Committee Work

- Physical Education– Coach Julie Krepps
- Health Services– Bailey Gullette
- Food & Nutrition Services– Leonore Schoen
- Student, Family, & Employment Wellness & Updates–
 - Aim for Success/Youth Equipped to Succeed was a success. More parents participated in the informational meeting by zoom than they did in person. Counselors sent a google form for parents to opt their child(ren) in for the program. We had more participation this year than last. Presenters did a great job and stayed on script. Programs included 6th grade & 9th grade. Would like to see the program include more students.
- Safety & Healthy School Environment– Chief Proffer

Questions, Concerns, Comments

Possibly take SHAC to District of Innovation committee to reduce the required number of meetings per year.

Updated: Approved by school board in June 2024
