## Mission

Cultivate.  
Empower.  
Support.

Student Supports

## Objective

Support individual learners  
towards achieving their goals.

## Critical Initiatives

1. Identify and target the needs of individual learners including special populations such as English Learners, Gifted, at-risk, low income, and Special Education.
2. Maintain high expectations for all students.
3. Support students safety, health, and wellness.

## Key Measures

- Individual student academic data
- Goal Setting (personal, character, academic) with students
- Attendance reports
- Health and wellness data
- Counselor visit logs
- PST student progress
- Student surveys
- Transitional Kindergarten Data

## Beliefs

- Learning should be the primary focus of our school.
- All students can learn when provided with quality instruction in a safe, positive learning environment.
- We must commit ourselves to continuous improvement.
- Education is a partnership between the school, home, and community.

Community Engagement

## Objective

Cultivate a united learning community.

## Critical Initiatives

1. Grow our communication outreach efforts throughout the school and community.
2. Partner with stakeholders to increase community involvement within the school.

## Key Measures

- Social Media and Digital Newsletter analytics
- Visitor logs
- Parent Surveys
