North Kansas City Schools Board Policy IICC-AP (1): School Volunteers

Volunteering in the district is a privilege, not a right. The Board, superintendent, building principal or designee may decline or terminate the services of a volunteer for any legal reason. It shall be the responsibility of the building principal or designee to approve all screened volunteers to be placed in his/her building. Teachers may select and organize chaperones, unless otherwise directed by the principal.

All volunteers must receive training appropriate to the function they will serve while volunteering. If a volunteer is disruptive or acts inappropriately around the students, the teacher or principal will refuse the volunteer's services and notify the superintendent or designee immediately.

Volunteers will provide support services but are not substitutes for the professional staff. Volunteers will work under the direction and supervision of district and building staff. Even screened volunteers who are left alone with a student will have an employee contact person or supervisor to monitor activities with students.

All volunteers will be given a copy of the following rules:

1. Volunteers must follow the same dress code applicable to students.
2. Volunteers will not lend money or bring gifts other than stickers and greeting cards to individual students unless authorized by the building principal or designee.
3. Volunteers will not transport students.
4. Volunteers will keep all information obtained from a student's education record confidential.
5. Volunteers will not photograph or videotape students unless authorized by the building principal or designee.
6. Volunteers will not date students, have sexual relationships with students or arrange to meet students outside the regular school day or during school-sponsored events or activities.
7. Volunteers will not dress students, change diapers, provide personal hygiene assistance or supply medication to students.
8. Volunteers will use universal precautions to avoid contact with body fluids.
9. Volunteers will receive district policies and procedures on computer use and will sign an authorized user form prior to having access to the district's computers.
10. Volunteers will not discriminate against or harass any person and will report all harassment or discrimination observed, in accordance with district policy.
11. Volunteers will not search students or student property.
12. Volunteers will not direct a student to remove an emblem, insignia or garment, including a religious emblem, insignia or garment. If the volunteer believes a student's clothing is disruptive or promotes disruptive behavior, the volunteer will contact a staff member immediately.
13. Volunteers must check in and out of the office when entering or leaving the school to document the hours volunteered in the school.
14. Volunteers must report suspected cases of abuse or neglect to the building principal.
15. Volunteers will follow all the policies, procedures and other rules established in the district and all applicable laws.

I have read the above and agree to follow all of the above policies relating to school volunteers.

North Kansas City Schools Standards of Conduct for YouthFriends

The North Kansas City School District recognizes that community and parent volunteers make valuable contributions to the district's schools and encourages volunteer participation in district programs. Thank you for agreeing to follow the guidelines and procedures listed below:

YouthFriends Responsibilities

- * Check-in and check-out as a YouthFriend volunteer with the school's front office utilizing the Raptor system when entering or leaving the school. The Raptor system documents your volunteer hours and attendance for safety protocols.
- * Clearly wear your identification badge, which will be printed upon check-in each visit, while in the buildings.
- * Call the school office to notify them if you will be absent, they will relay your message to the teacher or building facilitator.
- * Volunteers must be rescreened after five years to continue service or after the absence of one year or more.

YouthFriends Guidelines

- * Volunteering is a privilege, the district may terminate the services of a volunteer at any time.
- * Volunteers who do not have service hours for one year or longer will need to be re-screened prior to being reinstated.
