play, or sit and contemplate nature. The Learn and Play Children's

Garden, a sensory garden designed especially for families with young children, debuted in 2018 and is accessible through the terrace doors.

Location:

800 Middle Country Road
Middle Island, NY 11953
(631) 924-6400 or www.longwoodlibrary.org

The Longwood Central School District offers equal educational opportunities including career and technical educational opportunities. It does not discriminate on the basis of an individual's actual or perceived race, color, creed, religion, religious practice, national origin, ethnic group, sex (including sexual harassment and sexual violence), gender identity, sexual orientation (the term "sexual orientation" means heterosexuality, homosexuality, bisexuality, or asexuality), political affiliation, age, marital status, military status, veteran status, disability, domestic violence victim status, arrest or conviction record, genetic information or any other basis prohibited by New York state and/or federal non-discrimination laws in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. In addition, students are also afforded protection based on weight. Inquiries regarding the Non-Discrimination policies should be directed to:

Mandated Sports Physicals

New York State law requires all students participating in athletics to receive a sports physical. Sports physical information and forms can be picked up at the health office or by visiting the district website. The forms must be completed before your child is able to participate in the interscholastic program. The results of the Sports Physicals shall be valid for a period of twelve months during the last day of the month in which the physical was conducted. The final approval for sports clearance rests with the school medical officer.

The Health Examination Form is to be completed by your primary health care provider or by the school medical officer. Make sure that your healthcare provider signs, stamps and completes the form including any medications, inhalers, etc.. This information must be uploaded onto FamilyID as part of the sports clearance (registration) process. A student may not participate without the approval of the school medical officer.

The Health History form is part of the physical and is to be completed by a parent/guardian in FamilyID. A new Health History form must be completed in FamilyID thirty (30) days prior to the start of any additional sport season in which the student would like to participate.

Pesticide Notification Request

New York State Education Law Section 409-H, effective July 1, 2001 requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

The district is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- When a school remains unoccupied for a continuous 72-hours following an application
- Anti-microbial products
- Non-volatile rodenticides in tamper-resistant bait stations in areas inaccessible to children
- Silica gels and other non-volatile ready-to-use pastes, foams, or gels in areas inaccessible to children
- Boric acid and disodium octaborate tetrahydrate
- The application of EPA designated biopesticides
- The application of EPA designated exempt materials under 40CFR152.25
- The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications scheduled in your school, please send your name, address, day and evening phone numbers, e-mail address and the name of the school to:

Director of Plant Facilities
Longwood Central School District
Operations and Maintenance
21 Everett Drive, Yaphank, NY 11980
Fax: (631) 345-9288

Written notification must be provided to all persons in parental relation, and staff at the following intervals throughout the school year: at the beginning of the school year; within two school days of the end of winter recess; within two school days of the end of spring recess; and within ten days of the end of the school year.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Longwood School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Longwood School District may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow Longwood School District to include this type of information from your child's education records in certain school publications. Examples include:

- Longwood Life newsletter and press releases
- District website
- Social media
- A playbill, showing your student's role in a production
- The annual yearbook
- Honor roll or other recognition lists
- Graduation programs
- Sports activity sheets

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

In addition, two federal laws require local educational agencies LEAs (school districts) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the school district that they do not want their student's information disclosed without their prior written consent.

If you do not want the district to disclose directory information from your child's records without your prior written consent, notify the Public Relations Specialist, Pamela.Donovan@longwoodcsd.org by September 28, 2024.

Longwood School District has designated the following information as directory information:

- Student's name
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Date and place of birth
- Major field of study
- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors, and awards received
- The most recent educational agency or institution attended

* Note: These laws are: Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the No Child Left Behind Act of 2001 (P.L. 107-110), the education bill, and 10 U.S.C. 503, as amended by section 544, the National Defense Authorization Act for Fiscal year 2002 (P.L. 107-107), the legislation that provides funding for the Nation's armed forces.

Health Insurance Portability and Accountability Act

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) protects the use and disclosure of an individual's protected health information. Protected health information is defined under the HIPAA Privacy Rule as individually identifiable health information that relates to the past, present or future physical or mental health or condition of an individual that either identifies or potentially identifies an individual. Education records as defined under FERPA are excluded from the Privacy Rule.

Protected health information of students not covered by FERPA may be covered by the HIPAA Privacy Rule.

Right At School Before and After-School Child Care

Longwood partners with Right at School for before and after-school enrichment for all elementary schools.

Right At School offers safe, engaging and meaningful in-school and extracurricular programs to enrich the lives of students, give parents peace of mind and enable schools to focus on their academic mission. The fee-based services offer a curriculum that features hands-on learning, multi-sensory activities, child-driven projects, daily fitness, team building, and leadership development.

Parents can sign their students up for 1-5 days per week, based on the family's needs. Students will have a healthy snack, engage in dynamic fitness activities, and have the opportunity to complete their homework. The program also offers the following additional Right At School benefits for our families: lower student to staff ratio (10:1), flexible scheduling, online registration and payment, customer service team, and community partnerships. To register or for further information, call (855) 287-2466 or check out their website at www.rightatschool.com.
