8VAC20-40-60. Local plan, local advisory committee, and annual report. (from the Regulations Governing Educational Services for Gifted Students)

B. Each school division may establish a local advisory committee composed of parents, school personnel, and other community members who are appointed by the school board. This committee shall reflect the ethnic and geographical composition of the school division. This committee shall have two responsibilities: (i) to review annually the local plan for the education of gifted students, including revisions, and (ii) to determine the extent to which the plan for the previous year was implemented. The findings of the annual program effectiveness and the recommendations of the advisory committee shall be submitted annually in writing to the division superintendent and the school board.

***If inclement weather cancels school for the entire day, students are released early from school because of inclement weather, or evening activities are canceled because of inclement weather, the Gifted Advisory Committee meeting will be held virtually.*
