From the Principal

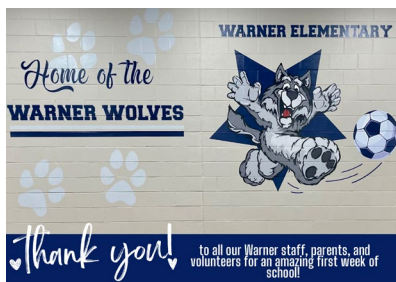

Welcome Back, Warner Wolves! We have had such a wonderful start to our school year, and it is because of your continued support. This year our theme is "Bring your a Game".

Remember Fridays are spirit days at Warner. We encourage students to join us in wearing a Warner spirit shirt every Friday. It would be amazing to see our entire school filled with Warner pride. If you have not purchased a shirt yet, please go to warnerpto.org.

We will be a PBIS campus again this year. The PBIS philosophy is to create and maintain an effective learning environment. PBIS also establishes behavioral support and a social culture needed for ALL students in a school to achieve social, emotional, and academic success. Our PBIS motto is **PRIDE; Purpose, Respect, Integrity, Dependable, Effort**. We want to assure you that we have the highest of expectations for our students academically, socially, and behaviorally. In addition, we would like our parents to make sure they are staying connected by reading newsletters, monitoring "take-home" folders, and communicating with your child's teachers as needed. As always, we thank you for your partnership and look forward to an amazing year!

Thank you!!

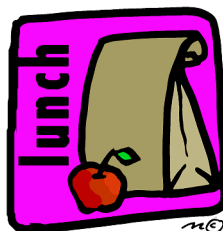

A big **Thank you** to all the parent volunteers who have helped this week walking our Warner wolves to class. We appreciate your help and the hours you have stayed at Warner helping staff to start the new year! **We love our Volunteers and our amazing PTO Board!**

Lunch Visitors

Lunch Visitors begins Tuesday, September 3, 2024. Two (2) visitors per student one time per week will be allowed in for lunch. Reminder: only parents/guardians may visit for lunch at this time (no younger siblings).

Parents/Guardians may bring food and beverages for their child, but they **may not** bring food/drinks for other children. Many parents/guardians treat their children to special lunches from outside restaurants occasionally. While we encourage you to reward your children with these special celebrations, we ask that if you are bringing your child lunch that you arrive on time. To protect instructional time, any student waiting on a parent/guardian ten minutes after lunch has begun will be sent through the cafeteria line.

If you wish to purchase extra items such as ice cream or cookies your child must have money on their lunch account. If you need to speak to the cafeteria you can reach the **Warner Elementary Cafeteria Manager, Damarys Medal at 281-213-1663.**

Visitors and Raptor 6

All visitors to the school will be checked into the building in two ways:

1. All visitors will be required to use the Raptor 6 (this requires a valid driver's license/photo identification).
2. All visitors' identification will be matched with our school information (as provided by the parent on the emergency contact card).

If individuals other than the parent/guardian are coming for lunch or to attend an event, we must receive a written note from the parent/guardian. If we do not receive a written note, the visitor will not be permitted to enter the building. If you know an individual is coming to have lunch at school or attend an event, it is important that:

1. The parent accompanies the visitor.
2. The parent provide written notification to the front office prior to the visit.

Student Safety

The safety and welfare of our students and staff are our highest priorities. To provide schools an opportunity to practice emergency response procedures, all students and staff will regularly participate in emergency preparedness drills. The goals of the training drill are to improve our ability to protect students and staff, evaluate our

emergency operations plan and improve our response skills. Tomorrow, we will be conducting emergency drills. If you arrive on campus during these drills, you will not be allowed entry, and phones will not be answered until after the drill has concluded.

Emergency procedures have been established for the following potential incidents:

EVACUATE (Fire, Explosion, Smell of Smoke, Fire Alarm)

LOCKDOWN (Intruder inside Building, Weapon, Active Shooter, Hostile Individual)

SECURE (Police Activity Outside or Near the Building – Secure the Perimeter)

HOLD (Safeguard students and staff inside the building)

SHELTER (Severe Weather, Tornado, High Winds, Hurricane)

Wednesday, August 28th, our students will be participating in the following drills:

EVACUATE LOCKDOWN

Our staff used the first few days of school to review the proper procedures for each of the crisis drills listed above. We want to provide our students with an understanding of emergency preparedness in the event of a crisis. If you have any questions or need further information, please do not hesitate to call our school office at (281) 213-1650.
