

CLASS WALLET IS COMING

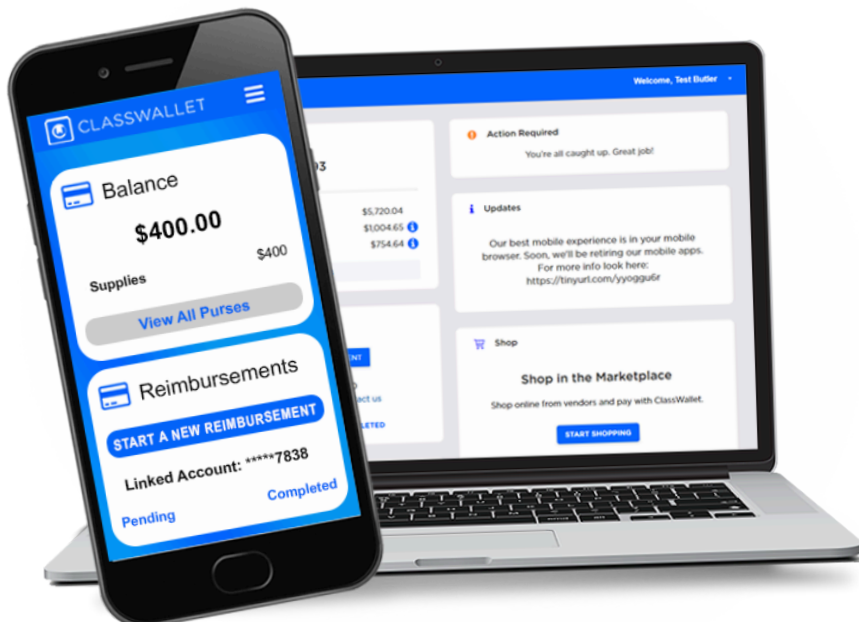

This year, the CFES PTO is investing in ClassWallet, an online shopping and reimbursement platform that allows our teachers and specialists to spend allotted funds in a user-friendly way. CFES is excited to be the second school in the district to offer this platform.

WHY CLASSWALLET?

On ClassWallet, each account is loaded with funds ready for you to spend directly on their online marketplace (with no out of pocket cost to you). If you need to purchase items outside of the marketplace, the reimbursement process is as easy as uploading a receipt photo from your smartphone.

HOW DOES IT WORK?

- Shop directly on the online marketplace. No out of pocket spending required!
- If needing reimbursement, you can either enter your bank info over a highly secure encrypted server or select to have funds sent via Venmo.

ONLINE VENDORS

The ClassWallet marketplace includes over 100 vendors for direct purchase, including:

- Amazon (with Prime)
- Staples
- Lakeshore Learning
- Parent-Teacher Store
- Scholastic
- Office Depot
- Michaels
- Best Buy
- Really Good Stuff
- Home Depot

GETTING STARTED

Beyond the support of the PTO, ClassWallet offers robust customer service support, resources, and training. Look out for an email to set up your account and get shopping!
