## Our Mission Sets Us Apart

Each student will graduate with the skills needed to contribute and thrive in a changing world.

### OUR LVJUSD COMMUNITY

Over 13,000 students bring their enthusiasm to school each day, and over 1,400 employees come together to mentor and empower the next generation of global citizens.

Our employees are dedicated and passionate about creating world-class opportunities for students to learn and grow. Our District values the experiences of our employees and prioritizes professional development as well as work-life balance. We have a team culture that is collegial, professional and supportive. We have fun together.

Our many community partners enhance our ability to provide relevant experiences for students and teachers, keeping our curriculum vibrant and ensuring that our graduates are ready for career and college.
