## About Dassel-Cokato Public Schools

### ISD 466 Past and Present

The Dassel-Cokato School District is a rural school district in central Minnesota. It serves the steadily growing communities of Dassel and Cokato which have a combined population of approximately 4,200 residents. The entire school district, which includes many rural and lake homes, has a total population of 10,100 residents.

We are committed to the idea of life-long learning as evidenced by our programs serving infants through senior citizens. We provide opportunities for parent/community involvement in curriculum development, extra-curricular activities and volunteer programs in the schools. Extensive extra and co-curricular activities are offered and have generated accomplishments such as recent state championships in wrestling, drumline, track, speech, and football.

The district consists of three modern, attractive and well-maintained school facilities with additions as recent as 1998. Each community hosts a K-4 elementary school, and a larger complex is located halfway between Dassel and Cokato on highway twelve which includes a pre-school, a community education center, a 5-8 middle school, and a 9-12 high school. Total school enrollment has been slightly decreasing in recent years, and current K-12 enrollment is

approximately 2,100 students. District employees number about 400 with 150 of those being teachers.

Dassel-Cokato student test scores are well above national averages. D-C schools have North Central Accreditation, Dassel Elementary and DCHS are recognized as "National Schools of Excellence" and Cokato Elementary is recognized as a "State School of Excellence." Lower elementary class sizes average 20 students, and the K-12 individualized gifted program is recognized as a state model. D-C schools offer a FOCUS program and Area Learning Center(ALC) for at-risk students, district reading specialists and coordinate the K-12 curriculum with sequential learning objectives. The district offers outstanding media and technology capabilities including computers in every classroom, mobile carts of computers and full computer labs in the ALC and Elementary buildings as well as a 1:1 student/computer ratio for grades 5-12.

## **Our Mission**

In partnership with our communities and families, we will educate and inspire all learners to maximize their potential, promote lifelong learning, and become contributing members of society.

## **Our Students**

ISD 466 includes all of the City of Dassel, the City of Cokato, and several surrounding townships including Albion, Collinwood, Cokato, Darwin, Dassel, Ellsworth, French Lake, Kingston, Stockholm, Middleville, and Victor. The total population within the district is approximately 10,100. The student population is about 2,100 and is expected to be stable for the next five-year planning horizon. Dassel-Cokato area students are more than great students - they are great people. The district's curricular and extra-curricular programming support their development as active, vital community members.

## **Our Staff**

Dassel-Cokato Public Schools employs nearly 400 people, including more than 150 licensed teachers. More than half of our teachers hold master's or more advanced degrees. The district's extensive and innovative staff development program ensures all employees continue to grow professionally to provide the best education possible to our students.

## **COMMUNITY SUPPORT**

### **How We Support Our Community**

A large amount of our population was born, raised, and are now raising their own families here. Continuing our close-knit culture and traditions is extremely important. We also want our communities to continue to grow and be a place others want to call "home." ISD 466 supports the local community in many ways beyond providing education and enrichment opportunities for all through our Community Education programs and K 12 public education

services. Connections between community members, businesses, and formal and informal organizations collaboratively leverage resources that assist students in achieving positive outcomes.

Dassel-Cokato Public Schools is the largest employer in the City of Dassel and the City of Cokato. Our staff (and students) participate in numerous civic organizations and partner with local and county agencies in support of student achievement and quality education. We also maintain the majority of recreational facilities in the city, including sports fields, courts, gyms, parks, and a public swimming pool.

## How Our Community Supports Us

The vision of Dassel-Cokato Schools is: Educate. Innovate. Succeed. Our communities support this vision by staying engaged and informed about school district needs, helping create innovative solutions through collaborative groups, and successfully passing referendums that provide long-term student and facility solutions. Most recently a \$17.9 million bond referendum was passed in 2022, supporting Career and Technical Education pathways, several infrastructure projects, and a new, secured high school entrance. In 2018 our community passed an operating levy supporting day-to-day operating expenses such as staffing, utilities, and transportation. Community-supported referendums enable Dassel-Cokato Schools to operate as a fiscally responsible district able to keep up with increased expenses by utilizing long-term plans and goals. Lifelong learning for every student is supported through a tradition of excellence in education fostered within the communities of Dassel and Cokato

# BECOMING A SCHOOL BOARD MEMBER

Dassel-Cokato Public Schools are governed by six board members, elected at large, representing all citizens within the boundaries. Board members are elected to four-year terms, with elections for three board seats held in November of even-numbered years and terms beginning January 1 following the election. To run for a seat on the Board of Education, candidates must file an affidavit of candidacy with the District office during the official filing period.

## **Eligibility Requirements** (Source: Minnesota School Boards Association (MSBA))

To qualify for election to your local school board you must be:

- at least 21 years old
- an eligible voter
- district resident for at least 30 days (M.S. 204B.06, Subd. 1)
- not a convicted sex offender (M.S. 205A.06, Subd. 1b)

## **Term of Office**

School board members are elected to 4-year terms and take office the first Monday in January (M.S. 123B.09, Subd. 1). A member who has been appointed to fill the unfinished term of a member will need to run for election depending on when they were appointed. There is no limit on the number of consecutive terms a member can serve.

## **Filling Vacancies** (Source: MN Statute 123B.09)

A vacancy on the Board shall occur when a member dies, resigns, or ceases to be a resident of Independent School District 466. In addition, if a member of the Board of Education is unable to serve on the board and attend its meetings for ninety (90) days or more because of illness or prolonged absence from the District, the board may, at any regular or special meeting thereof, through resolution, declare a vacancy to exist. All vacancies will be filled according to Minnesota Statutes.

The term of a member elected during a special election shall not exceed the term of the member they are replacing. Nor can the term of a board of education member be lengthened by the member's resignation and subsequent selection by the board.

Minnesota Statute states that once the board approves an appointment, the appointed board member cannot be seated until 30-days after the appointment.

## ONCE ELECTED AS A SCHOOL BOARD MEMBER

### What to Expect

#### **Board Action:**

No one person, or group of persons, acts in the name of the Board. When an item of business comes before the Board in the form of a motion, it is necessary that a majority of votes be cast in favor of the motion for the board to act. Members of the board are without authority to act independently as individual board members.

#### **Public Comment:**

While the public is encouraged to attend Board of Education meetings to become better acquainted with the operation and programs of the schools, they are not public forums. Most school districts include an opportunity for the public to comment on agenda items during the meetings; however, this is a time for board members to listen rather than engage in a discussion. School districts are encouraged to hold town halls and other events that allow for constructive commentary and two-way communication.

#### **Closed Sessions:**

State law provides that all meetings of governmental bodies (including school boards and multi-member bodies created by the boards) shall be open sessions unless a closed session is expressly permitted by law. For the most part, closed sessions are normally held to discuss student and personnel matters. A governmental body may hold a closed session only by an affirmative public vote of the majority of members present at the meeting, and only to the extent a closed session meets the guidelines established by Minnesota Statute 13D.03 or 13D.05.

#### **Minnesota Open Meeting Law:**

The Minnesota Open Meeting Law requires that meetings of governmental bodies generally be open to the public. This information brief discusses the groups and types of meetings covered by the open meeting law, and then reviews the requirements of and exceptions to the law and the penalties for its violation. See attachment.

### Parliamentary Procedure

Parliamentary procedure is a set of rules for conduct at meetings that allows everyone to be heard and to make decisions without confusion.

#### **Why is Parliamentary Procedure Important?**

Because it's a time-tested method of conducting business at meetings and public gatherings. It can be adapted to fit the needs of any organization. Today, Robert's Rules of Order Newly Revised is the basic handbook of operation for most clubs, organizations, and other groups. It is important that everyone knows these basic rules.

Organizations using parliamentary procedures usually follow a fixed order of business.

**Below is a typical example:**

1. Call to Order
2. Adoption of Agenda
3. Public Comment
4. Consent Agenda
5. Informational Items (reports)
6. Action Items
7. Board Member Reports
8. Adjourn

The method used by members to express themselves is in the form of making motions. A motion is a proposal that the board take action or a stand on an issue. Each individual member can:

- Make motions
- Second motions
- Debate motions
- Vote on motions

**There are Four Basic Types of Motions:**

1. Main Motions: The purpose of a main motion is to introduce items to the membership for their consideration. They cannot be made when any other motion is on the floor, and yield to privileged, subsidiary, and incidental motions.
2. Subsidiary Motions: Their purpose is to change or affect how a main motion is handled and is voted on before a main motion.
3. Privileged Motions: Their purpose is to bring up items that are urgent about special or important matters unrelated to pending business.
4. Incidental Motions: Their purpose is to provide a means of questioning procedure concerning other motions and must be considered before the other motion.

**There are Three Other Motions that are Commonly Used that Relate to Voting:**

1. Motion to Table - This motion is often used in the attempt to "kill" a motion; however, this is inappropriate. This motion is to set aside a motion temporarily at the same meeting. Once the motion is tabled, the option is always present, however, to "take from the table," for reconsideration by the membership at the same meeting.
2. Motion to Postpone Indefinitely - This motion is used to kill a motion by postponing it to an indefinite time.
3. Motion to Postpone Definitely - This motion is used to put off making a decision until a definite time in the future.

Parliamentary Procedure is the best way to get things done at your meetings. But, it will only work if you use it properly.

- Allow motions that are in order.
- Have members obtain the floor properly.
- Speak clearly and concisely.
- Obey the rules of debate.
- Most importantly, BE COURTEOUS.

## STANDARDS FOR SCHOOL BOARD LEADERSHIP

*Source: MSBA, 2017 and Dennis Cheesebrow, TeamWorks International*

School boards are most effective when members focus on the big picture: making policy, setting goals and engaging stakeholders, all with the ultimate goal of improving student achievement. When boards focus on administrative issues, school districts suffer. Divided boards lead to a divided community.

ISD 466 may use terminology and structure defined in policy, resolution, and plan that differs slightly from sourced materials in the Handbook.

## **Standard 1: Conduct and Ethics**

The school board, as a whole, provides leadership to the community on behalf of the school district by conducting its business in a fair, respectful, legal, and responsible manner.

*An effective, high-performing school board strives to meet the following benchmarks:*

- A. Recognize the school board team consists of school board members and the superintendent and evaluates its performance at least annually.
- B. Take full responsibility for its activity and behavior at and away from the school board table.
- C. Encourage its members to express their individual opinions, respect others' opinions, and vote according to their convictions.
- D. Speak with one voice after reaching a decision.
- E. Spend time on board governance work rather than staff work — focus on the ends, not the means.
- F. Provide for orientation and ongoing training for all school board members.
- G. Follow established policies, including the chain of command, by directing people with concerns to the appropriate staff.
- H. Set an example of respectful and civil leadership.

## **Standard 2: Vision**

The school board, with community input, envisions the educational future of the community and then formulates the goals, defines the outcomes, and sets the course for the school district.

*An effective, high-performing school board strives to meet the following benchmarks:* A. Use clear, focused, attainable, and measurable goals and outcomes to support gains in student achievement.

- B. Develop a strategic plan, which includes well-crafted school district belief statements, mission statement, vision statement, goals, and objectives that enable the school board to evaluate school district performance.
- C. Regularly monitor the strategic plan to evaluate progress toward goal achievement and school district success.
- D. Ensure that the school district belief statements, mission statement, vision statement, goals, and objectives are reflected in school board policies, mirrored in the budget planning and implementation efforts, and are supported district-wide.
- E. Communicate the strategic plan and the progress to the community.

## **Standard 3: Structure**

The school board, to achieve its vision, establishes organizational and physical structures for student and staff success.

*An effective, high-performing school board strives to meet the following benchmarks:*

- A. Create organizational and physical structures based on equity in which all students and staff have the resources and support to maximize achievement.
- B. Advocate and provide for learning through rigorous curriculum, effective technology, and a safe and secure environment.
- C. Select and employ one person — the superintendent — as the school district’s chief executive officer to lead and manage the school district.
- D. Hold the superintendent accountable for school district performance and compliance with written school board policy.
- E. Delegate the authority to the superintendent to recommend and evaluate all school district staff within the standards established through written school board policies.
- F. Accept ultimate responsibility for the care, management, fiscal oversight, and control of the district while understanding that the day-to-day operations will be conducted by the staff.

#### **Standard 4: Accountability**

The school board is accountable to the community for constantly monitoring the conditions affecting the school district as a whole.

*An effective, high-performing school board strives to meet the following benchmarks:*

- A. Recognize the duty to itself and the community to determine whether the authority delegated to the superintendent is being used as intended.
- B. Evaluate the superintendent’s performance at least annually.
- C. Use student achievement data and other indicators when available as the basis for assessing progress toward school district goals and compliance with school board policies and state and federal laws.
- D. Recognize the distinction between “monitoring data” (data used by the school board to address accountability) and “management data” (data used by the staff for operations).

#### **Standard 5: Advocacy and Communication**

The school board advances its vision at the local, regional, state, and national levels.

*An effective, high-performing school board strives to meet the following benchmarks:*

- A. Focus on community-wide concerns and values that best support equity and student achievement rather than being influenced by special interests.
- B. Develop communication strategies to build trust between the school board and the superintendent, staff, students, and community.
- C. Utilize a public relations strategy that supports the flow of information in/out of the

district.

- D. Engage and build relationships with both public and private stakeholders.
- E. Advocate on local, state, and national levels.

In general, Board members are expected to follow a code of ethics that will guide their decision making as it relates to Dassel-Cokato Public Schools. The District's Code of Ethics Policy 209 states the following expectations, functions, and legal obligations for board members:

### **Expectations of a School Board Member**

1. Attend school board meetings.
2. Come to the meetings prepared for discussion of the agenda items.
3. Listen to the opinions and views of others (including, but not limited to, other school board members, administration, staff, students, and community members).
4. Vote my conscience after informed discussion unless I abstain because a conflict of interest exists.
5. Support the decision of the school board, even if my position concerning the issue was different.
6. Recognize the integrity of my predecessors and associates and appreciate their work.
7. Be primarily motivated by a desire to provide the best possible education for the students of my school district.
8. Inform myself about the proper duties and functions of a school board member.

### **Functions of a School Board Member**

1. Focus on education policy as much as possible.
2. Remember my responsibility is to set policy – not to implement policy.
3. Consider myself a trustee of public education and do my best to protect, conserve, and advance its progress.
4. Recognize that my responsibility, exercised through the actions of the school board as a whole, is to see that the schools are properly run – not to run them myself.
5. Work through the superintendent – not over or around the superintendent.
6. Delegate the implementation of school board decisions to the superintendent.

### **Legal Obligations of a School Board Member**

1. Comply with all federal, state, and local laws relating to my work as a school board member.
2. Comply with all school district policies as adopted by the school board.
3. Abide by all rules and regulations as promulgated by the Minnesota Department of Education and other state and federal agencies with jurisdiction over school districts.
4. Recognize that school district business may be legally transacted only in an open meeting of the school board.
5. Avoid conflicts of interest and refrain from using my school board position for personal gain.
6. Take no private action that will compromise the school board or administration.
7. Guard the confidentiality of information that is protected under applicable law.

4. Effective school boards have a collaborative relationship with staff and the community and establish a strong communications structure to inform and engage both internal and external stakeholders in setting and achieving district goals.

## **BOARD MEETINGS**

A quorum of members (defined as four or more of the six members) must be present for a board meeting to be official, and before any action can be taken by the Board. All meetings of the Board are considered public meetings, including committee meetings, and therefore shall be

open to the public to attend.

At the Organizational Meeting (which is held in January of each year), the Board will set its meeting schedule for the upcoming year. Additional “special” meetings may be called, as needed, throughout the year. All meetings not previously approved during the Organizational Meeting are considered special meetings, and must be properly noticed to the public.

The chair presides over all meetings, and along with the vice chair and superintendent, sets the agenda for committee-of-the-whole and regular board meetings. Meetings are conducted in accordance with Robert’s Rules of Order.

### ***Attendance at Board Meetings***

All Board members are expected to attend all meetings. However, it is recognized that sometimes scheduling conflicts will occur. A member should notify the Board Chair, Superintendent, and the Executive Assistant to the School Board whenever they are unable to attend a scheduled meeting.

Board members are paid \$60 per meeting for their committee meetings, regular business meetings, and all liaison committee work. Board members are paid \$100 for all day obligations. The Board Chair is paid \$70 per meeting for their committee meetings, regular business meetings, and all liaison committee work. The Board Chair is paid \$120 for all day obligations.

### ***Organizational Meeting***

The Board is required to hold an organizational meeting in January of each year. The primary purpose of this meeting is to elect members to serve as Chair, Vice-Chair, Treasurer, and Clerk.

### ***Work Sessions***

Work sessions are generally held on the second Monday of each month at 5 p.m. The work session is used to provide orientation for board members on certain areas or programs of the district and provide time for discussion of items.

### ***Regular Business Meetings***

The school board conducts their business at the Regular Board Business Meeting, which is typically held on the fourth Monday of each month at 5 p.m.

### ***Board Retreat***

The Board will hold a retreat annually for strategic planning and vision work.

## ***Board Training***

(Source: [ISD 466 Policy 212](#))

In recognition of the need for continuing in-service training and development for its members, the purpose of school board policy 212 is to encourage the members of the school board to participate in professional development activities designed for them so that they may perform their responsibilities.

The Minnesota School Boards Association (MSBA) provides a workshop series that consists of the following four components:

Phase I: Learning to Lead – School Board Basics

Phase II: Leadership Foundations – School Finance and Management

Phase III: Building a High-Performance School Board Team

Phase IV: Representing your Community through Policy and Engagement

In addition, the superintendent will provide various opportunities throughout each calendar year for governance and management training.

## ***Special Meetings***

A meeting is labeled a “special meeting” if it is called after the meetings for the year have been established and approved at the Organizational Meeting in January.

For a special meeting, the school board will post written notice of the meeting’s date, time, place, and purpose. The school board’s actions at the special meeting are limited to those topics included in the notice. The notice will also be delivered, by standard or electronic mail, to each person who has filed a written request for notice of special meetings. The notice will be posted and mailed, or delivered at least three days before the date of the meeting.

## ***Emergency Meetings***

An emergency meeting is a special meeting called because of circumstances that, in the judgment of the school board, require immediate consideration. If matters not directly related to the emergency are discussed or acted upon, the minutes of the meeting must include a specific description of those matters.

## ***Closed Sessions***

Minnesota Statutes govern what constitutes a closed session. They are: Labor negotiations strategy, Bureau of Mediation Services, preliminary consideration of charges, performance evaluations, attorney-client meeting, dismissal hearing, coaches’ opportunity to respond to non-renewal, discuss certain non-public data, purchase, and sale of property, and security matters. For specific examples of each of these areas, see [school board policy 205](#) Open/Closed Meetings.

## COMMITTEES

Source: [ISD 466 Policy 213](#)

School board members serve on a variety of committees, some of which are internal – operating solely within the confines of Dassel-Cokato Public Schools, ISD 466 and the ISD 466 School Board, and others which are governed by outside entities. It is important to note that all committees convened by the Board are subject to the Open Meetings Act of Minnesota, meaning they are open to the public to attend.

It is the responsibility of the Board Chair to assign members to serve on committees as well as a liaison to the various organizations and partnerships affiliated with the school district. This is generally done at the annual Organization Meeting in January, with some consultation with individual members to ensure that there is a correlation between member interests and abilities and the committees on which they are being asked to serve.

## BOARD POLICIES

The 200 series of district policies relate specifically to school board operations. All School Board policies are available on the district website at <https://www.isd466.org/>. The School Board reviews policies as the legislature approves changes as well as a three-year cycle for district-specific policies.

## LIAISONS AND PARTNERSHIPS

Board members serve as liaisons to various organizations and partnerships affiliated with the school district. As stated above, it is the responsibility of the board chair to assign members

both to serve on committees and to serve as a liaison to the various organizations and partnerships affiliated with the school district. This is generally done at the annual Organization Meeting in January, with some consultation with individual members to ensure that there is a correlation between member interest and abilities and the committees on which they are being asked to serve.

The Meeker and Wright Special Education Cooperative (MAWSECO) is a Joint Powers District located immediately west of Minneapolis and south of St. Cloud. MAWSECO was established in 1975 for the purpose of providing leadership, services, and support to meet the needs of and increase opportunities for staff, students, and families within our member public school districts. MAWSECO is proud to serve our seven founding member districts: Annandale, Dassel-Cokato, Delano, Howard Lake-Waverly-Winsted, Litchfield, Maple Lake, and Rockford. Through cooperation, our member school districts are better able to provide educational opportunities for students in an efficient and effective manner. Administrative and service costs are reduced and member districts are assured of fiscal equity because of the organization's formal, uniform, and consistent policies, procedures, and service agreements relating to shared staff and programs.

MAWSECO provides a number of special education and related services on behalf of its member districts including: Assistive Technology consultation, Autism Resource Team, Behavior Analysts, Brailist, Early Childhood Special Education Part C (Birth-2) services, Occupational Therapy, Physical Therapy, Consultation for Other Health Disabilities and Physical Disabilities, Orientation & Mobility Services, Speech-Language Therapy, Teachers of the Blind/Visually Impaired, Teachers of the Deaf/Hard of Hearing, School Psychologists, and leadership from the Special Education Director and Coordinators.

In addition to special education leadership, support, and services provided for its member districts, MAWSECO operates nine alternative programs on behalf of its members including: elementary, mid-level, and secondary Federal Setting IV special education programs, a secondary transition program for students ages 18-21, and operates educational programs at four residential care and treatment facilities.

MAWSECO has a seven-member governing board. Member districts are each represented on the MAWSECO governing board by one member of each local district's board of directors. The Governing Board is empowered generally to act in the interest of the member districts and to provide for a thorough and continuing system of reporting to, and communication with, the Board of Education for each member district. Superintendents serve in an advisory capacity to the MAWSECO Executive Director and meet monthly as an Executive Advisory Committee.
