STMA COMMUNITY SERVICE

STMA High School Community Service Mission Statement:

To encourage and enhance student involvement in the community and develop a desire to help others while growing as an individual and a productive member of society.

Community Service Defined:

Work done for others that is not for pay and not for a class grade. The goal of community service is to improve the community in which you live or another community that might need help.

STMA Graduation Requirement:

To earn a diploma from St. Michael-Albertville High School, a student must complete a total of 4 community service hours each year enrolled in our school district. This totals 16 service hours for a standard freshman-to-senior high school career. Students who do not complete this requirement by the end of their senior year will not receive a diploma. Note the following guidelines:

- Total of four (4) hours per year earned for each year in attendance at STMA.
- Four (4) hours may be earned in one or more activities.
- Hours may be earned on the same day.
- A new form must be filled out for each activity.
- Students cannot earn more hours to “work ahead,” but can catch up for lost hours if fallen behind.
- Hours may be earned over the summer.
- All completed forms are turned in to the High School Office, will be entered in Synergy, and kept on file.
- Additional hours will not be tracked, unless submitting for a previous year. (Max. of 16 hours tracked)
- Students are responsible for completion, submission, and checking (Synergy) hours.
