SCHOOL-BASED WELLNESS CENTER

PARENT/STUDENT CONSENT FOR SERVICES

It is the Wellness Center's philosophy that parents/guardians should be involved in their child's care. Therefore, the Wellness Center strongly encourages communication and involvement among students, parents and medical providers.

School-Based Wellness Centers are funded through state funds and reimbursement from insurance for those students who have insurance.

The Division of Public Health (DPH) retains administrative authority for School-Based Wellness Centers. Designated Wellness Team members are obligated by law to disclose specific patient information to DPH for the purpose of preventing or controlling disease, injury, surveillance, or disability in Delaware and in the US. Information that will be reported includes: sexually transmitted disease, laboratory data, births, deaths, adverse medication reactions, child abuse or neglect, and domestic violence. Other general information may be sent to DPH for statistical tracking, but this information will be de-identified during analysis, which means your son's/daughter's name will be removed. Information about services may be shared with your health insurance company for purposes of quality improvement.
