Availability

We are seeking volunteers to work with 2nd and 3rd graders on literacy skills (primarily reading fluency) at Swanson Elementary and Dixon Elementary in Brookfield. Volunteers will typically work with groups of 1-3 students at a time. All materials will be provided, and a brief Training/Orientation will be held at each school for selected applicants.

In the table below, please let us know which day(s) you would be available every week (except holidays, spring break, etc.) from Oct. – Early May. **Check ALL that apply.** (Once we review availability of all volunteers, we will do our best to schedule everyone for one of their most preferred days, times, and location.)

If you are able to do M&W or T&Th, it would provide excellent consistency for the students, so please let us know if you are willing and able to do that in the table below.

I am not available every week but would like to be considered for a substitute volunteer role, to help cover vacations, illness, etc. of regularly scheduled volunteers.

Are there dates when you expect to be unavailable to volunteer (i.e., snowbirding, vacation, appointments, etc.)?

I have knowledge of and/or experience with the following topics (check all that apply) and would enjoy sharing it with classroom students for their My View Inquiry Projects. (Minimum expected would be a 20 min. presentation or activity, but additional volunteer opportunities may be added through coordination with classroom teachers.):

Volunteer Confidentiality and Student Safety Commitment (Human Resources Practice Statement 4530)

Thank you for your willingness to serve as a school volunteer. Confidentiality and student safety are paramount within Elmbrook School District for staff and volunteers. As a volunteer in Elmbrook Schools, you are requested to be aware of and agree to the required expectations and responsibilities on confidentiality and safety, which are consistent with those for all district employees.

All Volunteers are expected to comply with the following:

Confidentiality

- Maintain strict confidence about students and staff. This includes health issues, academic performance and behavior, school problems, and student records in any form. The access to records by a volunteer shall be limited to legitimate educational interests particular to the duty performed and under the supervision of a District employee acting as the volunteer's supervisor.
- Refrain from discussing school practices, individual students and personnel, or personal opinions regarding all children, adults, and situations observed while volunteering unless there is a legitimate educational interest to protect the safety interests of individuals in the school. If you have a specific concern, discuss it with the principal.

Safety

- Sign in and wear a designated volunteer badge when working in the Elmbrook Schools.
- Be alert to individuals who you do not recognize within the building and who are not wearing a name badge. Please insure that they return to the office to register appropriately.

Criminal background checks are required for volunteers who have contact with students.

Conviction for a crime (felony or misdemeanor) will not automatically disqualify a person from volunteering in a school. Each situation will be considered individually. Completed Volunteer Application forms are maintained in a confidential manner at the District office.

The Human Resources Department will inform the principal of any individual whose criminal background check contains potentially disqualifying information. The principal, in consultation with the Human Resources Department, will determine whether the offense relates directly to the capability or suitability of the volunteer to work in the school.

If you wish to appeal the denial of your volunteer application status, please submit your review request in writing to Human Resources at: humanresources@elmbrookschoools.org.

YES, I have read the above guidelines and agree to follow the confidentiality and safety expectations and responsibility as a volunteer within the Elmbrook School District.
