Surita Scholla

Kim Kellner

SHAC Meeting Dates

October 25, 2023
November 29, 2023
January 24, 2024
February 21, 2024
March 27, 2024
April 24, 2024

Technology Use Recommendations

- Adopt technology use practices similar to those in the Eanes ISD student handbook.

 - PK-8 students are not allowed to display, turn on, or use a personal device during the instructional day. The instructional day is from the morning tardy bell to the dismissal bell and includes lunch, recess, passing periods, and all activities conducted during the instructional day including field trips and assemblies.

 - See Eanes handout for additional information
-

Additional Recommendations

- Update district website with more robust bully prevention resources and clear and transparent information regarding bully investigations and policies.
 - Additional PE teachers at elementary
 - Consideration of requiring Cav 101 as a required local credit to incorporate all health related TEKS and mandated curriculum including sexual health, fentanyl, nicotine and drug prevention curriculum, CPR, mental health curriculum, etc.
-

Additional Work

- Updated Puberty Curriculum for 4th and 5th grades
- Updated bylaws to allow for a 3 year term for continuity of SHAC members.

SHAC for 2024-2025

- Applications will be open starting the fall for the 2024-2025 school year.
- For the 2024-2025 school year, SHAC will work on the following:
 - ❑ curriculum approval for Child Abuse Prevention, Fentanyl Prevention and Awareness
 - ❑ continue working on technology and mental health concerns
 - ❑ review district wellness policy for triennial assessment
 - ❑ other community issues that arise.

Questions
