Education Foundation

The MVCTC Education Foundation needs your support! Each year we provide support to students both at the adult and secondary levels. This support includes assistance with school fees, emergency/medical help, and uniform purchases. Scholarships are also awarded to students. We are asking everyone to consider participating in a payroll deduction donation or to write a check directly to the MVCTC Education Foundation. The minimum amount for payroll deduction to be on the Donor Wall is \$10.00 per paycheck for twenty pays and a five-year commitment. If everyone on our staff did this, we would raise approximately \$54,000! Remember, there is no overhead or administrative cost to our Education Foundation. All Education Foundation Board members are volunteers. Most importantly, all of the money is used to help MVCTC students.

Please complete and return this form to Rhonda Phillips by **September 16 by noon**. Payroll deduction starts with the **September 25** paycheck.
