New Legislation Affecting School Health Advisory Councils

TEC Section 28.004(c) amended to provide that the duties of the School Health Advisory Council include recommending:

(6) appropriate grade levels and curriculum for instruction regarding opioid addiction and abuse and methods of administering an opioid antagonist, as defined by Section 483.101, Health and Safety Code.

TEC Section 28.004(c) amended to provide that the duties of the School Health Advisory Council include recommending:

(6) strategies to increase parental awareness regarding:

(A) risky behaviors and early warning signs of suicide risks and behavioral health concerns, including mental health disorders and substance use disorders; and

(B) available community programs and services that address risky behaviors, suicide risks and behavioral health concerns.

TEC Section 28.004(o) added:

(o) The local School Health Advisory Council shall make policy recommendations to the district to increase parental awareness of suicide-related risk factors and warning signs and available community suicide prevention services.
