16 August 2024

Dear CPCS Families,

It is a pleasure for me to, on behalf of the Chesapeake Charter School Alliance, welcome you to the 2024-25 academic year at the Chesapeake Public Charter School! We are very excited to have the hustle and bustle back in the building and look forward to a school year filled with growth, learning, and fun for students and staff alike.

The Chesapeake Charter School Alliance, founded in 2004, is a non-profit organization that provides oversight and support to the Chesapeake Public Charter School (CPCS). The membership of the alliance is made up of the school stakeholders - particularly the families of current and former CPCS students. The CCSA Governing Board is responsible for oversight of CPCS and its compliance with its state-issued Charter, fiduciary oversight of CPCS and CCSA funds, oversight of committees charged with specific tasks, ensuring adequate support for the advancement of the school's mission and vision, and maintenance of the school's building and grounds. In short, the Alliance puts the **Charter** in **Chesapeake Public Charter School**, allowing for the unique school experience that our students have access to.

Membership in the Alliance is one way for families to stay active and involved in supporting CPCS. With membership, you will not only be making your support for the school publicly known, you will also receive benefits of regular updates of the latest developments at the school, access many opportunities to get involved in the events and committees that help to shape our educational programming, and have a voice at the table of the CCSA Governing Board as it works to keep the school moving forward.

To become a member of the Chesapeake Charter School Alliance, complete this [Alliance Membership Form](#)

We welcome you all to the school this year. Please don't hesitate to reach out any time if you have questions, want to get involved, or want to in any other way support the school's mission to *foster an inclusive and rigorous learning community that encourages hands-on exploration through arts, environment, and world culture education.*

Warmest,

Kevin Emerson, Chair, Chesapeake Charter School Alliance
