

**Guide to Changes in the New Jersey Department of Education  
2020 Comprehensive Physical Education and Health Standards  
*Updated August 2024***

This guide was created to provide information regarding state mandated changes to the New Jersey Student Learning Standards impacted the district's curriculum effective September 2022. Some parents/guardians have asked for more information on the *Health* portion of these standards. As in the past, parents/guardians will be able to choose an alternative unit of study if they wish to not have their child(ren) study an area of our health curriculum. This guide highlights the standards that some parents may want to review. These standards are taught in Grades 2, 5, 7 and 8. Health is taught in grade 2 by Mr. Wooby, in grades 5-8 by Mr. Lobb, and in grades K-8 by Ms. Sconda.

The standards focused on in this guide are:

*(2.1) Social and Sexual Health, Pregnancy and Parenting, Community Health Services and Support, Personal Growth and Development*

*(2.3) Personal Safety; Health Conditions, Diseases and Medicine*

Below is the user-friendly guide intended to help parents/guardians locate some health standards more easily. We hope you find this document helpful. Standards have been broken down by grade level in this guide. Additional information on how to choose an optional unit of study for your child will be provided to you in January 2025, prior to the units being taught in the spring of the 2024-2025 school year.

If you would like to read the entire New Jersey Department of Education document on the NJ Student Learning Standards for Health, please [click here](#). If you would like to read the Tewksbury School curriculum for health courses K-8, please click this link: <https://www.tewksburyschools.org/domain/375>.

Thank you,

Jennifer Shouffler, Ed.D.

## **Grade 2**

### ***Taught in the Grade 2 “Character Education” Unit in Tewksbury’s Health Program throughout the month of May 2025***

- 2.1.2.SSH.1: Discuss how individuals make their own choices about how to express themselves.
