

Dear Parent or Guardian,

Holland Central School District Food Service Department is excited to provide you with a convenient and secure online payment service called [myschoolbucks.com](http://myschoolbucks.com). This website allows you to deposit money directly into your child's school meal account and view balance/purchase information for the past ninety days. By having money in each child's account prior to entering the cafeteria, we find that the lunch lines move along much faster, which gives your child more time to eat and be with friends.

To access this service:

1. Go to [www.myschoolbucks.com](http://www.myschoolbucks.com).
2. From this website you can create your account and add money to your child's school meal account. All you need is your child's name, school, and student ID number.
3. Parent start guide is found on [www.myschoolbucks.com](http://www.myschoolbucks.com).

Things to know:

- If you have more than one child in the District you can handle all online prepayments from the same online account.
- Payments may be made using the following methods: Visa, MasterCard, Discover or an e-check.
- A small processing fee of \$2.49 per transaction will be assessed to cover bank fees. Parents placing money into multiple meal accounts will only be assessed the \$2.49 fee once per transaction. Holland Central School District will not profit from the use of this site.

We are very excited to offer this service and are confident that mySchoolBucks will benefit you, your child, and our district. If you choose to not take advantage of the online payment service, you may continue to make payments via cash or check (made payable to Holland Central School). Please remember to write your child's full name on the check.

If you have any questions about this service, please refer to [www.myschoolbucks.com](http://www.myschoolbucks.com).

Warm Regards,

Jessica Shields
