Chemics,

It is never too early to talk about homecoming. This year's MHS Homecoming celebrations will take place during the week of September 23 to the 28th. This year's homecoming theme is Cities of the World. All Chemics are invited to participate in homecoming week by helping to prepare the class banners that will be walked in the homecoming parade on September 27th. Each class has chosen the following city: Seniors - Paris, Juniors - London, Sophomores, New York, and Freshmen Rome. Stay tuned to the announcements to learn more about ways that YOU can get involved in homecoming week.

Juniors, you are invited to a banner planning meeting on Tuesday, August 27th, in room 337 during both lunches. Please bring your lunch, bring your friends, and bring your creative mind so we can plan the winning banner that will represent New York city and the Class of 2026!

Attention NHS Members. The first NHS meeting of the year is on Tuesday, September 3, 2024, at 7:15 a.m. in the Media Center. If you cannot attend the morning meeting, there will be an afternoon session at 2:30 in the Media Center. NHS members are required to attend either the morning or the afternoon meeting. We will discuss our plans for the Homecoming parade and committee work. If you need more information, please contact an officer. President: Maisy Matthews, Vice President: Avery Shepard, Treasurer: Bo Brutyn, Secretary: Anna Gessford, and Historian: Emmalea Terburgh.

POSITIVE THINKING

Chase the Sunset: Every sunset is a chance to put the day to rest and reset yourself. With the sunrise you begin again.
