Create Parent Account

Create Parent Account

To create a new parent account, you will need the Access ID and password for each student you want to associate with your parent account. This information is listed on your student's Semester Progress Report Card. Follow the steps below to access your student's grades, attendance, and receiving notifications from PowerSchool.

1. Simply go to our website location: https://destinyhigh.powerschool.com.

Parent Account Details

2. Click the **Create Account** tab
3. Click **Create Account**.
4. Enter the parent's information needed to create your account. The email address you enter is used to send email notifications, including account recovery notices and account changes confirmations.
5. Create a username and password of your choice. This information is what you will use every time you need to log into PowerSchool to access your student's information.

Link Students to Account

6. For each of your students, enter the **Access ID** and **Access Password** provided by your school and your relationship to the student. If you have more than 1 student, list each **Access ID** and **Access Password** separately. The **Access ID** and **Access Password** are listed at the bottom of your student's Semester 1 Progress Report.
7. Click **Enter**.
8. Check your email for a verification message and click the link within the email to sign in to your PowerSchool account within 24 hours of receiving the message. If the link has expired, you can request a new link be emailed to you.
9. Enter your **Username** and **Password**.
10. Click **Sign In**.
11. To use the PowerSchool mobile app, you would need the District Code to your student's school. Destiny High School's Mobile App District Code is: **JWSW**
