Our School

DePaul Cristo Rey High School offers Greater Cincinnati students with economic need the opportunity to have a college preparatory education in a faith-based setting, while participating in an innovative Corporate Work Study Program. DPCR belongs to the national Cristo Rey Network, which is composed of 40 Catholic, college preparatory high schools across America. Through rigorous academics, coupled with real world work experience, Cristo Rey students graduate high school prepared for success in college and in life. DePaul Cristo Rey is sponsored by the Sisters of Charity of Cincinnati, chartered by the state of Ohio Department of Education, and accredited by the Ohio Catholic Schools Accrediting Association.

Our Mission

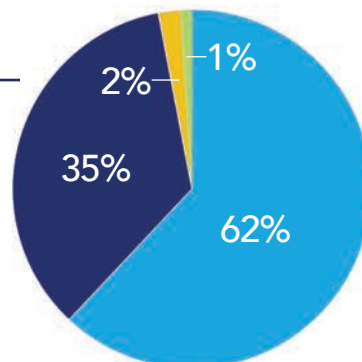

DePaul Cristo Rey High School, sponsored by the Sisters of Charity of Cincinnati, meets students where they are and guides them through becoming high school and college graduates who flourish. We partner with families, businesses and the community to provide a uniquely affordable Catholic, college prep curriculum and innovative work study program, which combine to form young women and men of integrity, faith, tenacity and purpose.

Our Corporate Work Study Program

DePaul Cristo Rey students participate in the Corporate Work Study Program, working five days a month to earn part of their education costs. Students work in health care, education, finance, law, construction, technology, and other settings. Students are evaluated quarterly by their on-site work supervisors receiving both a grade and academic credit for their CWSP participation. Our Corporate Work Study Program is a win-win. It creates a pipeline of diverse, young talent for our community's future workforce while making a private, college-prep education available to families who could otherwise not afford it. Our students work at 90 companies and organizations all over Greater Cincinnati.
