Corporate Partnerships allow more students access to Christian education through tuition assistance.

Dear Future Corporate Partner;

Thank you for considering a partnership with Maranatha Christian Academy. Through the intentional integration of Scripture and personal discipleship, MCA's vision is to develop graduates who consistently demonstrate godly wisdom, Christian character, and humble service. Since 1974, we have been committed to helping our students uncover the gifts and talents that the Lord has placed within them so that they may operate as servant leaders in the call He has placed before them. Wherever their call takes them—the military, college, the trades, or other careers— Maranatha has a curriculum that supports creativity, critical thinking, and an ability to deeply collaborate with those around them.

By partnering with MCA, you are helping to ensure that Christian education is accessible to any Christian family. As a Christian school the institution of family is central to our success. We believe that parents are the primary educators of their children and that our role is to come alongside them and their church to "Train up a child in the way he should go..." (Prov. 22:6a, ESV).

At Maranatha parents are warmly invited to participate in the educational process. As a corporate partner, we consider you to be a part of our extended family. It is our heart to form a covenant bond with like-minded businesses and business owners that agree with the basic tenets of our *Statement of Faith* (See enclosed). We have developed our partnership benefits with the thought of blessing your business. Should you have need or requests above our listed ideas, please ask! We are here to serve you as we work together in unity to further a biblical worldview. We deeply appreciate your consideration. Should you have any questions, please do not hesitate to reach out to our marketing office at (913) 631-0637 or email at [partnerships@ma-kc.org](mailto:partnerships@ma-kc.org) For immediate partnership, simply head to our website at: [MCA-eagles.org](http://MCA-eagles.org) . Once there you will find a tab at the top labeled *Covenant Partnerships*. After selecting "Corporate Partner," the website will walk you through the next steps. We look forward to strengthening our relationship.

Respectfully,

Dr. Kimberlee Gill  
Superintendent Maranatha Christian Academy
