

All Nueva applicants for grades PreK–8 are required to take a Wechsler IQ assessment. **The assessment report needs to be submitted to Nueva directly from the administering psychologist.**

Nueva accepts the results of the WPPSI-IV or WISC-V assessments. Applicants must be 3 years 10 months or older for the WPPSI-IV. Applicants who are 6 years of age or older must take the WISC-V.

Wechsler assessment results for grades PreK–8 are due no later than **January 9, 2025**, but we encourage all families to submit results by November 13, 2024 if possible.

Information about our **November 13, 2024 Guarantee Deadline** for kindergarten and grades 5–8 applicants can be found on our website and on Ravenna.

Wechsler assessment results for Late PreK applicants (see our website for more information) are due no later than March 26, 2025. All other application materials are due no later than January 9, 2025.

NOTE: The Nueva application is due no later than **January 9, 2025**.

Any licensed psychologist experienced in administering the Wechsler to children can administer the assessment. Our Psychologist Resource List may be a helpful place to start your search for a psychologist in the Bay Area; this can be found in Ravenna and on our website.

Prior exposure to assessment materials and/or use of practice questions invalidate results. The Wechsler is designed to capture current cognitive abilities. Your child should not study for this assessment.

Wechsler assessment results are admissible for two consecutive admissions seasons.

Applicants who have taken a Wechsler assessment and wish to be reassessed must wait a full 12 months from the date it was taken before sitting for the assessment again.

The administering psychologist needs your signed permission to release the results to Nueva. Please also provide the administering psychologist with the Guidelines for Psychologists Submitting Assessment Results document and Wechsler Assessment Cover Sheet.

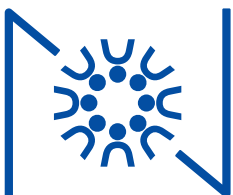

After the psychologist has submitted the results and required documents to our office, we will follow up with you regarding next steps in our application process.

The Wechsler assessment serves as an initial screening step in our application process to determine whether Nueva is a potential match for your child.

Our experience has shown that students with a Full Scale Wechsler IQ Score around 130 and above are more likely to be successful in Nueva's program. However, we encourage you to submit your child's results, regardless of the score, as this will allow us to determine whether your child is eligible to continue in the process.

Families are welcome to submit IQ assessment results before formally applying to Nueva. Please email the results to results@nuevaschool.org for us to review and offer guidance on next steps.

If you have questions, please contact the Nueva Admissions Office at 650-350-4528 or by email at results@nuevaschool.org.

If you have questions, please contact the Nueva Admissions Office at 650-350-4528 or by email at results@nuevaschool.org.
