

Churchville-Chili Central School District

1:1 Protection Plan – Chromebook Computer (2024-2025 School Year)

Students assigned a district device are responsible for all damages whether intentional or accidental. Responsibility for repair caused by a malfunction or maintenance issue will be determined by the Churchville-Chili School District's Information Technology Department.

Enrollment Information

The Chromebook Insurance Coverage Program is optional and provides an inexpensive solution for parents to reduce the financial burden if an accident or theft occurs.

Parents/guardians may decline to participate in the Chromebook Insurance Coverage Program, but will be fully responsible for any associated cost for damage or theft. The Chromebook Insurance Coverage Program will cover **one school year** (August to August) and is non-refundable.

Payment can be made online through the parent portal: <https://www.cccsd.org/Portal> or paid in cash or check when the student receives their Chromebook. Cash/check payment can also be made through the school main office.
