Article II

Role of the Council

Role of School Site Council

The School Site Council (SSC) shall develop and recommend the school improvement plan including the budgets that support the plan, to meet student academic need. Following approval of a school improvement plan by the school district governing board, the SSC shall review a minimum of one time per year the implementation of the school improvement program and assess the effectiveness of the program with the principal, teachers, other school personnel, and pupils using the district criteria in Board Policy 6191. The SSC shall annually review SSC bylaws and the school site dress code and make modifications to the school improvement plan or budget when necessary. The SSC shall carry out all other duties and responsibilities assigned by the district governing board and any state or federal laws and related codes of the State of California.

Role of Board of Education

To the extent that these bylaws are silent on an issue, or to the extent these bylaws are ambiguous, the SSC delegates to the Fresno Unified School District Board of Education the authority to interpret the bylaws or adopt appropriate rules in the sole discretion of the Board of Education. To the extent that the SSC fails to perform its duties as set forth in these bylaws, the SSC delegates to the Fresno Unified School District Board of Education the authority to perform those duties on behalf of the SSC.

Code of Conduct

SSC members shall follow Fresno Unified School District's adopted community values as follows:

1. Stewardship - We will lead and follow as stewards of our region, caring responsibly for our community assets. We will work together to achieve the greatest, long-term benefit for the community as a whole;
2. Boundary Crossing and Collaboration - We are willing to cross political, social ethnic and economic boundaries and partner with others to achieve community outcomes. We

will lead "beyond the walls" to create an inclusive, cohesive community through partnership and collaboration;

3. Commitment to Outcomes - We are willing to take responsibility for tasks and achieving specific outcomes. We are committed to staying involved until the tasks are completed;

4. "Art of the Possible" Thinking - We believe that anything is possible in the Fresno Region. We will envision "success without limitations" and then backward map a specific, attainable strategy for achieving that vision;

5. Fact-Based Decision Making - To the greatest extent possible, we will base decisions and action plans on objective data, thereby avoiding distortion of issues by personal feelings or agendas;

6. Truth Telling - We value the empowerment of everyone involved, along with all community stakeholders, to honestly and forthrightly share all knowledge, experience and insights relative to the working at hand. We take responsibility for ensuring our "truth" is current, not historical. We all share the responsibility for maintaining the truth telling standard;

7. Power Parity - We respect all persons and recognize that there are diverse viewpoints.

Positional power will not determine a strategy or preferred outcome, merit will. Viewpoints from diverse constituencies will be proactively sought to ensure the best possible outcomes for the community;

8. Commitment to Resolving Conflict - Conflict is inevitable and is sometimes required in order to achieve the best outcomes possible. Healthy conflict involves valuing every individual regardless of his or her stance on a specific issue and an unwavering commitment to working through the conflict in a positive manner despite its severity;

9. Asset-Based Approach - We are focused on using a strengths-based, asset-oriented approach to people and issues. We believe that positive change occurs when we appreciate, value and invest in what is best in our people and community;

10. Conflict of Interest - We agree to disclose any personal or professional conflict of interest that may affect our objectivity before engaging in work that will impact the community. We seek to avoid even the appearance of impropriety.

Among other things, these values require that SSC members:

1. Shall attend noticed meetings regularly.

2. Shall follow State and Federal law and guidance and FUSD Board Policy in the development of the site plan and otherwise.

3. Shall follow the site SSC bylaws.
4. Shall assess consensus of the people who elected them with a method that has been discussed and documented at an SSC meeting on the development of the site School Plan for Student Achievement.
5. Shall conduct all SSC business in a courteous, professional manner.
6. Shall perform their legal duty to develop, monitor and implement the School Plan for Student Achievement site plan. SSC members shall work cooperatively, working speedily to resolve any conflict so as not to jeopardize completion of the site plan.
7. Shall work together to maximize student academic achievement of state content and performance standards.
8. Shall not use their role as SSC members to unduly influence personnel decisions or assert authority not granted to the SSC under law.
9. Shall not meet together or attempt to reach consensus on issues outside of duly agendized school site council meetings.
