

CHILDREN'S MAILER

Tuesday, September 10th, 8:30am

The Children's Letters have been a **HUGE SUCCESS** and are the biggest source of Marathon donations. On Tuesday, September 10th, the school children will be filling out form letters to be mailed to your family and friends asking for a donation to our school. On the back you will find a sample letter. *Pre-school kids are not required to send the mailer; however, your participation would be greatly appreciated!*

We are requesting each family supply **ten addressed labels and ten stamps** for this event. The addresses can be for family/friends near and far, business associates, or just about anybody you feel would want to support ND.

- **Please use the supplied address labels - filled out but not peeled off.**
- **Please send them to your child's teacher before Sept 7th using the attached envelope.**
- **Dress Down Day for your labels - Old Marathon or Gym Shirt and Gym Shorts**
- **Lots of help is needed for this day.**

Hints:

- Have two or more kids? Split and send a few labels with each child separately to their teacher
- For the younger kids - complete the labels and attach a cheat sheet for the salutation.

Example:

On label - Mr. and Mrs. Joseph Smith
123 Any Street
Bethlehem, PA 18018

On cheat sheet - Mr. and Mrs. Joseph Smith=
Grandpa and Grandma

Uncle John & Aunt Jane Smith
123 Any Street
Bethlehem, PA 18018

Self-explanatory, no cheat sheet necessary

- For younger students, please print the cheat sheet so they can read it (many of them can not yet read cursive).
- Use your own labels or contact the office for more labels if you are kind enough to think of more than 10 addresses.
- Send in as many stamps as completed labels - No stamps-no problem, we will certainly accept your cash equivalent - 10 stamps cost \$7.00!
- Send them tomorrow to get it off your to-do list.

We hope every Notre Dame family will participate. Just imagine, if you send 10 mailers and they each send \$10, that's \$100 for our school and you're entered twice for the grand prize!

Thank you from the 2024 Marathon Committee
