Hi! I'm happy to help you with this. Can you please provide a little clarification to help us fulfill your information request?

Does this refer to A/C venting for the entire bus, or for the driver/dashboard area?

Many of our current fleet has A/C in the driver area, as that is a standard State of Idaho Specification. Older buses don't have that though. A/C is not a reimbursable expense from the State of Idaho, unless it is a documented need for a special student (IEP).

If you can let me know specifically what you are looking for, I can ask our Transportation Director to get the numbers!

Thanks!

to me

Yes, the IEP numbers are what we are looking at so full-bus air conditioning. How many buses are there total then how many have air conditioning basically because of IEPs?
