The following Policy encompasses the Aims and Ethos of the Preparatory School and the Senior School

[Aims and Ethos](#)

SAFEGUARDING STATEMENT

Felsted is committed to maintaining a safe and secure environment for all pupils and a 'culture of vigilance' to safeguard and protect all in its care, and to all aspects of its 'Safeguarding (Child Protection and Staff Behaviour) Policy'.

EQUAL OPPORTUNITIES STATEMENT

The aims of the School and the principles of excellent pastoral care will be applied to all children irrespective of their race, sex, disability, religion or belief, sexual orientation, gender reassignment or pregnancy or maternity; equally these characteristics will be recognised and respected, and the School will aim to provide a positive culture of tolerance, equality and mutual respect.

1. Introduction

Felsted is committed to providing an education of the highest quality for all pupils and recognises this can only be achieved by supporting and promoting excellent attendance for all. This is based on the belief that only by attending school regularly and punctually will children and young people be able to take full advantage of the educational opportunities available to them. High attainment depends on good attendance. The whole school community – pupils, parents and carers, teaching and support staff and school governors – have a responsibility for ensuring good school attendance and have important roles to play.

It is expected that all pupils will attend school during the published term dates and at the published times unless they give good reason (and obtain permission where required) for absence. Such absence should be explained in writing to the school.

2. Regulations

This policy is written in compliance with The Education (Pupil Registration) (England) Regulations 2006 as amended and the Department for Education Guidance: Working together to improve school attendance. The relevant Statutory Instrument 2006 No. 1751 is available at www.legislation.gov.uk.

3. Reporting to the Local Authority and UK Visas and Immigration (UKVI)

Felsted recognises its legal duty to report certain attendance issues to the local authority and reporting duties as a sponsor of Child Student and Student visas. Failure to attend regularly (or any other immediate concern) will result in such a report being made, and ten successive days of unauthorised absence (unless explained) will routinely trigger that report.

The School will:

- Notify the Local Authority (Essex County Council) of any additions or deletions to our admissions register, at standard and non-standard transition points, with the exception of pupils leaving at the end of Year 13.
- From September 2024, inform the local authority of all pupils of compulsory school age who have been recorded with code I (illness) and who the school has reasonable grounds to believe will miss 15 days consecutively or cumulatively because of sickness.
- Comply with the School's sponsor reporting duties, including changes in student circumstances, to the UKVI for any sponsored pupils.

The School recognises that the Essex County Council (as the local authority) may view and take extracts from the Attendance Register from any school in their area and the Secretary of State may also access and take extracts of the registers.

4. Schools' roles and responsibilities

The School's Senior Attendance Champions are the Deputy Head (Prep) and Senior Deputy Head (Senior), supported by the Head of Student Services (Senior).

Registration is a legal requirement and requires pupils' attendance to be checked twice a day and a record kept.

As a matter of good practice, electronic registration has the facility for registration of every lesson, which is employed routinely as well as for other activities. This allows continuous tracking of pupil whereabouts and immediate information to staff as to whether they are in a music lesson or other sanctioned activity if absent from their lesson.

Senior School:

Housemasters/Housemistresses are responsible for ensuring that registers are taken.

Morning Registration: Monday to Saturday inclusive: all pupils are registered in Houses by 8.30am.

Afternoon Registration: all pupils are registered in Houses between 1.00pm and 2.00pm (precise time depends on their year group).

Pupils arriving late must sign in at their House or with the Common Room Secretary (offering an explanation for their lateness if this has not already been offered).

Prep School:

Form Tutors are responsible for ensuring that registers are taken.

Morning Registration :

Year 3-Year 8: the registers close at 8.30am

Year R-Year 2: the registers close. at 9.00 am

Afternoon Registration -

Year 3-Year 8: the registers close at 1.30 pm on Monday, Tuesday, Thursday & Friday and 2.00pm on Wednesday.

Year R-Year 2: the registers close at 1.00pm every day.

Pupils arriving late must sign in at the main School Office offering an explanation for their lateness if this has not already been offered. In Courtauld House, pupils sign the Late Register with a member of staff in the Courtauld House office.

5. Absence

Senior School

Absence from Registration:

If a pupil is absent at **morning** registration this will be visible via iSAMS to the CR Secretary who will email or telephone home, if required, after consultation with the HM. The name of the absent pupil will be identified as Absent on iSAMS and is visible to other staff.

Afternoon registration is dealt with by houses, as appropriate to the situation.

Absence from lessons:

The attendance of all pupils is registered on the iSAMS for every lesson. The iSAMS shows authorised activities or reasons for absence. If a student is marked absent without obvious reason and has previously been marked present at other activities in the day, the member of staff will immediately inform the HM or Common Room Secretary who will follow this up, if appropriate to do so.

Attendance at Activities:

All pupils are expected to attend their activities. Any pupil who is off exercise (off-ex) for health reasons must bring a standard chit from the Medical Centre (or letter from home for day pupils).

It is the responsibility of the member of staff taking an activity or sport to register attendance. These registers are maintained on iSAMS.

If a pupil is absent without reason and the pupil's whereabouts are unknown the HM (or Senior Deputy Head) must be informed immediately.

Prep School

The School Office follows up on any unexplained absence and ensures that every child in the School is accounted for. All pupils who are absent without reason are contacted by phone or email straight after registration and will be constantly followed up until contact is made. This is reported to the Head of Phase. Any pupil absent for an extended period of time, and certainly when that period of time is five days or more, will be offered support, a call from a Tutor and the opportunity to catch up on work at home, if appropriate.

Any child who is not present will be marked Absent unless leave has been granted by the School in advance or the reason for absence is already known and accepted by the School as legitimate. (Good reason for absence must be given as per Government Attendance Codes.)

5.1 Authorised Absence

Absence will be authorised in the following circumstances:

- (i) where leave has been granted by the School in advance;
- (ii) where the School is satisfied that the child is too ill to attend;
- (iii) where the pupil has a medical appointment;
- (iv) university visits (once approved by the pupils HM)
- (v) where there is an unavoidable cause for the absence that is beyond control, for example because of poor weather conditions or as a result of national or international travel delays or restrictions;
- (vi) the absence occurs on a day exclusively set aside for religious observance by the religious body to which the pupil or the pupil's parents belong;
- vii) for special circumstances, for example a bereavement in the family

Parents should let the school know as early as possible if a pupil needs to miss school for the above reasons, via the following contacts:

Prep: The School Office - prepadmin@felsted.org or 01371 822613

Senior: The pupil's HM via the House mobile (on the day) or HM email address (in advance).

Term time absence requests in exceptional circumstances

Parents must request permission from the Head in advance if a pupil needs time off school in exceptional circumstances.

For all exceptional circumstance requests for absence, parents are required to complete the following form: [Parent Request Form - for authorised absence in exceptional circumstances](#)

The Head will then review the request as well as the current level of attendance before making a final decision with regards to granting authorisation. The Head will consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request. If leave of absence is granted, it is for the Head to determine the length of the time the pupil can be away from school.

A School cannot grant a leave of absence retrospectively. If the parent did not apply in advance, authorised leave of absence cannot not be granted.

The School will consider every exceptional circumstance application individually. Generally, the Department for Education (DfE) does not consider a need or desire for a holiday or other absence for the purpose of leisure and recreation to qualify as an exceptional circumstance. It is therefore not policy for the Head to authorise leave of absence for a holiday.

Extended and Specific Period of Absence

For a request for any extended and specific period of absence, for example participation in a sport or external activity, the Head will require an initial meeting to determine the following facts:

- Appropriateness of activity so that it is always in the pupil's best interests
- Safeguarding of the pupil during the activity
- Details of the venue and safeguarding protocols
- An agreed review date/s
- Monitoring of the pupil's academic performance
- Attendance/participation should be checked and documented
- Parental agreement to help support any additional learning from home where appropriate

These arrangements should be confirmed in writing with a copy placed in the pupil's file and a copy sent to parents.

5.2 Approved educational activity

Where a pupil is engaged in off-site approved educational activities, the School will check their attendance on a daily basis before entering the appropriate code in the register.

5.3 Unauthorised Absence Legal Requirements

Felsted School is required by law to inform Essex County Council of any child who is regularly absent, or who have missed 10 days or more without the school's permission. As part of the 2002 Education Act, Schools are required to investigate any unexplained absences.

The School will monitor unauthorised absence (as part of 5.4) and respond accordingly, working with parents and in accordance with the School's Safeguarding (Child Protection and Staff Behaviour) Policy.

5.4 Monitoring absence

In addition to responding to absences as part of section 5 of this policy, the School monitors pupil absence at an individual and group level. The Leadership Team (Prep) and the Senior Deputy Head and Head of Student Services (Senior) review timely (approximately monthly) reports from the School's management information system (iSams). This review includes analysis of attendance patterns and trends as well as using thresholds to identify any pupils of concern.

A pupil is defined by the Government as a 'persistent absentee' when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. All pupils who have attendance levels of 90% or below are considered to be a persistent absentee. Follow up action is taken as appropriate, including engagement with parents and pastoral staff as necessary.

6. Attendance Register

The Attendance Register is kept electronically on the School's Management Information System (iSAMS) which is backed up daily. This Attendance Data (register and back up copies) are kept until six years (previously three years) from date of entry.

The attendance register is completed at the start of each morning session and once during each afternoon session. It shows whether the pupil is:

- (i) present;
- (ii) absent;
- (iii) attending an approved educational activity outside school;
- (iv) unable to attend through exceptional circumstances

The relevant attendance code (as per section 6.2) is also recorded for any of the above categories.

6.1 Registration of Boarders

Felsted's policy is, as a check on pupils' whereabouts for reasons of welfare, health and safety, to register boarding as well as day pupils. Felsted's Policy is that day pupils and boarders, irrespective of age, are registered in the same way during the school day. Boarders will additionally be registered in their boarding house every evening and at bedtime, and at other times, as required by the Housemaster, Housemistress, or House Parent. All absences will be followed up.

6.2 Attendance Register Codes

Detailed explanation of attendance codes is available from the DfE website in Absence and Attendance Codes Guidance ([Working together to improve school attendance - GOV.UK](#)). Felsted uses a system of codes which covers all of these categories, as they are relevant to Felsted.

7. Parents'/Carers' Responsibilities

The prime responsibility for ensuring that children receive an appropriate and full-time education rests with parents / carers (defined by the Education Act 1996 as those with parental responsibility and those who have the care of a child), who will be supported and encouraged by the School. Parents will be expected to notify the School in writing explaining absence.

8. Leadership Team Responsibilities

The Leadership Teams are responsible for ensuring that attendance data is complete, accurate, and analysed, and that matters of concern are dealt with appropriately.

9. Governors' Responsibilities

The Governing body has ultimate responsibility for the safeguarding and promoting of the welfare of children who are pupils at the School and it delegates operational discharge of that responsibility to the Heads.

A summary of attendance, including trends and any areas of concern, is reported to and discussed termly with the Governance Committee, and subsequently reported to the Board, as part of the School's termly safeguarding report to governors,

10. Monitoring & Evaluation

This policy is applied on a daily basis and monitored by the Leadership Teams on a frequent and regular basis. Records are kept appropriately. The Schools will evaluate and review this policy in line with the agreed cycle of review.
