Dear Mr. Burrell,

Here is the information you requested.

Our Transportation Director, Ben Bennett, has verified that our Emmett School District fleet consists of 35 buses. Of those buses, 0 of them are equipped with full air conditioning. We have no IEPs in our district that require it and thus do not have the funding to buy a bus with that feature included.

Please let me know if you have any questions or need any additional information.

Sincerely,

Amanda Weers
