

Bus Driver Information

- The address for Challenger Learning Center is 720 W. Judd St Woodstock, IL 60098
- If you need assistance while the students are with us you can call [\(815\) 338-7722](tel:8153387722)
- Please drop off students on the west side of the building in the parking lot with the Challenger signage. There is a yellow bus loop drawn on the ground to follow, do not drive all the way to the door. Stop at the bus loading zone sign. There will be a staff member waiting to come aboard the bus with directions for the crew.
- If you need to use the restroom you may come in the Challenger door only. Olson Elementary is not open to students/staff attending Challenger Learning Center. We can't have you waiting in the building while students are visiting our center.
- While students are at the center feel free to take your bus to any of several restaurants throughout Woodstock (Starbucks and Ethereal Confections are on the City Square nearby) Also Walmart is on Lake Street, almost to Rt 14.
- We will have the students ready to board the bus 5-10 minutes before the requested departure time, please be ready for them to board at that time. Departure time for us means the bus is leaving the parking lot.
- When picking up students you come back to the same parking lot. Please make sure the bus is facing the exit to the parking lot prior to loading, you cannot back up with students on the bus.
- See map below for bus parking near Olson.
