

## **Parent/Guardian Consent Form**

Dear Parent/Guardian:

Rainbows for All Children (Rainbows) is dedicated to guiding youth through the storms of life. Rainbows fosters awareness that youth require support to heal from adverse childhood experiences like death, divorce, separation, incarceration or personal trauma. The facilitator, Elise Salo, will be leading your child's group and has been trained and certified to facilitate this program. Please understand these groups are not professional counseling or therapy; they are strictly support groups.

Your permission is requested for your child \_\_\_\_\_ to participate in group activities. Each session will be about 25 minutes long and will take place during your child's lunch period on Wednesday/Thursday. The participants will have an opportunity to learn new skills and gain peer support as they explore and navigate their grief and work through adjustment.

*By signing this form, I give my consent for my child to participate in group activities.*
