Welcome!

Saint Martin Parish School Board recognizes the importance of providing a comprehensive benefits program to all our benefit eligible employees and their dependents.

Eligibility

Board Members, Bus Drivers, Bus Attendants and all active employees paid at the end of the month regular payroll working 30+ hours are eligible for benefits the 1st of the month following 30 days of employment. For some benefits, you can also enroll your eligible dependents, which include:

- Legal spouse.
- Children by birth, adoption, or legal ruling, up to age 26 regardless of student, marital, military or employment status

By law, Section 125 Cafeteria Plan coverage elections must remain in effect until 6/30/2025, unless there is a qualifying event.

St. Martin Parish School Board maintains an IRS section 125 Cafeteria plan. This section 125 plan allows certain fringe benefits to be deducted pre-tax (before federal and state taxes are calculated). Not all benefits are available on a pre-tax basis. Benefits that are pre-tax or non-pre-tax cannot be revoked or changed unless there is a **qualifying event** as defined by the IRS.

Qualified Status Changes

If you have an eligible change in status, you may make certain changes to your benefit coverage. Eligible changes in status include:

- » Marriage
- » Divorce
- » Death of a spouse or dependent
- » Loss or gain of dependent's eligibility
- » Loss or gain of a spouse's or dependent's medical, dental, or vision coverage through another employer

Spousal Surcharge

A \$75 monthly spousal surcharge will be added to your premium if you have elected coverage for your spouse and your spouse is eligible for coverage through his/her employer health plan but elects not to enroll. If your spouse is not eligible for coverage as an employee, the spousal coverage surcharge is waived.

2024 Health Plan Active Employee Spousal Surcharge Rates

Employee + Spouse	\$504
Employee + Family	\$677

Spousal Surcharge – Frequently Asked Questions

• What is a spousal surcharge?

The spousal surcharge is a monthly charge in addition to your regular medical coverage premium for a spouse who is working and is eligible for medical coverage through their employer or former employer.

• Why is Saint Martin Parish School Board implementing a spousal surcharge?

The spousal surcharge encourages those participants eligible for other group insurance to take advantage of that coverage. It also allows Saint Martin Parish School Board to share healthcare cost with other employers and helps keep our medical plans more affordable. Spousal surcharge is a method adopted by many employers.

All Employees with a spouse enrolled in coverage under the Saint Martin Parish School Board Medical must complete the Health Care Spousal Surcharge Form when enrolling. Individuals that do not go online at open enrollment will automatically be charged the surcharge beginning July of 2024. The online form will be available to you during open enrollment.

If your spouse loses or obtains health coverage through his/her employer, you have 30 days to notify the Group Benefits Office of such change. The Group Benefits Office needs to be notified in writing of this and all family status changes within 30 days of when the change occurred. Failure to notify us in a timely manner will bar you from making a change until the next annual enrollment period.

Please note that St. Martin Parish School Board will be conducting a dependent and spousal surcharge audit this year. Any discrepancy found will result in additional payroll deductions to recover the \$75/month spousal surcharge retroactive to the applicable date not later than July 1, 2024.

How to Locate a Provider

1. Log in to your online services: Visit www.umar.com.

If you have previously registered for online services, enter your username and password to sign in. If you have not yet registered for online services, click the **Register** option and follow the prompts to complete your registration.

2. Find a provider

Select **Find a provider** from the myMenu bar on the left-hand side of your member homepage.

3. View providers

When the new window opens, select the **“View providers”** button to continue.

The screenshot shows the UMR member homepage. A red circle highlights the 'LogIn/Register' button in the top right corner, with a red '1' next to it. Below this, a red box highlights the 'Find a provider' button in the 'myMenu' bar, with a red '2' next to it. To the right, a red box highlights the 'View providers' button in the 'Provider network' section, with a red '3' next to it. The 'myMenu' bar includes options for Claims, Benefits & coverage, ID card, Find a provider, Pharmacy, and Health center. The 'Provider network' section shows the current network as 'ST MARTIN PARISH SCHOOL DISTRICT' and includes a 'View providers' button.

Select a link to search for Tier 1 or Tier 2 providers

Tier 1 providers offer service at the highest benefit level, so you will typically pay less out-of-pocket when you receive care from Tier 1 providers.

Tier 2 providers are also considered in-network; however, the St. Martin Parish School Board plan will pay claims at a lower benefit level, and you likely will pay more out-of-pocket.

Tier 1 providers can be found using both of the links provided

NOTE: Only those Choice Plus providers with the two filled in blue hearts as shown above are considered Tier 1

The screenshot shows the UMR provider search page for St. Martin Parish School Board. The header reads 'FIND A PROVIDER | St. Martin Parish School Board provider search'. Below this, there are two search links: 'Tier 1 - St. Martin Parish School Board Provider Search' and 'Tier 2 - United HealthCare Choice Plus Provider Search'. A note states: 'Please note: Premium Choice Plus benefits (Tier 1 benefits) apply to all providers included in the link above plus those providers designated with a Tier 1 emblem - Premium Care Physician - in the link below. Search both links to find a Premium Choice Plus provider that suits your needs.' The 'Premium Care Physician' link is highlighted with two filled blue hearts.

Key Terms

DEDUCTIBLE This is the amount you pay for covered health care services before your plan starts to pay.

COINSURANCE A set percentage of costs that are covered by your plan after your deductible has been paid (Deductible does not apply to tier 1). Your plan pays a higher percentage. You pay a lower percentage.

OUT-OF-POCKET This is the maximum amount per year that you and your family may pay out in a plan year before the plan pays 100% of eligible claims. Deductible, Copays, and Prescription drug costs do not accrue towards the maximum out of pocket.

COPAY A small set fee. It is paid each time you have an office visit, outpatient service or prescription refill (excluding additional services such as lab work, x-ray and more). Copays do not accrue towards satisfaction of the deductible or out of pocket max.

PREVENTIVE CARE In-network preventive care is covered at 100% without cost share. Preventive Care may include routine annual physicals, OB/GYN exams, scheduled child immunizations, routine tests.

COORDINATION OF BENEFITS Many families are covered by more than one health plan. The coordination of benefits (COB) process determines which plan pays first. It also determines if the second plan will pay any remaining charges not covered by the first plan. The process makes sure your doctor doesn't get paid twice for the same service.

EXPLANATION OF BENEFITS An EOB is simply the statement explaining your benefits activity. It includes the services provided, the amount billed, and the amount paid, if any. You should review your EOBs carefully. Call the customer service number on your ID card or visit umr.com if you have any questions about your EOB.

Flex Spending Account (FSA)

You have the opportunity to pay for out-of-pocket Medical, Dental, Vision, and/or Dependent Care expenses with pre-tax dollars through the Flexible Spending Account (FSA).

- **Plan Year:** July 1, 2024 – June 30, 2025
- **Health Care Contribution Limit:** \$3,200
- **Dependent Care Contribution Limit:** \$5,000 (\$2,500 if single or married filing separately)

A Health Care FSA is used to reimburse out-of-pocket health care expenses incurred by you, your spouse and/or your children; whether you cover them or not. Eligible expenses include deductibles, coinsurance, copays, etc. Your Health Care contribution is pre-loaded to a debit card; you have immediate access to the funds and will pay them back throughout the year via payroll deduction.

A Dependent Care FSA is used to reimburse work related expenses; while you or your spouse work, look for work or attend school full-time or are physically unable to care for your dependent. Eligible children are under age 13, or a dependent who is physically or mentally not able to care for himself. Eligible expenses include nanny, nursery school, before care/after care, late pick-up fees, day camp, or day care. Your Dependent Care contribution is not pre-loaded to a debit card; you can only access what has been payroll deducted and is in your FSA.

Contributions to your FSA come out of your paycheck before any taxes are taken out. This means that you don't pay federal income or FICA taxes on the portion of your paycheck you contribute to your FSA.

“Use it or Lose it” Rule Under this Group's Flexible Spending Plan, any account balance in a Participant's Flexible Spending Account(s) at the end of the Plan Year or applicable Grace Period must be forfeited. The balance cannot be paid to a Participant in cash, carried over to the next Plan Year, nor be made available to an Employee in any way. Forfeited funds may be used to offset administration expenses of the Plan.

Grace Period This is extra time to incur expenses and utilize them against the current FSA Plan Year contribution until 9/15/2025.

Run-Out Period You have until October 15, 2025 to submit claims for expenses incurred during the current Plan Year.

Debit Cards If you wish to receive a debit card for your Medical Reimbursement FSA, please indicate this when you complete your enrollment. The debit cards are valid for 5 years and reloaded each year with new election. Do not throw your cards away! Debit card transactions after June 30, 2024 will be deducted from your July 1, 2024 – June 30, 2025 FSA election.

Online Account Access You may view account details including balance, claims and reimbursements and also access claim forms via the DBS website at www.dbsbenefits.com.

Do your homework and consider known expenses. Make an informed decision when you elect your contribution for the year. FSA elections can only be changed during Open Enrollment or due to a Qualifying Event.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2024. Contact your State for more information on eligibility –

Disclosure of Grandfather Status This group health plan believes this plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits. Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the plan administrator at P.O. Box 1000, Breaux Bridge, Louisiana 70517. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or <http://www.dol.gov/ebsa/healthreform>. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

Wellness Program Notice of Alternative Standard

Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact your plan administrator and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

Wellness Program – Health Risk Assessments

In answering the questions on your Health Risk Assessment, you should not include genetic information. That is, please do not include any family medical history or any information related to genetic testing, genetic services, genetic counseling, or genetic disease for which you believe you may be at risk.

Women’s Health and Cancer Rights Act (WHCRA)

Enrollment Notices If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply: \$625 deductible (in-network) and 20% coinsurance (in-network) and \$950 deductible (out-of-network) and 40% coinsurance (out-of-network). If you would like more information on WHCRA benefits, contact your plan administrator.

Annual Notices Do you know that your plan, as required by the Women’s Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Contact your plan administrator for more information.

Medicare Part D Creditable Coverage Notice

Important Notice from Saint Martin Parish School Board About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Saint Martin Parish School Board and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Saint Martin Parish School Board has determined that the prescription drug coverage offered by the 2024 - 2025 Plan Year is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Saint Martin Parish School Board coverage will not be affected. Plan participants can keep their prescription drug coverage under the group health plan if they select Medicare Part D prescription drug coverage. If they select Medicare Part D prescription drug coverage, the group health plan prescription drug coverage will coordinate with the Medicare Part D prescription drug coverage.

If you do decide to join a Medicare drug plan and drop your current Saint Martin Parish School Board coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Saint Martin Parish School Board and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Mental Health Parity and Addiction Equity Act (MHPAEA) Disclosure

The Mental Health Parity and Addiction Equity Act of 2008 generally requires group health plans and health insurance issuers to ensure that financial requirements (such as co-pays and deductibles) and treatment limitations (such as annual visit limits) applicable to mental health or substance use disorder benefits are no more restrictive than the predominant requirements or limitations applied to substantially all medical/surgical benefits. For information regarding the criteria for medical necessity determinations made under the plan with respect to mental health or substance use disorder benefits, please contact your plan administrator at (337) 332-2105.

Newborns' and Mothers' Health Protection Act Notice

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Notice of Privacy Practices

Saint Martin Parish School Board is committed to the privacy of your health information. The administrators of the Saint Martin Parish School Board insurance plan (the "Plan") use strict privacy standards to protect your health information from unauthorized use or disclosure.

The Plan's policies protecting your privacy rights and your rights under the law are described in the Plan's Notice of Privacy Practices. You may receive a copy of the Notice of Privacy Practices by contacting your plan administrator.

Notice of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

If you or your dependent(s) lose coverage under a state Children's Health Insurance Program (CHIP) or Medicaid, you may be able to enroll yourself and your dependents. However, you must request enrollment within 60 days after the loss of CHIP or Medicaid coverage.

If you or your dependent(s) become eligible to receive premium assistance under a state CHIP or Medicaid, you may be able to enroll yourself and your dependents. However, you must request enrollment within 60 days of the determination of eligibility for premium assistance from state CHIP or Medicaid.

To request special enrollment or obtain more information, contact plan administrator.

UMR Wellness Program

Notice Regarding Wellness Program

St. Martin Parish School Board offers a voluntary wellness program that is available to all employees enrolled in the group medical plan. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. The wellness program offers opportunities to win incentive prizes for participating in a variety of programs implemented to promote wellness. These wellness programs may include biometric screenings (blood tests) and physician examinations along with programs that encourage healthy lifestyle and promote healthy weight loss. The programs may also incorporate an online Clinical Health Risk Assessment (CHRA) that asks questions about your health-related activities and medical history. Participation in all programs is voluntary and members will not be penalized for not participating. However, employees who choose to participate in the wellness program are eligible to win reward cards as incentive prizes for participation. Although you are not required to complete the CHRA, participate in biometric screenings or examinations, only employees who do so will be eligible to win prizes. The information from your CHRA and the results of any biometric screening will provide you with information to help you understand your current health and potential risks. You also are encouraged to share your results or concerns with your medical doctor.
