

The Dedham Public School District uses images and/or videos ('media') of students and student work to showcase educational activities and programs (including before and after school and vacation programs), as well as to inform the community of the Dedham Public Schools experience. Photographs, videos, and/or the name of your child may be included in publications (print or digital), news releases, and on District maintained websites or social media accounts.

If you **DO NOT** want images of your child used or shared by Dedham Public Schools, please complete the form below and submit to your school office. This request must be submitted each year.
