The district shall notify the Association in a timely manner of any court, PERB or other administrative action or proceeding that is filed against the District arising out of this Article.

4.2.2 The Association shall have the sole right to decide and determine whether any action or proceeding covered by this provision shall be compromised, resisted, defended, tried, or appealed.

4.3 CHANGE IN LAW

The parties agree that if there is a change in law which prohibits, alters or invalidates any of the provisions of this article, the remaining provisions in the article will remain unchanged; however, the parties will renegotiate the impacted provisions of this article during the next regular negotiation cycle.

ARTICLE V (5) PAY AND ALLOWANCES

5.1 SALARY/REGULAR RATE OF PAY: The regular rate of pay for each position in the bargaining unit shall be in accordance with the rates established for each class listed in the classified salary schedule.

The Classified Salary Schedule for the specified school year is attached in the Appendices of this document. The parties recognize that funding and expenditures are guided by the District's Local Control Accountability Plan and that the guiding principle of all expenditures should be improving or increasing services to students with the understanding that the District desires to employ and retain highly qualified and competent classified staff.

5.2 FREQUENCY: Unit members who work twelve (12) months per year shall be paid twelve (12) times per year. Unit members that work eleven (11) months per year shall be paid eleven (11) times per year. Unit members that work ten (10) times per year shall be paid ten (10) times per year.

5.3 MILEAGE: Unit members specifically authorized by the District to use their personal vehicle in fulfilling a specific work assignment shall be reimbursed at the rate approved by the Internal Revenue Service effective January of each year. It is understood and agreed that unit member travel between home and work sites is exempt from this provision. It is further understood and agreed that this reimbursement shall be payment in full for all vehicle operation, maintenance, repair, and insurance costs resulting from such use.

5.4 MAINTENANCE/PAYMENT OF CREDENTIALS: It shall be the responsibility of unit members to maintain and keep current the credentials permitting the employee to hold the classified position in which they were hired. The District agrees to provide the full cost of any medical examination required as a condition of continued employment.

5.4.1 Upon completion of training and receipt of certification, employees who are required by the District to maintain bus driver's licenses and/or mechanic's certification as a condition of continued employment shall be reimbursed the actual out-of-pocket costs of the license and/or certification.

5.4.2 The District will also compensate full-time and regular part-time bus drivers for any classes which the District may require the unit member to take outside regular work hours. Such compensation shall be in accordance with the provisions of Article VIII, Hours of Employment and Overtime.

5.4.3 The District will pay for the cost of First Aid/CPR classes for employees whose job duties require ongoing First Aid/CPR certification as a condition of continued employment. If an employee is required to take the First Aid/CPR class during non-work hours, the District will compensate the employee at the employee's regular rate of pay for the required number of class hours.

5.5 LONGEVITY: The District shall provide additional compensation in recognition for long term service to full-time and regular part-time unit members. The additional annual compensation shall be \$500.00 for full-time unit members.

5.5.1 Full-time service shall be defined as eight (8) hours per day for ten (10), eleven (11), or twelve (12) months per year. Part-time service shall be defined as less than eight (8) hours per day for ten (10), eleven (11), or twelve (12) months per year.

- 5.5.2 Regular part-time unit members will receive longevity on a pro-rated basis according to the percentage of hours worked in relation to that worked by regular full-time members of the bargaining unit. The amount of compensation shall be based on the number of hours served at the time the compensation is given.
- 5.5.3 To be eligible for the compensation the unit member must have at least seven (7) years continuous employment with the District in a bargaining unit position with satisfactory evaluations (see Article 15.8). After year seven, a unit member who receives an unsatisfactory evaluation in a succeeding year shall be ineligible for the additional compensation for the next year unless they have received satisfactory evaluations for four previous years (80% of the evaluations for five years). Any unit member receiving two consecutive unsatisfactory annual evaluations shall not receive the stipend.
- 5.5.4 Longevity compensation shall be paid on a monthly basis beginning with the unit member's eighth (8th), twelfth (12th), sixteenth (16th), twentieth (20th), and 25th year in the District so that longevity is paid as follows:

Year 8	\$500
Year 12	\$1,000
Year 16	\$1,500
Year 20	\$2,000
Year 25	\$2,500

5.6 PROMOTION: Any unit member in the bargaining unit receiving a promotion under the provision of this Agreement shall be moved to the appropriate range and step of the new class to insure not less than a five percent (5%) increase as a result of that promotion, except that the unit member may be placed on the last step of the appropriate range if that is the maximum allowable for that class. Any promotion effective July 1, the employee will be moved one step on their existing range, unless they are on the final step, then placed on their new range as a promotion.

5.7 PAYROLL ERRORS: Any payroll error resulting in an incorrect payment shall be corrected as soon as practical after discovery thereof, and normally will be remedied by a supplemental warrant within five (5) working days. If the error resulted in overpayment, the amount in question shall be deducted from subsequent warrants via a mutually agreed upon written repayment agreement created in a reasonable manner so as to minimize hardship to the employee.

5.8 TAX/RETIREMENT LIABILITY: Neither the District nor the Association make any representation or warranty with respect to the tax or retirement consequences of any payments made under this Agreement, including but not limited to, whether specific forms of compensation are creditable for retirements purposes. Unit members shall be responsible for their own tax and retirement planning.

5.9 BILINGUAL TRANSLATION SERVICES/PAY

A. **Site Translators**

At each of the District's three comprehensive school sites, up to two (2) secretary/clerical persons shall be assigned by the District as designated bilingual Spanish translators. One (1) secretary/clerical person may be assigned at Leffingwell High School, and one (1) clerk may be assigned at the District Office. These persons shall be the primary Spanish language translators for that site with the understanding that Spanish is to be used exclusively in the context of supporting student learning. The

persons designated as bilingual translators shall receive bilingual premium pay equal to \$1/hour in addition to that person's regular pay rate. Bilingual premium pay shall be paid monthly. In exchange for additional pay, the designated translator shall provide routine oral translation services and written translation of casual communications at the request of and under the Principal's direction. The designated translator shall, prior to their appointment, pass an oral Spanish language proficiency examination developed by the District.

B. District Translator/Interpreter

Written translation of complicated or significant legal documents, such as IEP's, shall be done primarily by the District's translator/interpreter. Notwithstanding any provision to the contrary contained in Article VIII, Hours and Overtime, if the translator/interpreter is unable or unavailable to timely complete any required work, then the District may complete that work through the use of another qualified District employee or an outside third party contractor. The terms "unable" and "unavailable" are defined to include times when the translator/interpreter is too busy or absent and therefore cannot timely complete the work. In order for a determination to be made the translator/interpreter must be given the opportunity to respond and, if necessary, consult with the immediate supervisor, if available, regarding work flow and work priorities.

5.10 SAFETY EQUIPMENT ALLOWANCE: The District shall reimburse all bargaining unit members in the Custodian, Food Service, Grounds, and Maintenance areas up to \$300 per school year for purchasing job related personal protection safety equipment.

ARTICLE VI (6) SALARY CLASSIFICATION

6.1 PLACEMENT IN CLASS AND DEFINITION: Every bargaining unit position shall be placed in a class and each class assigned a salary range. The assignment of the salary range to a class shall be known as "Salary Classification."

6.2 YEAR OF SERVICE: For purposes of advancement across the salary schedule, a year of service shall be defined as that period of time during which a unit member who, in his or her particular assignment, works seventy-five percent of the total work days allocated to that assignment. Unit members, who, by June 30, have not worked 75% of the work days during the current fiscal year, may not be advanced across the salary schedule at any time during the ensuing fiscal year (July 1 - June 30). Only full-time and regular part-time unit members are eligible for advancements across the salary schedule.

6.3 PROPOSAL FOR RECLASSIFICATION: Either party may propose a reclassification. No more than two classifications may be subject to a reclassification in any one fiscal year. For the purpose of this Article, "reclassification" is the upgrading of a position to a higher classification as a result of the gradual increase of the duties being performed by the incumbent in such position (Education Code §45101(f)).

ARTICLE VII (7) HEALTH AND WELFARE

7.1 BENEFIT CONTRIBUTION: For a single party, the District's total annual contribution for all health and welfare benefits will be ~~\$7,980~~ \$8,328 for full-time employees; for two party users, the District's total annual contribution for all health and welfare benefits will be ~~\$10,582~~ \$11,082 for full-time employees; for families, the District's total annual contribution for all health and welfare benefits will be ~~\$14,544~~ \$15,544 for full-time employees. These benefit contribution rates shall apply to eligible full-time regular employees and their eligible dependents to facilitate participation in the District's medical, dental, and vision benefit programs ("Benefits"). **These above stated benefit contribution figures reflect previously negotiated amounts (in 2021).**

7.2 PART TIME EMPLOYEES: Part-time employees who have a regular assignment of more than five (5) hours per day will receive the District's Benefit contribution on a pro-rata basis according to the percentage of hours worked in relation to hours worked by regular full-time eight (8) hour employees. Employees who work five (5) hours per day or less shall not receive any District contribution toward Benefits.

7.3 EMPLOYEE COST: All Benefit premium costs in excess of the District's monthly contribution shall be paid by the unit member via payroll deduction on a monthly basis.

7.4 ENROLLMENT: Unit members that are required to do so by the District's JPA/Providers shall, along with their eligible dependents, enroll for Benefit coverage within thirty (30) calendar days of the unit member's employment, change in hours, or change in circumstances, through the process required by the District's JPA/Benefit Providers.

7.5 WAIVER: With advance approval of the District, a part-time unit member may waive participation in the District's Benefit program to the extent permitted by the District's JPA/Providers. If the waiver request is completed by the employee and granted by the District, then the dollar amount that would have been provided will revert to the District.

7.6 SELF-PAY PARTICIPATION

7.6.1 **Post Retirement:** Unit members who have retired from the District and entered the Public Employee's Retirement System ("CalPERS") may participate in the District's benefit program, along with their eligible dependents, at the unit member's sole cost so long as permitted by the District's JPA/Providers.

7.6.2 **Non-Eligible Coverage:** Unit members who are not eligible for a District contribution toward Benefit premiums may participate in the District's benefit program at the unit member's sole cost.

7.6.3 **Self-Participation Requirements:** Employees or retirees who elect to participate in the District's Benefit program at their sole cost, may do so by completing all required forms and paying all required premiums each month in advance. If employees, retirees or their eligible dependents do not pay the District all required premiums each month in advance and meet all other requirements imposed by the District's JPA/Benefit providers, then the district may terminate the employee/retiree's participation in the Benefit program. All Benefit costs of any

nature incurred by any employee, retiree or their eligible dependents after notice of termination shall be that individual's responsibility.

ARTICLE VIII (8) HOURS OF EMPLOYMENT AND OVERTIME

8.1 WORKDAY AND WORK WEEK: The maximum number of hours of regular full-time employment of a unit member is eight (8) hours a day and forty (40) hours a week consisting of five (5) consecutive days. The normal work week starts on Monday at 12:01 a.m. and ends Sunday at 12:00 midnight.

8.1.1 Assignment of a different work week may be made by the District, and the District may employ persons for lesser periods of time (less than eight (8) hours per day or five (5) days per week) and may, through authorized administrators, order and authorize unit members to work in excess of eight (8) hours in one (1) day or forty (40) hours in one week. Other exceptions may be approved by mutual agreement between unit member and the District.

8.1.2 Any day granted as a teacher training day, modified day, minimum day, or teacher-parent conference day is a regular work day for all unit members.

8.1.3 **Changes to Work Schedule:** Changes to a bargaining unit member's work schedule can be made by mutual agreement between the immediate supervisor and bargaining unit member. Should the unit member not agree with the proposed work schedule change, the District and Association shall meet to discuss and attempt resolution considering the verifiable operational need of the District for the change versus the needs of the unit member. Should no resolution be achieved at this stage, the parties shall commence the collective bargaining process pursuant to the requirements of the California Government Code.

8.2 WORK YEAR: Regular twelve (12) month assignments: July 1 - June 30. Notification of the scheduling of the work year for unit members whose work year is less than twelve (12) months shall be provided to the unit member by his or her supervisor no later than May 15 of each year.

8.2.1 **Exceptions to Regular Work Year:** Instructional and Project Aides, Bus Drivers and Food Service Workers shall work the days of student attendance. Days worked before or after the regular student year will be compensated at the unit member's regular hourly rate. Leap year: 12 month employees will receive one additional day off in exchange for the February 29th extra day of work. Other exceptions may be approved by mutual agreement between the unit member and the District.

8.2.2 **Summer Employment:** Less-than-12-month regular employees not regularly scheduled to work during the months of June, July and/or August may submit, in writing, to the District a desire to work during the summer. Regular employees may be called to substitute for an employee on leave during the summer and will be paid as a substitute. The compensation for summer work which is the extension of the employee's regular work year shall be the same as during the regular work

year, which includes, but is not limited to: salary, vacation accrual, sick leave usage and accrual.

8.2.3 **Additional Work:** To the extent known, the District will communicate the availability of extra work prior to summer or other breaks. Should the District need work performed during summer and other breaks, that is routinely and customarily performed by the bargaining unit, that work shall be first offered to qualified unit members at the unit member's regular rate of pay. Employees must indicate their interest in performing extra work by written notice to the human resources department prior to the summer or other break. If no qualified unit member has expressed an interest in the work, or no qualified bargaining unit member is able or willing to perform the work, then the District may contract the work to a third party. If two or more unit members are qualified and willing to perform the work and have timely expressed an interest in doing the work, the unit member with the greatest District wide seniority shall be given the opportunity to perform the work.

8.3 OVERTIME: Overtime is ordered and authorized working time that is:

- in excess of 8 hours in one day, or
- in excess of 40 hours in one week, or
- on the 6th consecutive work day if the regular average work day is 4 hours or more, or
- on the 7th consecutive work day for all employees.

8.3.1 **Compensation for Overtime:** The rate for overtime shall be one and one-half times the unit member's regular hourly rate.

8.3.2 **Authorization of Overtime:** Overtime must be authorized by the Superintendent or designated supervisory management. The authorization must be given in advance of the time worked whenever practicable.

8.3.3 **Assigning of Overtime:** Overtime opportunities shall be offered as equally as is practical among available qualified unit members in each department work site.

8.3.4 **Overtime-Right of Refusal:** A unit member may refuse overtime work, except that when the needs of the District warrant, the supervisor may direct the unit member to work overtime. The needs of the District shall be defined by the supervisor. The supervisor shall attempt to identify unit members desiring to work overtime before directing a unit member to work overtime.

8.3.5 **Compensation for Extended Field Trips:** On an extended trip, the driver or drivers shall be paid for eight hours of regular work at the regular rate of pay, plus all assigned extra time at the overtime rate to a maximum of eight additional hours. The driver shall be notified of all assigned extra time prior to the commencement of the trip except for emergency assignments.

8.3.6 **Compensatory Time Off:** Compensatory time is defined as time off taken in-lieu of overtime payment. Compensatory time earned shall equal the overtime rate (i.e., 1-1/2 times the overtime served). An employee may request Compensatory Time Off ("CTO") in lieu of pay for overtime work. The date(s) and time(s) to use CTO shall be approved in advance by the employee's supervisor. Management will be directed to ensure that as much CTO as possible is taken off prior to June 30 of each fiscal year. If CTO time remains at the end of the fiscal year, one of two options shall be implemented:

8.3.7 At the request of the employee, the employee shall be allowed to carry over two days of CTO time to the subsequent school year. The employee shall be paid for any CTO time in excess of the two days.

8.3.8 If the employee does not request to carry over the two days to Payroll by June 1, the employee shall be paid for all accumulated and unused CTO time.

8.4 TEMPORARY ASSIGNMENT IN HIGHER CLASS: When a unit member is temporarily assigned to perform the duties in a higher salary range for any period of time which exceeds three (3) work days within a fifteen calendar day period, he or she shall be paid at the higher classification for the entire period during which he or she is required to work out of his or her classification. The pay step on the higher salary range shall be the next higher dollar figure above his or her regular pay, or Step 1, whichever is greater. If the assignment is to a supervisor's position, the higher rate of pay shall commence on the first work day of the assignment.

8.5 LUNCH PERIODS: Unit members shall be entitled to an unpaid, uninterrupted lunch period after the unit member has been on duty for more than four (4) hours. The length of time for such lunch period shall be for a period of no longer than one (1) hour nor less than one-half ($\frac{1}{2}$) hour and shall be scheduled for full-time unit members at or about midpoint of each work shift. A unit member required to work during his or her assigned lunch period shall receive pay at the rate of time and one-half for all the time worked during the normal lunch period or be compensated by either being allowed to complete the remaining portion of the lunch period or permitted to leave the assigned work site early.

8.6 REST PERIOD: For each four (4) hour consecutive period worked, unit members shall be granted rest periods of fifteen (15) minutes which, insofar as practicable, shall be in the middle of each work period, and never during the first or last hour of the workday.

8.7 VOTING TIME OFF: If a unit member's work schedule is such that it does not allow sufficient time to vote in any federal, state, or local election in which the unit member is entitled to vote, the District shall arrange to allow sufficient time for such voting by the unit member.

8.8 SPLIT- SHIFT OR SHIFT DIFFERENTIAL: Full-time unit members or regular part-time unit members whose assigned shift contains one or more periods of unpaid time which exceeds two (2) hours, including the lunch period, or unit members whose shift begins after 2:00 p.m. shall be paid a five percent (5%) shift-differential premium.

8.9 CALL BACK TIME: A unit member called back to work after the end of the unit member's workday shall minimally receive pay for two (2) hours of work at the overtime rate.

8.10 CALL IN TIME: A unit member who is called in to work on a day when the employee was not scheduled to work shall receive pay at the appropriate rate for two hours of work or the actual time worked, whichever is greater.

8.11 SENIORITY: Seniority shall be defined as a unit member's first date of paid service in the District.

ARTICLE IX (9) HOLIDAYS

9.1 SCHEDULED HOLIDAYS: The District agrees to provide unit members with the following paid holidays:

- New Year's Day
- Martin Luther King Day
- Lincoln's Day - as designated on school calendar
- Presidents' Day - as designated on school calendar
- Memorial Day
- Juneteenth- as designated on school calendar
- Independence Day
- Labor Day
- Admissions Day - September 9 (or in lieu day as designated on the school calendar)
- Veteran's Day
- Thanksgiving Day and following Friday
- Christmas Day and one additional day as designated on the school calendar

9.2 ADDITIONAL HOLIDAYS: Every day declared by the President or Governor of this state as a public fast, thanksgiving, or holiday for school employees, or any day legally declared a holiday by the Board of Trustees, shall be a paid holiday for all bargaining unit members.

9.3 HOLIDAY ELIGIBILITY: Except as otherwise provided in the Article, a unit member must be in paid status on the working day immediately preceding or succeeding the holiday to be paid for the holiday. Unit members, who are not normally assigned to duty during the school holidays of December 25 and January 1 and the one additional day at Christmas time, shall be paid for those holidays provided they were in a paid status during any portion of the working day of their normal assignment immediately preceding or succeeding the holiday period.

9.4 WORK ON HOLIDAY: Full- or regular part-time unit members assigned to work on paid holidays shall be compensated at the rate of two and one-half (2-1/2) times the regular hourly rate for hours worked.

9.5 HOLIDAYS ON SATURDAY AND SUNDAY: When a holiday falls on a Saturday the preceding workday not a holiday shall be deemed to be that holiday. When a holiday falls on a Sunday, the following workday shall be deemed to be that holiday. Exceptions to this may be authorized by the District or the official school calendar.

ARTICLE X (10) VACATION

10.1 ELIGIBILITY: A unit member's entitlement to vacation shall be governed by this Article. Substitutes, short-term, and limited-term unit members shall not be entitled to vacation.

10.2 FULL-TIME DEFINED: A full-time unit member is a member who works eight (8) hours per day twelve (12) months per year.

10.3 VACATION FOR FULL- TIME UNIT MEMBERS: Full-time unit members shall be allotted paid vacation days on July 1st of each fiscal year as follows:

Number of Years of Continuous Service	Number of Paid Vacation Days Per Year
0-5 years	12
6-9 years	15
10-14 years	18
15-23 years	20
24-25 years	22
26 or more years	24

10.4 VACATION PRORATION: Vacation is prorated based on the number of days worked per year and the number of hours worked per day. Unit members who work less than twelve (12) months per year shall receive vacation on a pro rata basis based on the number of days the unit member works each year. In addition, the number of hours allotted to each vacation day shall be pro-rated if the unit member works less than eight (8) hours per day, based on the number of hours worked per day. (Example: a five (5) hour per day "DOSA, plus 10" unit member with 8 years of service receives 12.5 five (5) hour days per year or 62.5 hours/year. (DOSA is defined as Days of Student Attendance. There are 180 student attendance days. A DOSA plus 10-unit member's work year equals 202 days, composed of 190 work days, plus 12 holidays).

10.5 BREAK IN SERVICE: Vacation is allotted based on a unit member's continuous years of service to the District. If a unit member resigns, retires or is terminated and later is rehired by the District, his/her re-hire date will be used to calculate the unit member's years of service for purposes of vacation entitlement, if the break in service is greater than twelve (12) months from the date the employment relationship was terminated. A unit member who resigns, retires or is terminated and later is re-hired by the District will not receive credit for years of service prior to his/her reemployment by the District. However, a unit member whose employment is terminated due to a layoff will not incur a break in service for purposes of vacation accrual. A unit member who is laid off and later re-hired by the District will receive credit for years of service to the District prior to the layoff, and his/her original date of hire will be used to determine vacation allotment.

10.6 VACATION FOR NEW UNIT MEMBERS: Earned vacation will not become a vested right until a unit member works at least six (6) months. The Superintendent or designee will not approve any vacation use for unit members who have not worked at least six (6) months.

10.7 HOLIDAYS: When a holiday falls during the scheduled vacation of a unit member, such holiday shall not be counted as a vacation day.

10.8 VACATION USE: Except for unit members who have not yet worked for the District at least six (6) months, unit members may use their allotted vacation even though they

have not yet earned it. Unit members earn their allotted vacation each month they work. Unit members are considered to work a complete month if they are in paid status for more than one-half the working days in the month. If unit members do not work a complete month, they will earn vacation on a weekly basis in an amount the District will determine based on the number of hours a unit member works per week.

10.9 VACATION SCHEDULING: Unit members shall request vacation at least ten (10) work days in advance. The District will attempt to grant a unit member's vacation requests, but reserves the right to deny any vacation request if it will disrupt the District's operations. ~~or if the number of employees absent in any job classification will exceed 40%.~~

10.10 VACATION CARRYOVER: Vacation carryover entitlement is based on the number of days a unit member works per year.

a. Unit members who work 216 days (including holidays) per year or more and have earned, unused vacation days on June 30th in any fiscal year may carry up to ten (10) of these days into the next fiscal year. If a unit member has more than ten (10) earned, unused vacation days at the end of any fiscal year, the District shall compensate the unit member for those excess days at a rate equal to the unit member's daily rate of pay during the last payroll cycle in June of the fiscal year in which the unit member earned vacation days. These unit members shall be paid for their earned, unused vacation days in excess of ten (10) during each subsequent July.

b. Unit members who work less than 216 days (including holidays) per fiscal year shall be paid for all earned vacation as part of the unit member's regular pay each payroll cycle. These employees are not entitled to use vacation.

10.11 DISMISSAL OF EMPLOYMENT: If a unit member uses vacation that was not yet earned and the employee is terminated, the District will deduct the amount of salary that was paid for unearned vacation days from the unit member's final paycheck. If the employment is terminated after at least six (6) months of employment, the unit member will only be entitled to compensation for the vacation days he or she earned, plus any vacation days rolled over from the previous fiscal year. Because vacation does not vest until after six (6) months of employment, if the employee is terminated prior to six (6) months, there will be no vacation pay out. Any earned, unused vacation days will be paid at a rate equal to the unit member's daily rate of pay upon termination.

ARTICLE XI (11) LEAVES

11.1 LEAVES: The benefits which are expressly provided by this Article are the sole leave benefits which are a part of this Agreement. It is agreed that other leave benefits which may be provided by law are not subject to Article XVII, Grievance Procedure.

11.1.1 **Balance Reflected on Paychecks:** Paychecks shall indicate accumulated sick leave and accrued vacation balances. Leave and vacation balances are dependent upon the employee submitted required absence information to the District.

11.1.2 **Break in Service:** Time spent on paid leave shall not count as a break in service. Other than military leave, time spent on unpaid leave of more than fifty (50) consecutive calendar days shall constitute a break in service. Time spent on an unpaid leave of fifty (50) or less days shall not be considered a break in service for the purposes of earning seniority in the cases of salary, vacation, longevity pay, or professional growth.

11.1.3 **Notice of Return:** At least two weeks prior to the end of any unpaid leave of thirty (30) or more calendar days, the unit member on leave must submit in writing to the Superintendent or designee notice of the unit member's intent to return to work. Failure on the part of the unit member to provide such timely notice may result in discipline, up to and including termination of employment as provided by the Discipline Article of this Agreement.

11.1.4 **Immediate Family Member Defined:** For purposes of this Article, Immediate Family includes any of the following:

- a. Employee's child, including biological, adopted or foster child, stepchild, legal ward, or a child to whom the employee stands in loco parentis
- b. Employee's spouse or registered domestic partner

11.2 SICK LEAVE

11.2.1 **Entitlement:** Full-time unit members employed for twelve (12) months a year shall accrue paid sick leave at the rate of twelve (12) days (i.e., 96 hours) per fiscal year. Full-time unit members employed for eleven (11) months a year shall accrue paid sick leave at the rate of eleven (11) days (i.e., 88 hours) per fiscal year. Full time unit members employed for ten (10) months a year shall accrue paid sick leave at the rate of ten (10) days (i.e., 80 hours) per fiscal year. "Full-time" as used in this section means employees who work eight (8) hours a day or forty (40) hours a week. An employee who works less than a full-time assignment shall be granted paid sick leave in proportion to the assigned hours of work, but in no circumstance shall any employee receive less than twenty-four (24) hours of sick leave per fiscal

year. For example, an employee working six (6) hours per day for five (5) days per week for ten (10) months per year is entitled to accrue 60 hours of sick leave per fiscal year (i.e., 75% of 96 hours is 72 hours, subtracting two months of sick leave accrual, which is 12 hours, equals 60 hours).

11.2.2 Annual Crediting of Sick Leave: Each July 1, every employee shall receive a sick leave allotment credit equal to the employee's sick leave entitlement for the fiscal year. An employee may use such sick leave at any time during the fiscal year, even if credit for sick leave has not yet been accrued. An employee who does not complete a given year of service shall have deducted from his or her final paycheck any unearned sick leave used as of the date of separation from employment. The amount deducted shall equal the employee's daily rate of pay times the number of sick leave days used but unearned as of the effective date of separation from employment. An employee is not entitled to a payout of earned, unused days of sick leave upon separation from employment.

11.2.3 Minimum Increments/Accumulations: Sick leave shall be taken in a minimum increment of fifteen (15) minutes. Unused days of sick leave shall be accumulated from year to year without limitation. The employee shall enter their absence in the District's electronic absence reporting system, or coordinate with their supervisor to ensure the system is updated to reflect their absence.

11.2.4 Purpose: Sick leave may be used for any of the following reasons:

- a. The employee's personal injury or illness, regardless of whether or not the cause of the injury or illness arises out of or in the course of employment.
- b. An injury or illness of an Immediate Family member, as defined in section 11.2.4, in accordance with Labor Code sections 233 and 246.5.
- c. A female employee's absence due to pregnancy, miscarriage, childbirth and recovery. Sick leave usage for this purpose shall not be used for child care, child rearing, or preparation for child rearing, but shall be limited to the causes set forth above. The length of the leave, including the date on which the leave shall commence and the date on which the employee shall resume duties shall be determined by the employee's medical specialist. The employee shall be entitled to return to a position in the same classification held at the time the leave commenced.
- d. Medical and dental appointments of an employee or an employee's Immediate Family member, in accordance with Labor Code sections 233 or 246.5.
- e. An employee may use sick leave when quarantined by the County Health Department because of another person's illness.
- f. Employees who are victims of domestic violence, sexual assault or stalking may take sick leave in order to obtain medical care or legal assistance.
- g. Any other purpose required by state or federal law.

11.2.5 **Baby Bonding Leave:** Qualified unit members may choose to take up to twelve (12) work weeks of baby bonding leave under the California Family Rights Act (“CFRA”). This leave may be used within 12 months from the birth or placement. The District will comply with the provision of the CFRA in allowing unit members to apply sick leave and Extended Sick Leave towards baby bonding leave. Unit members shall not be permitted to use Extended Sick Leave towards their twelve (12) workweeks of baby bonding leave until all sick leave any other accrued paid leaves are exhausted

11.2.6 **Notice and Verification Requirements**

a. **Notice:** Any time an employee will be absent for use of sick leave, the employee shall provide notice to the District in advance, if possible. The employee shall notify the District by calling their supervisor and providing notice of their absence through the District’s electronic absence recording system as soon as possible but no later than two (2) hours in advance of the employee’s start time.

b. **Verification by Medical Practitioner:** The Superintendent or designee may require written verification by the employee’s physician, chiropractor, psychologist, physician’s assistant, or nurse practitioner whenever: (a) an employee has been absent for illness or injury for five (5) days or more; (b) whenever the employee’s absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends or holidays; (c) whenever substantial evidence indicates that an absence may not be related to illness or injury; or (d) whenever additional medical information would be helpful to determine if an employee is disabled or to determine reasonable accommodations for an employee as required by law.

c. **Second and Third Opinion:** If the District doubts the validity of any written verification provided, the District may require the employee to obtain a second opinion from a health care provider selected by the District. In this instance, all costs not covered by the employee’s insurance shall be paid by the District so that the additional opinion is obtained at District expense. If the second opinion is contrary to the first, the District may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the District. In this instance, all costs not covered by the employee’s insurance shall be paid by the District so that the additional opinion is obtained at District expense. The third medical opinion shall be conclusive.

d. **Absence of Ten Days or More:** In those cases, where an employee is aware that an absence will be needed for ten (10) consecutive work days or more, the employee shall notify his/her immediate supervisor of the need for extended sick leave and shall provide the District with a statement from the employee’s health care provider confirming an estimate of the anticipated length of absence. Before returning to work, a unit member who has been absent for surgery, medical procedures or other medical reasons for ten (10) consecutive work days or more shall submit a verification from his/her physician stating that he/she is able to return to work.

e. **Victims of Domestic Violence:** Victims of domestic violence who utilize sick leave shall give reasonable notice to his/her immediate supervisor, unless advance notice is not feasible. When an unscheduled absence occurs for these reasons, the unit member shall provide sufficient certification of the absence from the police, a court order, or verification from a medical professional, domestic violence advocate or counselor.

11.3 INDUSTRIAL INJURY OR ILLNESS LEAVE

11.3.1 **Purpose:** Industrial Accident and Illness Leave shall be granted for illness and injury that occurs within the course and scope of an employee's assigned duties. Unit members are covered by Workers' Compensation Insurance for any injury or illness arising out of, and in the course of, their employment. An employee who has sustained a job related illness or injury shall report the illness or injury to the District office on the appropriate District form within twenty-four (24) hours. In order to qualify for Industrial Accident or Illness Leave, a workers' compensation claim must be filed and accepted by the District's workers' compensation carrier. If a workers' compensation claim is denied, there shall be no entitlement to Industrial Injury or Illness Leave. If Industrial Injury or Illness Leave is credited and then a workers' compensation claim is denied, the unit member's leave account balance will be updated and any overpayments made to the unit member will be deducted from the member's future paychecks.

11.3.2 Entitlement & Use Requirements

- a. Industrial Accident and Illness Leave shall not be for more than sixty (60) working days in any one fiscal year for the same accident or illness. An employee must have worked for the District at least one (1) year, or twelve (12) calendar months, before being eligible for Industrial Accident and Illness Leave.
- b. Industrial Accident and Illness Leave shall not be accumulated from year to year.
- c. Industrial Accident and Illness Leave shall commence on the first day of absence.
- d. Industrial Accident and Illness Leave shall be reduced by one (1) day for authorized absences regardless of the length of an employee's absence or whether a temporary disability indemnity payment has been awarded. The employee shall enter their absence in the District's electronic absence reporting system, or coordinate with their supervisor to ensure the system is updated to reflect their absence.
- e. When an Industrial Accident and Illness Leave overlaps into the next fiscal year, the employee shall be entitled to only the amount of unused leave due for the same illness or injury.
- f. During any Industrial Accident and Illness Leave or other paid leave of absence, the employee shall endorse to the District the temporary disability indemnity checks received on account of his/her industrial accident or illness. The District, in turn, shall issue the employee appropriate salary warrants for payment of the employee's salary and shall deduct normal retirement, other authorized contributions, and the temporary disability indemnity payment, if any, actually paid to and retained by the employee for periods covered by such salary warrants. At no time shall an employee's total payment exceed his/her regular salary.

11.3.3 **Notice, Verification & Return to Service:** The provisions of section 11.2.6 shall apply to Industrial Illness or Injury Leave.

11.3.4 **Entitlement to Other Leaves:** When an employee has exhausted his/her Industrial Accident and Illness Leave and remains medically unable to return to work, the employee may use Sick Leave, Extended Illness Leave, and any other unused paid leave to remain in full paid status (e.g. an employee could receive 2/3rds pay from workers compensation and 1/3rd pay by using some form of paid leave) so long as the employee does not earn more than his/her regular pay.. While using Sick Leave or Extended Illness Leave on account of his/her industrial accident or illness, the employee shall continue to endorse to the District any temporary disability indemnity checks the employee receives.

11.4 EXTENDED ILLNESS LEAVE

11.4.1 **Purpose:** After an employee exhausts industrial accident and illness leave, sick leave, compensatory time off, vacation and all other available paid leaves of absence, the employee is entitled to Extended Illness Leave for the employee's own illness or accident.

11.4.2 **Entitlement:** An employee shall receive 100 days of Extended Illness Leave per fiscal year during which the employee shall receive 50% of their regular pay regardless of whether a substitute is hired to fill their position.

11.5 PERSONAL NECESSITY LEAVE

11.5.1 **Purpose:** Personal Necessity Leave may be utilized for circumstances that are serious in nature, which cannot be expected to be disregarded, which necessitate immediate attention, and which cannot be dealt with during off-duty hours. Unused Personal Necessity Leave shall not accumulate from year to year.

11.5.2 **Entitlement:** A unit member may use up to seven (7) days of accumulated sick leave during each fiscal year for Personal Necessity Leave. Personal Necessity Leave shall be deducted from the unit member's sick leave balance, and may not exceed the amount of sick leave to which the unit member is entitled. Personal Necessity Leave shall not be used to take vacation, holidays or to participate in a work stoppage. Acceptable reasons for the use of Personal Necessity Leave are limited to the following:

[Note: Unit members may also use vacation or compensatory time off for these purposes as long as use of such time off still complies with the limits set forth above.
- f. Employees may use up to four (4) days of Personal Necessity Leave without providing a reason. These will be known as "Personal Days." Requests for Personal Days must be made in advance with reasonable notice but shall not be used for work stoppage or any other unlawful purpose. In addition, the District retains the right to deny a request for Personal Day leave if the number of employees on leave will impair the District's ability to perform its normal operations. A denial of a Personal Day is not subject to the Grievance Procedures in Article XVII.

11.5.3 **Minimum Increments:** Personal Necessity leave shall be taken in a minimum increment of fifteen (15) minutes. The employee shall enter their absence in the District's electronic absence reporting system, or coordinate with their supervisor to ensure the system is updated to reflect their absence.

11.5.4 **Notice, Verification & Return to Service:** Whenever possible, unit members will seek prior approval of their immediate supervisor for use of Personal Necessity Leave. Upon the District's request, the employee shall provide verification supporting the use of Personal Necessity Leave, with the exception of the four (4) Personal Days. When the amount of Personal Necessity Leave needed is unknown at the outset of beginning such leave, unit members will advise their immediate supervisor of their expected date of return as soon as possible.

11.6 FAMILY CARE AND MEDICAL LEAVE (FMLA/CFRA)

11.6.1 An eligible employee shall be entitled up to twelve (12) work weeks of unpaid leave within a twelve (12) month period for family and medical reasons under the federal Family and Medical Leave Act ("FMLA") and the California Family Rights Act ("CFRA"). 11.6.5 An employee may be required to provide medical certification whenever a serious health condition of the employee or his/her family member is the reason for the leave. A second or third medical opinion may be required regarding the employee's serious health condition at the District's expense.

11.6.6 Where advance notice is possible, an employee must provide thirty (30) days' advance written notice of the need for the leave. If the need for the leave is unforeseen, written notice must be given as soon as possible. Failure to provide advance written notice may delay the granting of this leave.

11.6.7 An employee eligible for health and welfare benefits under Article VII shall continue to receive such benefits while taking FMLA and/or CFRA leave under the same terms and conditions and co-payments that applied prior to the leave. If the employee fails to return from the leave for any reason, other than the recurrence or continuance of the serious health condition, the employee will be liable to the District for premiums paid for maintaining the employee's health coverage.

- E. Step Skipping. Progressive discipline shall not be required if the unit member's behavior justifies more severe discipline.

16.9 DUE PROCESS: Prior to suspending, demoting or terminating a bargaining unit member, the employee shall receive notice of the proposed action, the reason for the action, a copy of the charges and materials upon which the charges are based, and be provided with the right to respond orally or in writing.

16.10 NOTICE OF DISCIPLINARY ACTION: The District shall serve an employee subject to discipline with a Notice, either personally or by certified mail, return receipt requested, to the employee's address of record on file with the District, or to the employee's email address on file with the District, which contains the following:

16.10.1 Statement of Charges: A statement of the specific charges against the employee, written in ordinary and concise language, which shall include the causes on which discipline is based and the specific acts or omissions supporting those causes (the "Notice").

16.10.2 Skelly Meeting: The employee shall be offered an opportunity to meet with the Superintendent or Superintendent's designee. This meeting shall be scheduled by the Superintendent or designee to occur before the date of any hearing or imposition of discipline. The employee may respond to the charges either orally or in writing. The Superintendent or designee shall have the authority to modify or reject the charges and the recommended disciplinary action or to accept the charges and discipline recommendation.

16.10.3 Right to Request Hearing: The employee may request a hearing by submitting a signed card or paper. The postmarking, emailing or hand delivery of the signed card or paper shall constitute a request for hearing and denial of all charges. The employee may request a hearing within ten (10) calendar days after service of the disciplinary Notice. In the absence of the employee's timely request for a hearing, the disciplinary action shall be effective on the date set forth in the Notice or the employee's last date to request a hearing, whichever is later.

16.10.4 Notice to the Association President: At the time the District initiates a disciplinary hearing, a copy of the Charges and other disciplinary documents shall be provided to the Association President/designee and the CSEA Labor Relations Representative.

16.11 THE HEARING BODY: If the employee requests a hearing, it shall be held within a reasonable period of time. The hearing may be conducted by the Board or it may be delegated to an administrative law judge ("ALJ") from the California State Office of Administrative Hearings.

16.12 THE ADMINISTRATIVE HEARING: If the hearing is delegated to an ALJ, the ALJ shall prepare a written decision containing evidentiary findings and a disciplinary recommendation. The Board may accept, reject, or modify the recommendation of the ALJ. If the Board rejects or modifies the ALJ's evidentiary findings of fact, it shall first review the record and make its own findings of fact; however, if the Board accepts the ALJ's factual findings but disagrees with the disciplinary recommendation, the Board may accept, reject or modify the ALJ's proposed level of discipline without first reviewing the record. The Board's decision shall be in writing and shall be final.

16.13 HEARING PROCEDURES: The hearing shall be held in accordance with the following procedures:

- (1) Hearings shall be conducted in the manner most conducive to determination of the truth, and neither the Board nor the hearing officer shall be bound by technical rules of evidence. Decisions made by the Board shall not be invalidated by any informality in the proceedings.
- (2) The Board or the ALJ shall determine the relevancy, weight, and credibility of testimony and evidence.
- (3) Finding(s) shall be based on the preponderance of the evidence.
- (4) Each side will be permitted an opening statement (Board first) and closing arguments (employee first). The Board shall first present witnesses and evidence to sustain its charges and the employee will then present witnesses and evidence in defense.

- (5) Each side will be allowed to introduce relevant written documents and examine and cross-examine witnesses.
- (6) Both the Board and the employee will be allowed to be represented by legal counsel or other designed representation.
- (7) The Board or the ALJ may, prior to or during a hearing, grant a continuance for any reason it believes to be important to its reaching a fair and proper decision.
- (8) Whether the hearing is held in a public or closed session, the Board may deliberate regarding its decision in closed session. No persons other than members of the Board, its counsel, and its staff shall be permitted to participate in the deliberations. If any staff member was also a witness in the proceedings, that individual shall be barred from the Board's final deliberations.
- (9) The Board or ALJ shall render its judgment after the conclusion of the hearing as soon as possible and in no event later than twenty-four (24) calendar days after the conclusion of the hearing. The decision shall set forth which charges, if any, are sustained and the reasons therefore.

16.14 NO GRIEVANCES: The procedures provided in this Article regarding discipline are intended to be exclusive and shall take the place of access to the grievance procedures set forth in Article XVII.

ARTICLE XVII (17) GRIEVANCE PROCEDURE

17.1 DEFINITIONS

17.1.1 **Grievance:** A grievance is a formal written allegation by a unit member who has been adversely affected by a violation of the specific provisions of this Agreement.

17.1.2 **Grievant:** The term "grievant" shall include either the unit member or the Association, whichever is applicable.

17.1.3 **Workdays:** The days and hours the District Office is open for business.

17.2 GENERAL PROVISIONS: A unit member shall have the right to present a grievance in accordance with these procedures with or without representation, whichever is applicable. Nothing contained in this Article shall be construed to prevent the unit member from discussing a problem with his or her immediate supervisor and having it resolved without filing a grievance as provided herein. However, when a unit member carries a grievance to Level II without Association representation, the Association shall be relieved of all obligations in the matter.

17.2.1 The failure of the grievant to act within the prescribed time limits stated in this Article will result in dismissal of the grievance. The failure of the District to give a decision within the time limits shall permit the grievant to proceed to the next step in the grievance process, as outlined below. However, time limits may be extended

by mutual written agreement of the Association and the District at all levels of the grievance process.

- 17.2.2 In any instance where the Association is not represented in a grievance, the Association will be notified of the intended disposition of the grievance ten (10) work days prior to final action by the District in order to determine if the intended disposition is consistent with terms of the Agreement.
- 17.2.3 Hearings and conferences under this procedure shall be conducted at a time and place which will afford an opportunity for all persons entitled to be present to attend and will be held, insofar as possible, during the hours the District Office is open for business. When such hearings and conferences are held at the request of the District during the regular work day, all unit members whose presence is required shall be released without loss of pay for those hours they are required to attend such hearing or conference. However, the District will not release without loss of pay more than one (1) representative per grievance.
- 17.2.4 Any investigation or other handling or processing of a grievance by a grievant or the Association shall be conducted so as to result in no interference with or interruption of the instructional program or regular work flow.
- 17.2.5 One Association representative shall be afforded reasonable time off for investigation of grievances, limited to amount of time necessary, not to exceed five (5) work days total released time per year. Three (3) days' notice to the unit member's supervisor shall be provided by the Association representative when requesting release time to investigate a grievance.

17.3 LEVELS IN GRIEVANCE PROCEDURE

- 17.3.1 **Informal Level:** Before filing a formal written grievance, the grievant shall attempt to resolve it by an informal conference with the grievant's immediate supervisor. In the event that the first informal conference does not resolve the grievance, there shall be a conference between the Association's designated representative per Section 3.1.5 and the grievant's immediate supervisor in an attempt to resolve the grievance.
- 17.3.2 **Level One-Immediate Supervisor:** Within ten (10) workdays after the grievant knew or should have known of the occurrence of an act or omission giving rise to the grievance, the grievant must present such matter in writing to the immediate supervisor. The written grievance shall be a clear, concise statement of the grievance, the Article of the Agreement alleged to have been violated, the circumstances involved, the decision rendered at the informal level per section 17.3.1 and the specific remedy sought. Either party may request a meeting to review the grievance. A response in writing by the immediate supervisor will be made within fifteen (15) work days after submission of the Level One grievance.
- 17.3.3 **Level Two-Superintendent:** If the grievance is not resolved in Level One, the grievant may appeal the decision in writing to the Superintendent or designee within ten (10) work days following disposition in Level One. The written appeal shall include a copy of the original grievance, the decision and reasons for the decision rendered at Level One, and a clear, concise statement of the reason(s) for the appeal. The Superintendent or designee shall meet with the grievant in an attempt to resolve the grievance. Such meeting shall be within ten (10) work days after submission of the grievance at Level Two. A written response shall be made within five (5) work days after the meeting.

17.3.4 **Level Three-Mediation:** If a grievant is not satisfied with the decision in Level Two, the grievant may request the Association to proceed to mediation. Within ten (10) work days after receipt of the Superintendent's or designee's reply, the grievant, through the Association, may submit a written notice to the District of its intent to submit the grievance to mediation. Within ten (10) work days following receipt of the Association's notice of intent to submit the grievance to mediation, the District shall contact the State Mediation and Conciliation Service to appoint a mediator. The mediator shall meet with the parties in an effort to resolve the dispute. If the mediator is unable to resolve the dispute, the grievance shall proceed to advisory arbitration.

17.3.5 **Level Four-Advisory Arbitration:** If a grievant is not satisfied with the decision in Level three, the grievant may request the Association to proceed to advisory arbitration. Within ten (10) work days after receipt of the Superintendent's or designee's reply, the grievant, through the Association, may submit a written notice to the District of its intent to submit the grievance to a hearing officer. Within ten (10) work days following receipt of the Association's notice of intent to submit the grievance to a hearing officer, the District shall meet with the Association and agree on selection of a hearing officer. If the District and the Association cannot agree on a hearing officer within ten (10) work days, the District shall then request the California State Mediation and Conciliation Service to provide a list of seven (7) hearing officers from which the parties shall strike alternately until only one (1) name remains, with the first strike determined by a flip of a coin. The remaining name shall be the hearing officer. All hearings shall be held within the boundaries of the District. The cost of the hearing officer's services shall be borne equally between the Association and the District. The hearing officer shall have no authority to add to, subtract from, or to change any of the terms and conditions of this Agreement. The hearing officer's decision must be based upon the hearing officer's interpretation of the language of the Agreement. The hearing officer's decision shall be in writing and shall contain factual findings and a recommended decision which shall be submitted to the school board.

17.3.6 **Level Five-Board Decision:** The final decision shall be made by the Board of Trustees in writing and shall be sent to both parties.

17.4 WAIVERS: Any of the time limits set forth in this Article may be waived by written agreement between the Parties.

ARTICLE XVIII (18) CONTRACTING WORK

18.1 The District shall comply with all statutes regarding the contracting out of work that is customarily performed by the bargaining unit. The District shall notify the Association of its intent to contract out that work prior to beginning the process to do so.

18.2 Work that is customarily performed by the bargaining unit shall not be transferred out of the bargaining unit.

ARTICLE XIX (19) CONCERTED ACTIVITIES

19.1 It is agreed and understood that there will be no strike, work stoppage, or slow down, or any concerted action or other interference with the operations of the District by the Association or by its officers, agents, or unit members during the term of this Agreement, including compliance with the request of other employee organizations to engage in such activity.

19.2 The Association recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and to make every effort toward inducing all unit members to do so. In the event of a strike, work stoppage, slow-down, concerted actions, or other interference with the operations of the District by unit members, the Association agrees in good faith to take all necessary steps to cause those unit members to cease such action.

19.3 The District agrees that it shall not engage in a lockout of unit members during the term of this Agreement. The term "lockout" is intended to cover a situation where the District refuses to permit unit members to work in an effort to obtain bargaining concessions from the Association.

ARTICLE XX (20) SEVERABILITY AND SAVINGS PROVISION

Each section, part, term, and provision of the Agreement shall be considered severable. If, for any reason, any section, part, term or provision herein is determined to be invalid and contrary to, or in conflict with any existing or future law or regulation of a court or agency having valid jurisdiction, such determination shall not impair the operation or affect the remaining portions, sections, parts, terms or provisions of this Agreement, and the latter will continue to be given full force and effect and bind the Parties hereto. The invalid section, part, term, or provision shall be deemed not to be a part of this Agreement, and subject to immediate negotiation. Upon written notice by either party, any portion of the Contract that is invalidated shall be opened for negotiations within thirty (30) work days of the invalidation.

ARTICLE XXI (21) EFFECT OF AGREEMENT

It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District practice and procedures and over State laws to the extent permitted by State law, and that in the absence of specific provisions in this Agreement, District practices and procedures are discretionary. This written Agreement sets forth the full and complete agreement between the Parties concerning the subject matter hereof and supersedes all prior informal or formal agreements thereon. There are no valid or binding representations, inducements, promises, or agreements, oral or otherwise, between the Parties that are not embodied herein.

ARTICLE XXII (22) COMPLETION OF NEGOTIATIONS

During the term of this Agreement, unless permitted by law, the Association expressly waives and relinquishes the right to meet and negotiate and agrees that the District shall not be obligated to meet and negotiate, unless required by law, with respect to any subject matter whether referred to or covered in this Agreement or not, even though each subject or matter may not have been with the knowledge or contemplation of either or both the District or the Association at the time they met and negotiated the Agreement, and even though such subjects or matters were proposed and later withdrawn.

ARTICLE XXIII (23) TERM OF AGREEMENT

23.1 This Agreement shall remain in full force and effect commencing July 1, 2023 through June 30, 2026.

23.2 Initial proposals from both the District and the Association shall be generally exchanged no later than April 1 of any year with a reopener or to negotiate a successor Agreement. Negotiations will begin as soon as is feasible following completion of the required public notice requirements.

23.3 This agreement represents complete collective bargaining and full agreement by the District and the Exclusive Representative with respect to wages, hours of employment, and all other terms and conditions of employment which shall prevail during the term or terms hereof. This Agreement expresses the entire understanding between the parties and supersedes all previous agreements between them, written or oral. Any matter or subject not herein covered has been satisfactorily adjusted, compromised, or waived by the parties for the life of this Agreement, except as follows:

The parties agree to meet during the 2023-2024 school year to negotiate up to two (2) non-fiscal articles per party for the 2024-2025 school year.

The parties agree to meet during the 2024-2025 school year to negotiate Article V- Pay and Allowance, Article VI- Salary Classification, Article VII – Health and Welfare and up to two (2) non-fiscal articles for the 2025-2026 school year.

RATIFIED AND ACCEPTED

By the signatures below, the signatories certify that they are the authorized representatives of either the District or the Association as the contracting parties; that all actions necessary for the District or the Association to ratify and accept this Agreement as a binding and bilateral agreement have been completed in the manner required by that party and the law; and that this Agreement is hereby entered into without the need for further ratification and acceptance.
