ATTENDANCE

To report an absence, call 253-800-5400 or log into ParentVue.

At Spanaway Middle School (SMS), we expect all students to attend every class daily. Learning at SMS is designed to take place in class. We recognize a direct correlation between attendance and achievement, students that miss more than 10% (2 days a month) of the school year experience far less growth. Excused absences still count toward your attendance percentage. Daily attendance is one of the keys to a student's educational success. Every subject taught requires a student's active and continuous involvement in order to develop skills and knowledge of the particular subject. Most classroom experiences cannot be duplicated on an individual basis; an absent student loses the experience of lecture, discussion, group work and participation. SMS attendance policies and procedures are in accordance with Bethel School District policies #3121-3124. They are summarized below. Full language of the policies is available upon request.

Daily Attendance:

Parents are responsible for sending their child to school as required by RCW 28A.225.10; to make sure their children are in school on time each day; to encourage their children to come to school with a mental attitude which fosters learning; to communicate accurately with the school concerning their child's absence. Students are responsible for attending school regularly and remaining in school until they are officially excused. Any student whose absence is not excused shall be the focus of remedial efforts and subject to progressively severe disciplinary actions. Staff are responsible for notifying students of the attendance policy in their classes and reporting student attendance; requiring written excuses from a parent or guardian for all cases of students' absences; for bringing to the attention of parents students' attendance patterns that may adversely affect a student's academic growth.

Pre-Arranged Absences:

Students whose parents pre-approve their absence for 3 or more days need to fill out a Pre-Arranged Absence Form. If the activity is not of educational value and adversely affects the educational progress of the student, the principal may deny approval of a prearranged absence.

The following are the steps for a pre-arranged absence:

1. Bring a note from a parent or guardian.
2. Get a Planned Absence Form from the office.
3. Turn the signed form into the Attendance Office at least 3 days prior to leave.
4. Students will make up all work and tests as determined by their teachers. Parents may request homework through Synergy mail.
5. It is a student's responsibility to check with teachers about work to be made up and when the work is to be turned in.

Make-Up Work A student will have the right to make up work for an excused absence provided arrangements are made with the teacher to do so within a reasonable length of time. A student may be required to make up work for unexcused absences.

Attendance and Activities Any student participating in an after-school or evening activity is expected to attend all classes on the day of the scheduled activity. Students who are absent for half of the school day on the day of an after school or evening activity may not participate in or attend that activity. Attendance for all classes the following day is also expected. For weekend activities, attendance in classes the previous Friday is required. Failure to comply with these attendance regulations will result in a student being declared ineligible and not allowed to participate.

Excused or Unexcused Absences

Parents are asked to call Hunter Tuiasosopo or email htuiasosopo@bethelsd.org in the Attendance Office in the morning if their student will not be attending school that day. Alternatively, parents can input the absence into the Synergy ParentVue app or website. Excused absences are defined as: *illness, family emergencies, bereavement, professional appointments, participation in authorized school related activities, and opportunities of extraordinary educational value outside of school.* Extraordinary circumstances causing a student to be absent may be subject to administrative review. ***Excessive absences will lead to parent contact, counseling and referral to administration. If a student is not demonstrating "on track attendance" (90%+), a doctor's note may be required for absences to be excused. Absences can also cause a student to fail a class and be referred to the truancy board.***

Please also be aware of the following district-approved excused reasons to be absent or tardy:

Excused	Unexcused
Sick/Injury/Health	Overslept
Family emergency	Parent running behind
Doctor appointment	Missed the bus
Religious observation	Car trouble/traffic
Suspension	Late night/activity
Bereavement	No parent phone call/ParentVue communication
Personal reasons*	Late ride or no ride
School authorized activities	Family vacation
Court/legal appointment	Student drop-off line was too long

*Excessive "personal" absences will be subject to review with a counselor or administrator.

Returning From an Absence

- A parent/guardian is required is required to put the absence reason into ParentVue following an absence
- Students check in with the Attendance Office with note and get an admit slip
- State-approved absences will be excused within the 72-hour window of the date of absence
- Doctor's notes may be required for excessive absences due to illness and for 3 days or more
- Unexcused absences are considered truancy
- Absences can also cause a student to fail a class and be referred to the BECCA Bill

BECCA Conferences

Unexcused absences are subject to a BECCA conference. The BECCA Bill supports the state mandate for students to attend school regularly. For 3 or more unexcused absences, parents may be called in for a conference, at which time attendance and grades will be reviewed to initiate an action plan for attendance and making up assignments.

Homework Requests

When a student has excused absences for two or more days, requests for assignments may be made by calling 253-800-5400. We encourage parents to check ParentVue or Canvas to gather student's homework before they make a request from the school. Homework will be provided for students who are suspended out of school.

Early Dismissals

To be dismissed early from school for an appointment you must bring a note to the attendance office before school, signed by your parent or guardian stating the time and reason and receive an early dismissal pass. Parents must pick up students in the office and sign them out at that time. Parents will be asked to show picture identification. If your student is to leave school with someone other than yourself, that person's name must be included on the note stating they may pick up your student, and a picture ID will be required. Any person not listed as okay to "Release to" in the Synergy student system will require our office to verify the person(s) requesting the pick-up of that student is okay. If the listed primary guardian cannot be reached, we will not release the student.

**Please make sure that it is specified on Synergy (ParentVue) who may pick up your student early from school, including emergency contacts.

Tardiness

Tardies are enforced based on site-based management. Each building enforces tardies at its own discretion. SMS tardy policy for excused and unexcused reasons follows the same above guidelines for absences. After 3 tardies to school ("morning tardies"), students will be subject to progressive discipline unless a note is on file. Excessive excused tardies interfere with academic readiness. Students who receive multiple excused tardies may be required to attend a meeting with parents and administration.

Students are allowed four minutes of passing time between classes. At SMS, "on time to class" means being in your seat when class begins, so watch the clock! Students not meeting this expectation will be considered tardy and progressive discipline will apply. Students also need to follow each teacher's expectation for the start of class, which will vary depending on the teacher and the lesson for the day.

Amount of Tardies	Consequences
1-2 tardies	Verbal Warning
3-4 tardies	Lunch Detention assigned
5 or more detentions	Parent/Admin/Student Conference Progressive Discipline

BETHEL SCHOOL DISTRICT DRESS CODE

DRESS CODE

Preserving a beneficial learning environment and assuring the safety and well-being of all students are primary concerns of the Board of Directors. Students' choices in matters of dress should be made in consultation with their parent(s)/guardian(s)/caregiver(s). It is the policy of the Bethel School Board that the student and their parent(s)/guardian(s)/caregiver(s) hold the primary responsibility in determining the student's personal attire, hairstyle, jewelry, and personal items. It is the responsibility of schools to ensure

that student attire, hairstyle, jewelry, and personal belongings do not pose a health or safety risk to any student and do not create a hostile or intimidating environment that disrupts learning for any student.

In relation to student dress, the district's values include the following:

- Students should be able to dress and style their hair for school in a manner that expresses their individuality without fear of unnecessary discipline or body shaming;
- Students have the right to be treated equitably. Dress code enforcement will not create disparities, reinforce or increase the marginalization of any group, nor will it be more strictly enforced against students because of racial identity, ethnicity, gender identity, gender expression, gender nonconformity, sexual orientation, cultural or religious identity, household income, body size/type, or body maturity;
- Students and staff are responsible for managing their personal distractions; and
- Students should not face unnecessary barriers to school attendance.

UNIVERSAL DRESS CODE

Students must wear:

- Top (shirt, blouse, sweater, sweatshirt, tank, etc.);
- Bottom (pants, shorts, skirt, dress, etc.); and
- Footwear.

This policy permits additional student attire requirements when necessary to ensure safety in certain academic settings (*e.g. physical activity, science, or CTE courses*). Additionally, this policy allows for reasonable variation in required student attire for participation in activities such as swimming or gymnastics.

Students may not wear clothing, jewelry, or personal items that:

- Displays obscene or sexual words, pictures, messages, innuendoes, etc.;
- Displays drug or alcohol-related words, pictures, messages, innuendoes., etc.;
- Displays threats, violent conduct, weapons, etc.;
- Demonstrates hate group association/affiliation and/or use hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, other protected groups, or gang association/affiliation, etc.;
- Shows private parts (*clothing must cover private parts in opaque - not able to be seen-through material*);
- Covers the student's face to the extent that the student is not identifiable (*except clothing/headgear worn for a religious or medical purpose*);
- Attire worn in observance of a student's religion is not subject to this policy.

SMS SAFETY-SPECIFIC DRESS CODE ADDITIONS:

- Students may not wear flags

- Students may not wear undergarments/swimwear visible as their only clothing

DISCIPLINE POLICIES

SMS Student Discipline Philosophy:

Spanaway Middle School’s philosophy on discipline is that we are dedicated to fostering a supportive and respectful school community where every student feels valued and heard. Our discipline philosophy is rooted in restorative practices, which emphasize repairing harm, building relationships, and fostering a sense of responsibility among students.. Students are responsible for their own behavior and actions at school and are held accountable for the rules and expectations as set forth in this handbook and the [Student Rights and Responsibilities](#) pamphlet. All rules are subject to change at administrator discretion due to the needs of the building. Attempts to notify parents will be made to explain changes. *School administrators will make the final decision regarding discipline for any areas not clearly defined in this handbook.* Violations of school rules and expectations, at school, at school-sponsored activities, or in areas under school jurisdiction will generally be dealt with as follows:

Discipline at Spanaway Middle School is first a restorative process, and if consequences are applicable, we find the best fit to mediate the behavior. This can include the following:

- Individual or all-class restorative mediation with teacher, other staff, or administrator
- Parent contact and/or meeting
- Restorative assignments and tasks
- Student/Teacher/Parent meeting with a behavior support plan
- Infractions may result in the assignment of Detention, Short-Term Suspension, or other consequences as determined by the school administration
- Some offenses may result in immediate Suspension, Emergency Expulsion, or Expulsion
- Cumulative/repeated violations will result in progressive, increased consequences

Student Conduct and School Authority (Board Policy 3240) Behaviors and actions listed in the chart below are subject to the school authority and disciplinary action:

1. At all times on any school property
2. On district-owned and operated or chartered vehicles
3. During any school-sponsored activity held on or off Bethel School District property
4. Away from school grounds if negative behaviors directly affect the good order, efficiency, management, and/or welfare of the school’s staff or students

The following activities are subject to school authority and disciplinary action:		
Arson*	False Alarms*	Non-Attendance/Unexcused Absences/Tardiness
Assault*	Fighting* / Encouraging/ Promoting Others to Fight* (videoing of fights)	Refusal to Identify Self*

Students at all school-sponsored events are governed by school district rules and regulations and are subject to the authority of school district employees whether the event occurs on or off school grounds.

Students who have been suspended from school are not to be in attendance at after-school or evening events or on any District property during their suspension. This rule applies to dances, field trips, athletic events, and ANY activity related to or sponsored by the Bethel School District.

Pierce County Sheriff's Department officers regularly support students at SMS . Inter-Agency Cooperation

This serves as a reminder that the law in Washington State is clear: "upon receiving reports of abuse or neglect, the department or law enforcement agency may interview children." RCW 26.44.030 (10). That interview may be conducted on school premises and other locations "outside of the presence of the parents." RCW 26.44.030 (10). Although parents must be notified at the earliest possible point in the course of an investigation, that notification "must not jeopardize the safety or protection of the child in the investigation." RCW 26.44.030 (1). The "law enforcement agency" means "the police department, prosecuting attorney, state patrol, director of public safety, or office of the sheriff." RCW 26.44.020 (2). There have been questions by the schools regarding who is responsible to contact parents/guardians that an interview has taken place on school grounds. In every case, parents will be notified by the "law enforcement agency" as soon as possible. Parents MUST NOT be notified by schools.

Conspiracy Clause

Students who conspire with others to break school rules may be assigned the same consequences as the offender. This includes, but is not limited to instigating a fight, cheating, harassment, bullying, etc.

Restraint/Isolation Policy 3246

Use of restraint, isolation, and other forms of reasonable force may be used on any student when reasonably necessary...that poses an "imminent likelihood of serious harm" as defined by RCW 71.05.011. Only trained staff may use restraint or isolation as a means to support students.

Level 1: Minor Misconduct

"Minor" behavioral concerns will be identified and addressed by teachers and staff and documented by completing a "Minor Synergy Referral." The behavior will be addressed verbally and students will be redirected with lower level interventions and consequences such as verbal reminders, classroom interventions, Think Time, and lunch detentions. Repeated Level 1 behaviors will result in progressive discipline.

Level 1 Minor Misconduct	Definition
Cell Phone Usage	Prohibited during the school day between 6:45 a.m. - 1:45 p.m. Cell phones may not be in use or visible during school hours. Those who violate this expectation will be subject to a phone violation process. No social media, photos, audio recording, or video recording is to be used at school. NOTE: Accessing or using during testing situations are more serious and will result in greater consequences.
Cheating, Forgery or Plagiarism	Students are expected to do their own work and take credit for their own work, while not taking credit for that of others. Teachers will determine what work can be made up in such circumstances. Use of AI technology, without teacher permission, is cheating.
Dress Code Violations	Students are expected to arrive in compliance with the dress code policy. Clothing will be worn as intended. Compliance with staff direction is expected. Students referred for dress code violations will be asked to comply and given the option of calling home for a change of clothes, or changing into clothing provided by the school. Administration has the final say, in accordance with School Board Policy 3224
Endangering the Emotional or Physical Safety of Others	Students are expected to refrain from verbal threats, verbal hazing, or verbal abuse. Also, horseplay, shoving, kicking, slapping, pinching, groping, or throwing objects, etc. is prohibited.
Hallway Violations	Students must have a completed and signed hall pass if in the halls during class time. Inappropriate hallway behavior is not allowed

Public Displays of Affection (PDA)	Students must refrain from affectionate displays, including but not limited to hugging and kissing.
Tardies to Class	Students are expected to be in class on time, ready to learn
Truancy, Skipping Class or	Student does not attend all classes for the duration of each period, without

Detention or other Assigned Consequence, Closed Campus Violation	permission to be in another location (Ex: student spending extended period of time in the restroom instead of returning to class when finished).
--	--

Discipline for Level 1 Misconduct

*Please note: progressive steps may be skipped based on severity and/or repeated nature of offense.

- 1st Offense: Redirect w/ Positive Supposition, Reteach Expectations
- 2nd Offense: Reflect & Restore Conversation w/ Parent Contact
- 3rd Offense: Mediated Conference w/ Parent Contact
- 4+Offenses: Actions may include - Intervention, Restorative Assignments, Detention, and/or Suspension

Level 2: Major Misconduct

“Major” behavioral concerns will be identified and addressed by teachers and staff and documented by completing a “Major Misconduct Referral”. In cases such as, but not restricted to, possession or use of *alcohol, drugs, weapons, explosive devices, computer tampering, false alarms, burglary, assault, arson, harassment, bomb threats, organized criminal behavior such as cheating or theft ring, possession or sale of drugs or alcohol, major vandalism, gang-related activities, threats of destruction, extortion, threats to or intimidation of staff, stealing, and other violations*, behaviors may be labeled as exceptional misconduct and students will move through progressive discipline steps more quickly and severely, as determined by SMS administration, and in some cases may move directly to long term suspension/expulsion, depending on the severity of the behavior. Most exceptional misconduct incidents will result in SRO (School Resource Officer) involvement.

School administration and campus safety will review referrals and assign appropriate consequences.

Level 2 Major Misconduct	Definition
Assault	Student uses physical force (hitting or striking someone with the intent to hurt them); usually 1-sided physical aggression.

Fighting	Student is involved in mutual participation in an incident involving physical violence. This also includes encouraging or instigating others to fight.
Harassment - Intimidation - Bullying	Student delivers disrespectful messages* (verbal or gestural) to another person that includes threats and intimidation, obscene gestures, pictures, or written notes. *Disrespectful messages include negative comments based on race, religion, gender, age, and/or national origin; sustained or intense verbal attacks based on ethnic origin, disabilities, or other personal matters.

	Harassment means words or actions that hurt or humiliate others. Harassment creates an environment that makes learning difficult and is not permitted at school. Harassment and discrimination based on race (Policy #5021 and #5013), religion, age, gender (Policy #3206), marital status, national origin or disability are legally prohibited. Harassment or bullying of ANY individual or group is not permitted. Bullying is intentionally using words or actions to intimidate, hurt, or humiliate others.

What can you do?

1. **Self advocate.** Stand up for yourself. It's the first step in stopping harassment. If someone is treating you in a way you don't like, **TELL THEM!**
2. **Get Help.** If you have told the person(s) who are bothering you to leave you alone and they won't stop, tell an adult, or come to the office and get our help! Ignoring the people who harass you won't make them stop. Complete and turn in a student concern form **as soon as possible** with details about what happened so adults in the office may respond.
3. **Be aware that YOUR OWN ACTIONS can hurt people's feelings.** You may be bothering someone and you don't even know it!
4. **Take a stand** against harassment and bullying, even when it's not aimed at you. If you see it, speak up! Help keep SMS a safe place where learning can occur.

Bethel School District Gender-Inclusive Policy

The board believes in fostering an educational environment that is safe and free of discrimination for all students, regardless of gender expression, gender identity, or sex. To that end, the board recognizes the importance of an inclusive approach toward transgender and gender-expansive students with regard to key terms, communication, and the use of names and pronouns, student records, confidential health and education information, communication, restroom and locker room use and accessibility, sports and physical education, dress codes and other school activities, in order to provide these students with an equal opportunity for learning and achievement. This policy and its procedure will support that effort by facilitating district compliance with local, state and federal laws concerning harassment, intimidation, bullying and discrimination.

This policy is a component of the district's responsibility to create and maintain a safe, civil, respectful, and inclusive learning community and will be implemented in conjunction with comprehensive training of staff and volunteers. Specific training requirements are included in the accompanying procedure. The superintendent will appoint a primary contact to receive copies of all formal and informal complaints and ensure policy implementation. The name and contact information for the compliance officer will be communicated throughout the district. The district compliance officer will participate in at least one mandatory training opportunity offered by OSPI. (Bethel School District Policy #3211)

If your iPad is not fully charged at the beginning of the school day, it is not kept safely in the case, or it is used for non-educational purposes, you may receive progressive discipline consequences, including removal of the device. All students who are not involved in a supervised after-school activity must be out of the building and off campus no later than 2:00 PM. Once students leave campus for the day, they are not allowed to return until the next morning. Students that remain on campus without adult supervision may be assigned progressive consequences. Students are allowed to return 15 minutes before the start of the event and must sign in. Upon signing in, students must stay in the venue. Re-admittance is not permitted. BICYCLES, SKATEBOARD, WHEELS

Students may walk or ride a bike to school. However, students must secure their bikes with a personally owned lock each day on the bicycle rack. The district assumes no liability for loss or damage, which may occur to a bicycle that is brought to campus.

Skateboards, rollerblades, and "wheelie" shoes are allowed on campus property, but may not be used on campus property. Students who use these to get to school will need to store the items in the Campus Safety office during the school day.

Parking Lots, Driveways, Bike Racks

Although the district provides bicycle racks, driveways, and parking lots for use by students, employees, and the public, the district assumes no liability for loss or damage occurring in connection with their use. All persons who use such facilities do so at their own risk.

HEALTH ROOM

The SMS health room is an emergency facility and should be kept free for that use. It is used for incidental and emergency treatment, NOT long term care. The health clerk is on duty during the school day and a nurse (RN or LPN) is here every day of the week. It is vitally important that we have updated emergency numbers on file so we may reach parents in an emergency. This includes all numbers possible, such as home, work, cellular, next of kin, etc. Please make sure that the person picking up your child is listed in Synergy ParentVue with the "Release to" box checked. For the safety of your child, picture identification is required.

Please consider the following guidelines related to accessing the health room or feeling sick at school:

"I Feel Sick": If you feel ill, sign out using SMARTPASS or GET A PASS from your teacher to go to the health room immediately. All students have to sign into the healthroom. After you sign in, the health clerk will take your temperature, and phone your parents if you need to go home. Make sure you are calling home from the health room, so that the health clerk is aware of your illness and able to monitor in case of worsening symptoms. Please stay home if you feel ill before school.

Emergencies and First Aid: Care will be given up to the limits of state law. A school employee will call 911 for injuries or illnesses which are judged to require more than basic first aid. It is very important that you have current emergency contacts and phone numbers on file in the health room.

Picking Up Ill or Injured Students: If your student becomes ill or injured at school and needs to go home, he or she can only leave with someone listed in Synergy ParentVue. Please be sure that anyone who you may want to pick up your student is listed in Synergy with "Release to" privileges checked.

Health Screening: Each year, specialists for vision and hearing, screen seventh grade students. If you or your parents have questions, please talk to the health clerk or nurse.

Immunizations: Every student must have proof of immunization on file at the school before the first day of attendance. All students must be immunized according to WAC 246-105. You can be excluded from school if your immunizations are not complete. For details, please see the health clerk. (BSD policy #3413)

Medications: In order to administer medication at school, whether prescription or over-the-counter medication, state law requires written instructions from the doctor and parent. Medications must come in the original container with the student's name clearly printed on it. The permission and instructions are good for one school year. Medications are stored in a locked cupboard at the school. A physician must specifically order medications that need to be carried by the student, such as an inhaler or Epi-Pen. (i.e. a doctor may write, "student is to carry an inhaler at all times."). If you are unable to obtain a note signed by the doctor, a parent must come to the health room and personally administer the medication to the student. This requirement applies to all forms of medications, even over-the-counter preparations.

Infectious Disease: Infectious diseases are common among school-age children. "Infectious Diseases" are defined in WAC 246-110. It is the policy of the Bethel School District to exclude students who are suspected of or have been diagnosed by a physician as having an infectious disease. (BSD policy #3414).

Insurance: An insurance program, whereby a private company offers an accident insurance policy covering the student during school hours, is available to all students. An information sheet is sent home at the beginning of the year. They are also available in the attendance office. We encourage all students who participate in athletics or other extracurricular activities to take advantage of this option.

Community Health Services

Beginning this year, Spanaway Middle School houses a medical, dental, and behavioral health clinic for students throughout Bethel School District. The clinic will be run entirely by Community Health Care and involves no taxpayer funds, thanks to a grant from Kaiser Permanente. Community Health Care provides services for those that have insurance or not, with a sliding scale of payment options. District employees may also use this clinic if they wish. Parents must sign a permission form for students to access this resource during school. Students can be referred to the clinic by our health office or can self-refer.

COUNSELING

The Spanaway Middle School counseling center staff would like to welcome you! We believe that our counseling department is an equal and complementary component of the total school program! Students must develop sound emotional and interpersonal skills in order to reach their potential. It is our goal to play an instrumental role in providing experiences that will help all students to explore their unique talents and to build skills for success now and in the future.

Students can see the SMS counselors by scanning the QR code and completing the request form. A counselor will send you an appointment time and pass as soon as they get to the request. For emergencies please get permission and a pass from a staff member prior to coming to the office. If the counselor is unavailable, an appointment will be made for a later time. It is preferred that students see the counselors before or after school or during lunch to reduce missed class time. The counselors can help with personal or school problems and/or academic issues.

The following counseling services are available:

- Academic/Career Readiness advising
- Brief individual/group counseling
- Referrals to community resources
- Conflict resolution/mediation
- Parent/teacher meetings
