

HEALTH INFORMATION FORM IS NOW ONLINE

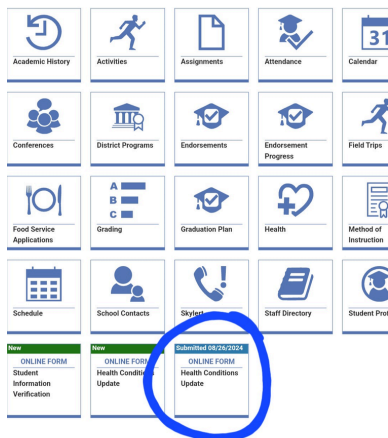

- **Sign in** to your Skyward account. [Link to Skyward Family Access](#). On the home page click **“Online Form”**.
- Both **“Health Conditions Update”** and **“Student Information Verification”** forms need to be completed to make sure all your information is up to date. This replaces the paper form used in the past.
- Click **“Start”** at the top. If your child has no health conditions, check the box and then click **“Complete & Review”** then click **“Submit Form”**. To enter a Health Condition, see below.

- If your child has a Health Condition, choose the condition from the drop down menu and enter any notes.
- To add more than one Health Condition, click the green **+** to add additional.

- Once the forms are completed, it should look like this.

If your child has a health condition that requires emergency medication or a health plan, please contact the building health assistant or District Nurse Jean Schwartz.
