## Outdoor Exploration

Throughout the year, we will have many opportunities for outdoor exploration. To help keep children both safe and comfortable during these times, we ask that you send them prepared for the weather each day. We will have extra clothing and outdoor gear available when needed.

Here are some examples of appropriate outdoor gear we would like you to provide:

### General Outdoor Gear:

- Shoes with covered toes
- Waterproof boots
- Fleece/lightweight jacket
- Hats/sunglasses

### Winter Gear:

- Snow jacket
- Snow pants
- Waterproof mittens (Mittens keep children's hands warmer than gloves and are easier for them to put on independently)
- Warm socks
- Warm winter hat
- Warm, waterproof snow boots

**\*We provide muddy buddy rain suits for each child**
