Chemics,

It is never too early to talk about homecoming. This year's MHS Homecoming celebrations will take place during the week of September 23 to the 28th. This year's homecoming theme is Cities of the World. All Chemics are invited to participate in homecoming week by helping to prepare the class banners that will be walked in the homecoming parade on September 27th. Each class has chosen the following city: Seniors - Paris, Juniors - London, Sophomores, New York, and Freshmen Rome. Stay tuned to the announcements to learn more about ways that YOU can get involved in homecoming week.

Juniors, you are invited to a banner planning meeting on Tuesday, August 27th, in room 337 during both lunches. Please bring your lunch, bring your friends, and bring your creative mind so we can plan the winning banner that will represent New York city and the Class of 2026!

Chemics, please wear your Chemic Legacy t-shirts this Thursday, August 29

Looking to soak up the last of the good weather? Itching for a competitive outlet? Come and join pickleball club on Monday, August 26 in Ms. Bank's (room 356) room right after your 6th hour! We will be taking a vote on which nights work best to get on the courts-- if you want your voice heard, be there! Don't hesitate to reach out to Brigid O'Malley or the Chemic Pickleball page for more information.
