Dear: _____

I am so excited to be walking in the 29th annual Notre Dame Marathon on October 11, 2024. We have a great time during our Marathon Day and I can tell you all about it sometime!

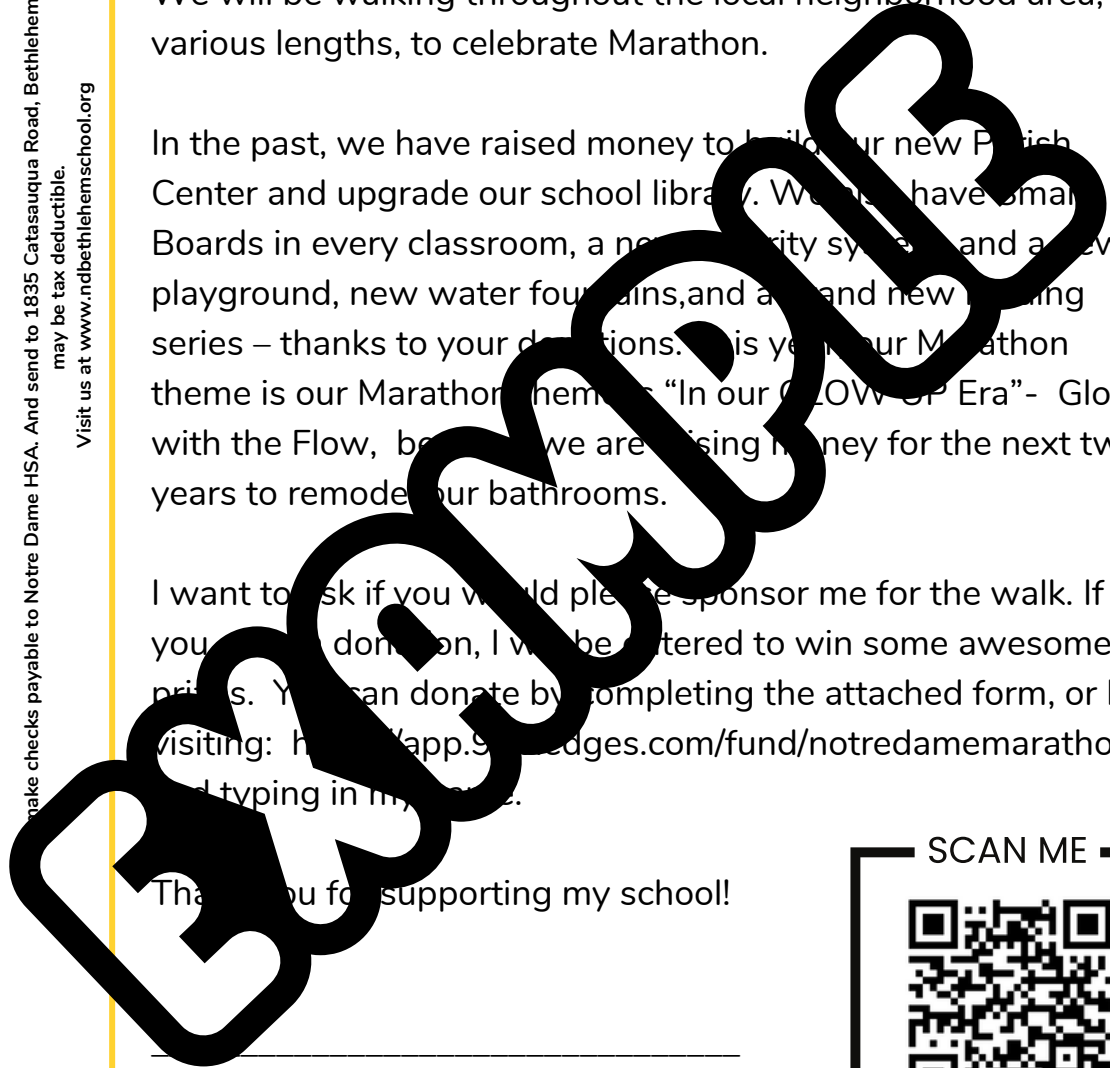

We will be walking throughout the local neighborhood area, various lengths, to celebrate Marathon.

In the past, we have raised money to build our new Parish Center and upgrade our school library. We also have Smart Boards in every classroom, a new security system, and a new playground, new water fountains, and a new lighting series – thanks to your donations. This year our Marathon theme is our Marathon theme is “In our GLOW UP Era”- Glow with the Flow, because we are raising money for the next two years to remodel our bathrooms.

I want to ask if you would please sponsor me for the walk. If you do, I will be entered to win some awesome prizes. You can donate by completing the attached form, or by visiting: <https://app.9edges.com/fund/notredamemarathon> and typing in my name.

Thank you for supporting my school!
