

ATTENTION K-12 FAMILIES:

Would your child benefit from a flexible, supportive virtual learning program?

Elma School District is excited to offer K-12 students flexible learning options through Eagle Sky Virtual Academy (ESVA) using high quality courses from Accelerate Education – all tuition free! These engaging online programs open a world of content for students in a variety of different learning styles, offer hands-on learning opportunities and adaptive technology allows the learners experience to be personalized to focus on concepts that need additional reinforcement.

Over 300 K-12 online courses offered, including:

K-12 Core & Electives • Honors Level Programs • Rich Electives • World Languages • NCAA Approved

Eagle Sky Virtual Academy offers students and their families:

- Tuition-free access to quality learn-at-home options with teacher support
- Opportunities for homeschoolers, elite athletes and performers, at-risk students, and students who are homebound due to illness or threat of illness to continue their studies outside the traditional classroom with a flexible learning schedule.
- Help for students who are currently performing below grade level to catch up and graduate on time
- Personalized instruction
- Support from Washington State certified teachers

With our accredited program, you will receive all the tools and support needed to succeed – Engage, Learn, Motivate, Achieve

Access to an online learning platform with easy-to-use lessons, with a variety of activities and assessments appropriate to the course being studied, including labs, journals, projects and more.

Built in learning support tools for accessibility including text-to speech, translation, dictionary, picture dictionary, screen masking, notes, bookmarking and personalized study guides.

Personal support, tutoring and counseling from certified teachers.

In addition, your child will have opportunities to engage and connect with other students and be part of our vibrant Elma School District community through events such as: sports participation, clubs, and school sponsored events.
