For the purpose of computing the number of hours worked, time during which the unit member is excused from work because of holidays, sick leave, vacation, compensated time off, or other paid leaves of absence, shall be considered as time worked by the unit member. The designation, authorization and allocation of any overtime shall rest solely with the District. The following provisions shall govern the various leaves of absence contained in this Article.

- 7.1.8 A permanent classified employee who returns to duty following a leave of absence without pay is entitled to all previously accumulated sick leave benefits. The period of time he/she was on leave of absence will not count toward accumulation of longevity benefits, (e.g., sick leave), but it shall not be construed as a break in the continuity of employment.
- 7.1.9 During all paid leaves of absence, whether industrial accident leaves, sick leave or other available leaves provided by law or by action of the District, the employee must endorse to the District, wage loss benefit checks received under the State Compensation Insurance Fund laws of the state, or for jury or witness fee. If an employee needs to be absent from his/her work for the purpose of a medical and /or dental appointment, such time off may be granted subject to approval of the immediate supervisor and if prior notification is given. This time off shall appear on the time card each month. When using Appointment Leave, a doctor's note confirming the appointment must be provided upon return to work if requested by the employee's supervisor. If it is requested, the supervisor will inform the employee that he/she needs to provide the medical/dental note at the time the leave is requested.
 - 7.1.14.1 This appointment leave shall be given to all employees who work more than three (3) hours per day, and it shall not be accumulated from year to year.

7.1.14.2 This annual leave is equivalent to one scheduled day of work. (i.e. scheduled 4 hours per day, 4 hours of leave, scheduled 8 hours per day, 8 hours of leave.)

7.1.14.3 For newly hired employees starting late in the instructional year, the appointment time will be granted on a pro-rated basis

7.1.15 Other Leaves: The District may grant leave of absence without pay for reasons not listed herein. Employees must submit their request for leave in writing through the immediate supervisor.

7.1.16 Fitness for Duty:

7.1.16.1 Fitness for Duty Medical Examinations: Upon District determination that an employee may be unable to fulfill his or her duties as a result of potential physical or mental impairment or condition, the District may request that the employee undergo an appropriate professional evaluation or assessment by a “qualified health care practitioner” to specifically determine whether the employee is still able to perform the essential function(s) of the job:

1. with or without District accommodations; and
2. without posing a “direct threat” to his or her health or safety or the health or safety of others.

Prior to requesting a fitness for duty exam under this provision, the District shall provide the employee and CSEA with documentation of work performance issue(s) as required by law.

The District and CSEA shall agree to the selection of a “qualified health care practitioner” on a case-by-case basis. The District shall pay for examinations under this provision. The agreed to health care practitioner shall report his independent finding based only upon the job description and essential functions of the position.

To ensure the impartiality of the exam, the health care professional shall be entitled to review further documentation depicting the “at issue” behavior giving rise to the exam when agreed to by the District and CSEA.

The District shall receive only medical information constituting a statement from the qualified health care practitioner of the employee’s “functional limitations,” if any, as required by law, including but not limited to, such accommodation(s) that may assist the employee in performing those duties. If the qualified health care professional determines that the employee is functionally limited based on risk of a direct health and safety threat, the District shall be further entitled to additional information from the qualified health care professional limited to: 1) the duration of the risk; 2) nature and severity of the potential harm; 3) likelihood that potential risk of harm will occur; and 4) imminence of the risk of potential harm. All such information received by the District shall be considered confidential medical information and shall be kept in a sealed envelope in the personnel file to be opened only upon authorization by the superintendent or as otherwise ordered by law.

If the qualified health care practitioner determines that the employee poses a safety risk and/or cannot perform the essential functions of the job with reasonable accommodation, the employee shall be entitled to a second exam by a similarly qualified health care professional at the employee's expense. The District and CSEA shall agree to the selection of a "qualified health care practitioner." The employee shall elect a second exam within five working days of receipt of the results of the initial exam by notice to the District. Upon election, the employee shall schedule the second exam within 15 days of the receipt of the results of the initial exam or as soon thereafter as possible by notice to the District, including the time, date and name of the physician conducting the exam.

Should there be conflicting medical reports, the parties agree to submit the issue to an agreed upon medical examiner(s). If the findings of said medical examiner(s) demonstrate satisfactory evidence that the employee is able to resume the duties of his/her position, the District agrees to be bound by those findings. Costs of medical examination shall be borne equally by the District and the employee.

7.1.16.2 Safety Threat: If the professional evaluation(s) or assessment(s) of the employee reveal that the employee poses an imminent safety threat to him/herself or others related to a mental or physical impairment benefiting from a course of medical treatment, including but not limited to, anger management medical therapy, and the employee is unable to perform the essential functions of the job with accommodations, following exhaustion of all paid leaves, the employee shall be placed on the 39 month medical reemployment list. Alternatively, the District and CSEA may pursue voluntary resignation terms.

7.1.16.3 Non Safety Threat: If the professional evaluation(s) or assessment(s) of the employee reveal that the employee is unable to perform the essential functions of the job with accommodation(s) unrelated to a safety threat and upon a determination that the District is not legally obligated to provide the specific accommodation to the employee, then the District may transfer the employee to a suitable position. If no transfer is available, the employee shall retain the right to placement on the 39 month medical reemployment list pending medical verification that the employee is fit for duty to return to work. Alternatively, the District and CSEA may pursue voluntary resignation terms.

7.1.16.4 Absence of Mental or Physical Impairment: If the professional evaluation(s) or assessment(s) of the employee reveal that the conduct at issue is unrelated to the mental or physical impairment of the employee that may benefit from a course of medical treatment, including but not limited to anger management therapy, the District may elect to invoke the procedures of Article 16 (Demotion, Suspension, Dismissal) to correct the conduct.

7.2 CATASTROPHIC LEAVE

7.2.1 "Catastrophic illness" or "injury" means an illness or injury that is expected to incapacitate the employee for an extended period of time or that incapacitates a member of the employee's family to take time off from work for an extended period of time to care for that family member, and taking extended time off work creates a financial hardship for the employee because he/she has exhausted all of his/her sick leave and other paid time off.

- 7.2.2 The employee who is, or whose family member is, suffering from a catastrophic illness or injury must submit a written request to the Assistant Superintendent Human Resources for a donation of eligible leave credits and provide medical certification of the catastrophic illness or injury as required by the District. As in the case of all sick leave use, the continued use of eligible sick leave credits shall be subject to appropriate medical verification by physicians selected by the District. The request will be reviewed by the Catastrophic Leave Committee comprised of one (1) and a maximum of three (3) District representatives and three (3) CSEA representatives. The Catastrophic Leave Committee decision shall be final. The District will hold one half (1/2) of the vote and CSEA will hold one half (1/2) of the vote. After reviewing and voting, CSEA will notify the requesting unit member of the decision, if the request has been approved, CSEA will then send notification to all unit members and forward any donations to the payroll department.
- 7.2.3 If a request for Catastrophic Leave donations is approved by the Catastrophic Committee, any employee may transfer, on a voluntary basis, a portion of his/her accumulated leave credits up to forty (40) hours at a time in daily increments, to another employee because of catastrophic or life-threatening sickness or accident. Employees separating from service with OJUSD may donate their accrued sick leave to the catastrophic leave bank. An employee may transfer credits by signing an authorization identifying the employee and the number of days of accumulated leave to be transferred to the named employee. Sick leave may not be transferred by any employee who, following transfer of the designated sick leave will have less than fifteen (15) days of accumulated sick leave; this provision will not apply to those employees who donate their accumulated sick leave to the catastrophic leave bank upon separation from OJUSD.
- 7.2.4 Eligible leave credits means sick leave accrued to the donating employee.
- 7.2.5 The employee who is voluntarily contributing the leave credits shall be responsible to fill out the necessary form to initiate this action and to deliver that form to the District Human Resources Department.
- 7.2.6 Any transfer of leave credits shall be irrevocable and no employee who voluntarily transfers eligible leave credit shall be entitled to have the leave reinstated even if it is not used by the recipient employee. An employee receiving transferred leave credits may only use the leave credit while the employee, or the employee's family member, suffers from the immediate catastrophic or life-threatening sickness or accident that precipitated the transfer of the leave credits, i.e., if the employee dies or recovers with unused, transferred leave credits outstanding, the leave credit is to be banked for future use within the Classified unit of the District. Banked hours will also be accumulated from employees who, upon separation from service, elect to donate their accrued sick leave to the catastrophic leave bank. The banked hours must be applied for and approved by the CSEA committee before being used; the CSEA committee may limit the amount of time the requesting employee can receive from the bank.
- 7.2.7 No employee may receive transferred leave credits from another employee unless the receiving employee has exhausted all accrued paid leave credits.
- 7.2.8 The maximum amount of time for which donated leave credits may be used shall not extend a person's sick leave beyond the current fiscal school year, unless otherwise approved by the District.
- 7.2.9 Donated hours shall be accumulated and converted to the recipient's hourly rate of pay.

7.3 SICK LEAVE

- 7.3.1 Every classified employee working five (5) days per week shall be entitled to twelve (12) days leave of absence for illness or injury, and such days in addition thereto as the Governing Board may allow for illness or injury, exclusive of all days he/she is not required to render services to the District with full pay, for a fiscal year of service.
- 7.3.1.1 A classified employee employed five (5) days per week but employed for less than a full fiscal year is entitled to that proportion of the twelve (12) days leave of absence for illness or injury as per the number of months he/she is employed bears twelve (12) days and the proportionate amount, consistent with this formula, of such addition thereto, authorized by the Governing Board for classified employees employed five (5) days a week for a full fiscal year of service.
- 7.3.1.2 A classified employee employed less than five (5) days a week shall be entitled, for a full fiscal year of service, to that proportion of twelve (12) days leave of absence for illness or injury as the number of days he/she is employed per week bears to five (5) days a week for a full fiscal year of service. When such persons are employed for less than a full fiscal year of service, this and the preceding paragraph shall determine that proportion of leave of absence for illness or injury to which they are entitled.
- 7.3.1.3 Leave Incentive: If an employee uses no more than two (2) sick leave days (this includes discretionary or personal necessity days), over the course of a current school year, that employee will receive one (1) extra vacation day to be used the following school year as approved by their supervisor. If the day is not used during the school year, the employee will be paid for that day. The incentive day is not to be carried over into any other school years. Those employees who are paid for their vacation days will be allowed to utilize their earned incentive vacation day with prior approval of their immediate supervisor. Donations of Sick Leave to another employee due to a catastrophic illness shall not cause an employee to be ineligible for Sick Leave Incentive.
- 7.3.2 Extended Illness Leave: When an employee is absent because of an illness, injury or quarantine for a period of five (5) months or less, the amount deducted from the employee's salary shall not exceed the sum which is actually paid a substitute employee hired to fill the position during the absence. In no event will the substitute salary schedule for the purpose of deduction under this leave exceed Step 1 of the salary schedule for the classification. The use of extended illness leave shall begin when accumulated sick leave, vacation time, compensatory time and other paid leave has been exhausted but the total period of the extended illness leave shall not extend beyond five (5) months from the first day of illness, injury or quarantine with the exception of days of absence on industrial accident or illness leave. The District may require the employee to provide verification of the continuing illness, injury or quarantine.

7.4 FAMILY LEAVES

- 7.4.1. **FMLA/CFRA:** The Family and Medical Leave Act and California Family Rights Act ("FMLA / CFRA") provide eligible employees the opportunity to take an unpaid, job-protected leave, for certain specified reasons. The maximum amount of leave an employee may use is either 12 or 26 weeks within a 12-month period depending on the reasons for the leave. To be eligible for FMLA/CFRA leave, an employee must have worked at least 12 months for the District and have worked at least 1,250 hours over the 12 months preceding the date the leave would commence.

- 7.4.1.1. FMLA/CFRA leave may be taken for the following reasons:
- Serious health condition of the employee;
 - Serious health condition of the employee's child, parent, or spouse;
 - Birth of a child, or placement of a child in the family for adoption or foster care;
 - Serious illness or injury sustained in the line of duty on active duty by a military service member or veteran who is the spouse, child, parent or next of kin of the employee; or
 - Qualifying exigency arising out of the fact that a spouse, child or parent of the employee is a covered service member on covered active duty or has been notified of an impending call or order to covered active duty military.
- 7.4.1.2. A "Serious Health Condition" is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities. Subject to certain conditions, the continuing treatment requirement includes an incapacity of more than three full calendar days and two visits to a health care provider or one visit to a health care provider and a continuing regimen of care; an incapacity caused by pregnancy or prenatal visits, a chronic condition, or permanent or long-term conditions; or absences due to multiple treatments. Other situations may meet the definition of continuing treatment.
- 7.4.1.3. The district measures the 12-month period in which leave is taken by the "rolling" 12-month method, measured backward from the date of any FMLA/CFRA leave.
- 7.4.1.4. Extended use of sick leave taken for the employee's own serious health condition, other than for pregnancy disability, shall be designated as family care and medical leave. Sick leave taken for purposes of pregnancy, childbirth, or recovery from childbirth is a separate entitlement known as Pregnancy Disability Leave (PDL) and is covered in more detail below in 7.4.2.
- 7.4.1.5. If both parents of a child who are entitled to family care leave under this contract are employees of the District, the District shall not be required to grant leave in connection with the birth, adoption, or foster care of a child that would allow the parents family care leave totaling more than the amount specified in section 7.4.1.
- 7.4.1.6. The employee shall provide reasonable advance notice to the District of the need for family care leave, the date the leave will commence, and the estimated duration of the leave. If the need for a leave becomes known more than thirty (30) days prior to the date a leave is to begin, the employee must provide at least thirty (30) days' written advance notice.
- 7.4.1.7. If verification is required by the District to verify the serious illness of the child, spouse, parent, or employee, the District may accept medical verification by the treating health care provider.

7.4.1.8. FMLA/CFRA is an unpaid leave. A bargaining unit member is allowed to use sick leave, vacation, compensatory leave and any other available paid leave, for the purposes of remaining in paid status during the twelve (12) week family care leave period.

7.4.1.9. Health Insurance coverage shall be maintained and paid (the employee's active benefit cap) for by the District for the duration of the leave not to exceed 12 workweeks in a 12-month period. The District may recover the premium paid for the employee during the leave if the employee fails to return from leave after the period of leave has expired for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to leave or other circumstances beyond the control of the employee.

7.4.1.10. While on FMLA/CFRA leave, an employee must comply with the district's normal procedures for the applicable leave policy (e.g., call-in procedures, advance notice, etc.).

7.4.2. **Pregnancy Disability Leave (PDL):** Female employees may take a leave of absence up to four (4) months for disabilities relating to pregnancy, childbirth or related medical conditions. The exact duration of the leave will be determined by the amount of time the employee is actually disabled.

7.4.2.1. There is no eligibility criteria for PDL, and women are eligible upon hire.

7.4.2.2. PDL is an unpaid leave; however, the employee may utilize available sick leave and any other paid leave benefits available.

7.4.2.3. The employee may work as long as she can perform all duties and responsibilities as confirmed by her physician.

7.4.2.4. Upon the advice of a health care provider, the employee may also be entitled to reasonable accommodation, to the extent required by law, for conditions related to pregnancy, childbirth or related medical conditions.

7.4.2.5. Prior to the start of the leave, the district requires medical verification as to the extent of the disability period.

7.4.2.6. The employee shall give the District at least three (3) calendar days advance notice of the date she wishes to return and at that time a medical release from the physician is required.

7.4.2.7. FMLA leave runs concurrently with PDL. After exhausting PDL entitlements or when released to return to work by a physician, CFRA leave at the employee's request would begin following the guidelines as stated in AB2393/Education Code 45196.1. Additional Information regarding this leave may be found in 7.4.3 Parental/Child-Bonding/Adoption Leave.

7.4.2.8. An employee may submit for State Disability Insurance (SDI) while on PDL. Additional information regarding SDI can be found in Article 28: SDI Compensation.

7.4.3. **Parental/Child Bonding/Adoption Leave:** Following the guidelines set forth in AB2393/Education Code 45196.1, Parental Leave is leave taken for the birth of a child of the employee or the placement of a child with the employee for adoption or foster care.

Classified employees may use up to 12 workweeks of sick leave to bond with a new child. Covered employees may be entitled to partial pay for the remainder of the 12 workweeks if they have insufficient sick leave.

7.4.3.1. Eligibility Requirement: The employee must have been employed by the District for at least 12 months prior to commencing the leave.

7.4.4. **Paid Family Leave:** California Paid Family Leave (PFL) provides up to 6 weeks of partial pay to employees who take time off from work to care for a seriously ill family member (child, parent, parent-in-law, grandparent, grandchild, sibling, spouse, or registered domestic partner) or to bond with a new child (including newly fostered and adopted children).

7.4.4.1. The District will coordinate benefits available through PFL with any paid leave available to the employee. It is the employee's responsibility to submit all required documents to the OJUSD Payroll department for coordination.

7.4.4.2. PFL is administered by the State of California Employment Development Department (EDD). The District in no way approves or denies claims submitted for PFL. It is the employee's responsibility to submit an application for PFL through the EDD and serve the necessary waiting period.

7.5 BEREAVEMENT LEAVE

7.5.1 Every person employed in the District shall receive a leave of absence, not to exceed three (3) days, or five (5) days if out-of-state or if more than three hundred (300) miles travel (one way) is required, on account of the death of any member of his/her immediate family. No deduction shall be made from the salary of such employee, nor shall such leave be deducted from leave granted by other sections of this Agreement, or provided by the Governing Board of the District. 7.6.2 Payment for wages lost on any day shall not, when added to an award granted the employee under workers' compensation laws of this State, exceed the normal wage for that day.

- 7.6.3 The industrial accident or illness leave is to be used in lieu of normal sick leave benefits. When entitlement to industrial accident or illness leave under this section has been exhausted, entitlement to other sick leave, vacation or other paid leave may then be used. If receiving temporary disability payments under the workers' compensation laws of this State as benefits under this section, he/she shall be entitled to use only so much of his/her accumulated and available normal sick leave and vacation leave which, when added to the workers' compensation award, provides for a day's pay at the regular rate of pay.

11.3 Lunch Periods: All classified employees assigned more than four (4) hours on a regular basis are entitled to a duty free lunch period of not less than thirty (30) or more than sixty (60) minutes, and shall be scheduled for full-time, eight (8) hour a day employees at or about the midpoint of each work shift. Lunch periods shall not be considered a part of the normal working day.

11.4 Rest Periods: Classified employees will be granted a fifteen (15) minute rest break during a four (4) hour working period. The immediate supervisor determines the number of employees to be off at any one time. Rest periods for the time worked beyond four (4) hours will be calculated proportionately to the number of hours the employee works.

11.5 Summer School assignments that are in addition to the normal work year of a bargaining unit member, not in a needs improvement status, will be awarded by seniority within classification at the site first before going District wide. In the event there are vacancies in summer school, the vacancies will then be offered to qualified employees in other classifications by seniority at the site before going District Wide. This does not apply to the Transportation Department (for the Transportation Department refer to Article 29.) This does not apply in situations that arise due to educational/program needs.

11.6 Extra Work: Insofar as practicable, extra work shall be distributed equally among qualified employees in good standing and not in a needs improvement status who have indicated to the District that they desire to perform extra work. This distribution will be based on classification and seniority. Employees at the site where the work is occurring will be given first consideration.

- 11.7 Authorized Training and Testing: Time devoted to State mandated training or testing or any training or testing authorized by the District shall be considered hours worked.
- 11.8 Minimum Call-In Time: Any employee called in to work on a day when the employee is not scheduled to work shall receive a minimum of two (2) hours of pay at the appropriate overtime rate of pay under this Agreement. An employee who has been scheduled to perform extra work, and then twenty-four (24) hours or less in advance of the work to be performed, has the extra work assignment cancelled by the District, shall receive a minimum two (2) hours pay. Workers scheduled for a weekend or holiday assignment that is subsequently cancelled within one (1) hour of the scheduled time the work is to be performed by the District, shall receive four (4) hours pay. Any employee who has left the premises and who is called back to work after the completion of his/her work assignment shall be compensated for at least two (2) hours of work at the appropriate rate of pay.
- 11.9 Swing Shift: The regular rate of pay shall include the one-half (1/2) hour of paid lunch period for swing shift.
- 11.10 Split-Shift Differential: Bargaining unit members who work a split shift shall be paid an additional allotment of \$5.50 per day.

- 11.12 School Enrollment – 800: Oakdale Joint Unified School District (OJUSD), California School Employees Association (CSEA) and its Oakdale Joint Unified School District Chapter #830, agree to the following regarding the possible increase in time for specified classified classifications at elementary schools when the enrollment of a site meets or exceeds 800 of any given year. These positions serve students in a like capacity at other elementary schools in the District. The positions include, but are not limited to: Librarian, Computer Education Instructor and Health Clerk. The agreement is:
- 11.12.1 When enrollment meets or exceeds 800 of any given year by August 1, the District will, with input from the site administrator, determine if additional time is needed for the specific classifications listed above. If additional time is needed for a classification not listed above, the District will notify CSEA of the additional unspecified classification(s).
- 11.12.1.1 The additional time needed will be determined by the District with input from the site administrator and will be provided to employee's identified by the District within the classification(s) based on student needs.
- 11.12.1.2 The intent of the additional time, for these employees, is to continue to provide services to the students at that specific site. The intent is not to have a negative financial impact on the employee who will receive the additional time. The financial impact to the employee will be considered, but the service that is needed for the students will be the determining factor.
- 11.12.1.3 The extra time that is allotted will be in place for the entire work year even if the enrollment drops below the qualifying enrollment of 800 during that school year.

- 11.12.2 Enrollment at all elementary schools will be reviewed each year and the process will be initiated again if an elementary school's enrollment meets or exceeds 800.
- 11.12.3 Employees who have additional time added for a specific year, will not have that time in upcoming years unless the District, with input from the site or department administrator, director or manager, determine that the additional time is needed and the enrollment of that school meets or exceeds 800.
- 11.12.4 If a school's enrollment drops below 800 by August 1 of any given year, this agreement will not be implemented. Any time increases provided to employees from a prior year will be reduced to the status quo before the time increase for the subsequent school year. This loss of time will not be considered a layoff as governed by Article 19 of the OJUSD/CSEA #830 Collective Bargaining Agreement and CSEA waives the right to negotiate the impact of such a resulting elimination of the previously increased time.

ARTICLE 12: GRIEVANCE PROCEDURE

- 12.1 Purpose: The grievance procedure provides a means whereby an employee, group of employees, or their representatives may express dissatisfaction about matters growing out of their employment with the District without fear of reprisal and to provide an administrative mechanism to resolve problems as promptly as possible at the lowest supervisory level with provisions to carry the grievance to higher levels until finally resolved, provided resolution is within legal authority of the District.
- 12.2 Definitions:
 - 12.2.1 A grievance is an allegation by an employee or group of employees or CSEA that there has been a misinterpretation, misapplication, or alleged violation of this Agreement.
 - 12.2.2 A day is any day that the District Office is open for business.
- 12.3 Procedure: Grievances shall be handled in the following manner:
 - 12.3.1 Step One: An aggrieved employee shall discuss the grievance informally with his/her immediate supervisor. If the grievance is not satisfactorily adjusted informally, the grievant may proceed to Step Two within twenty (20) days after the grievant knew, or should have known, of the act or condition-giving rise to the grievance.
 - 12.3.2 Step Two: If not satisfied with the disposition of the grievance at Step One, an aggrieved employee may present a grievance in writing to his/her immediate supervisor. Copies shall be sent to CSEA and the Assistant Superintendent Human Resources. This statement shall include:
 - 12.3.2.1 The specific grounds of the grievance, including names, dates and places necessary for complete understanding of the grievance.
 - 12.3.2.2 A listing of the provisions of this Agreement, which are alleged to have been violated or misapplied.
 - 12.3.2.3 The reasons why the solutions proposed in Step One are unacceptable.

- 12.3.2.4 The specific action requested to remedy the grievance. At Step Two, the grievant may elect, in writing, to represent himself/herself rather than have CSEA provide representation. If the grievant elects to represent himself/herself at this Step, or at any later Step, CSEA shall be relieved of any further obligation to share in any further expense of the grievance procedure. The immediate supervisor shall communicate his/her written decision within ten (10) working days after receipt of the written grievance.
- 12.3.3 Step Three: If the grievance is not satisfactorily adjusted at Step Two, or if the District does not respond at Step Two within ten (10) working days, the grievant may submit the grievance, in writing, to the District Superintendent within ten (10) working days of the receipt of the response at Step Two or ten (10) working days after the time limit for the District response in Step Two. Within ten (10) working days of the receipt of the grievance at Step Three, the Superintendent or Superintendent's designee will meet with the grievant and/or his/her representative in an attempt to resolve the grievance. Within ten (10) working days after this meeting, the Superintendent/Superintendent Designee shall deliver to the grievant and CSEA the written response to the grievance.
- 12.3.4 Step Four: If the grievance is not resolved in Steps One, Two and Three, the grievant may request a hearing before an arbitrator, in writing. The written request shall be filed with the Superintendent/Superintendent Designee within ten (10) working days after receipt of the written decision of the Superintendent/Superintendent Designee at Step Three.
- 12.3.4.1 The arbitrator shall hold a hearing concerning the grievance within fifteen (15) days and render an advisory decision within forty-five (45) days after the closing of the hearing. This timeline will be adjusted to meet the demands of the arbitrator's calendar.
- 12.3.4.2 Recourse by an employee at Step Four of the Grievance Procedure shall constitute a waiver of any legal or statutory rights to relief for the action or condition, which is the subject of the grievance. However, if the Board does not implement an arbitration decision favorable to the grievant, the latter shall be entitled to pursue any legal remedies, which may otherwise be available.
- 12.3.4.3 Selection of Arbitrator: The selection of Arbitrator shall be made from a list submitted by the State Mediation and Conciliation Service (SMCS) or the American Arbitration Association (AAA). The SMCS or AAA shall supply a list of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one (1) name remains. The order of striking shall be determined by lots.
- 12.3.4.4 Payment of Arbitrator: Each party will be responsible for the preparation of its own case. The grievant and the District will share equally in payment for all expenses, including the services and expenses of the arbitrator.
- 12.3.4.5 Powers and Limitations of Arbitrator: The arbitrator shall consider only those issues which have been properly carried through all prior steps of the grievance procedure; the arbitrator shall afford District representatives and the employee involved and/or his/her representative a reasonable opportunity to present evidence, witnesses and arguments; the jurisdiction of the arbitrator shall be confined to a determination of the

facts and the interpretation of the provisions of the collective bargaining agreement; the arbitrator shall render a decision which shall be advisory only if the District does not implement a grievance sustained by the arbitrator, it shall submit its reasons in writing to the grievant; the arbitrator may consider only one (1) grievance at a time, unless the District expressly agrees otherwise; however, the parties should endeavor to handle cases involving the same or similar facts and/or issues in an expeditious and convenient manner.

12.3.5 Step Five: In the event that either party is not satisfied with the advisory findings or recommendations of the arbitrator, either party may appeal the decision, in writing, within ten (10) days to the Governing Board of the District.

12.3.5.1 The recommendation of the arbitrator shall be advisory only. If, upon review, the Governing Board determines that it is unable to render a final determination on the record, it may reopen the record for the taking of additional evidence, which must include statements by the grievant. The Board shall render a decision, in writing, within twenty (20) days of the conclusion of its investigation and transmit this decision to all parties of interest. Reasons for the decision shall be included in the Board's written decision. At this level, the Board shall be the final appeal and their decision will stand. This does not exclude the possibilities of court action.

12.4 Group Grievances: The District reserves the right to separate grievances, which are subject to different relevant contractual, legal and/or factual considerations.

12.5 Employee Processed Grievance: An employee covered by this Agreement may present a grievance directly and have such grievance adjusted without intervention of CSEA as long as the adjustment is not inconsistent with the terms of this Agreement. CSEA shall be provided copies of any grievance filed by an employee directly and any written responses by the District. Prior to any resolution of any grievance at Step Two or higher, CSEA shall be given an opportunity to state its views on the grievance.

12.6 Grievance Witness: Any employee required to appear, as a witness in connection with this Article shall suffer no loss of pay as a result.

12.7 Time of Grievance Processing: The parties shall make a good faith effort to process grievances at times, which do not interfere with District operations or assigned duties.

12.8 Separate Grievance File: Records pertaining to an employee's grievance shall be kept in a file separate from the employee's personnel file.

12.9 Notices: Dated District notices posted in employee lounges and sent to the CSEA Chapter President shall be considered as binding all employees and the CSEAS with knowledge of the contents thereof.

12.10 The filing or pendency of any grievance shall in no way operate to impede, delay or interfere with the right of the District to take the action complained of.

12.11 A decision rendered at any step in these procedures becomes the final unless appealed within the time limit specified. If a decision is not given with the time limit, an appeal may be taken directly to the next level.

12.12 Time limits in these procedures may be modified only by written agreement signed by the parties.

ARTICLE 13: NON DISCRIMINATION

- 13.1 The District shall not unlawfully discriminate against employees on the basis of race, color creed, age, sex, national origin, political affiliation, domicile, marital status, gender identity, sexual orientation, or handicap.
- 13.2 Neither the District nor CSEA shall interfere with, intimidate, restrain, coerce or discriminate against employees because of the exercise of rights to engage or to not engage in a CSEA activity.

ARTICLE 14: NOTICE OF EMPLOYEE STATUS

- 14.1 Upon initial employment and with each change in classification, each affected employee shall receive a copy of his/her job description and the "Personnel Status Notice". CSEA shall be provided copies of all job descriptions. A copy of all classified non-management job descriptions shall be available from the District Office.

ARTICLE 15: PERSONNEL FILES

- 15.1 The personnel files of each employee shall be maintained in the District Office. No disciplinary action of any kind shall be taken against an employee based upon materials, which are not in the personnel file. The only exception to this provision is when the employee's presence would endanger the lives, safety, health and welfare of the students, fellow employees or himself/herself. Under these circumstances, the District may immediately suspend the employee with pay, until said employee is granted a hearing for the above-cited exceptions.
 - 15.1.1 Such material is not to include ratings, reports or records which: were obtained prior to the employment of the person involved; were prepared by the identifiable examination committee members; were obtained in connection with promotional examinations.
- 15.2 Every employee, or authorized designee with prior written authorization from said employee, shall have the right to inspect such materials upon request during regular business hours. This inspection shall take place in the presence of an employee of the Human Resources Department, provided that the time requested for the inspection is not during the inspecting employee's assigned work hours.
- 15.3 Information of a derogatory nature, except materials mentioned in 15.1 of this Article, shall not be entered or filed unless and until the employee is given notice. Following such notice, the employee shall have ten (10) working days to review and have attached thereon the employee's comments relative to such derogatory material. Such review shall take place during normal business hours and the employee shall be released from duty for this purpose without salary reduction.

ARTICLE 16: DEMOTION, SUSPENSION, DISMISSAL

- 16.1 Probationary employees may be dismissed whenever their work is unsatisfactory. Dismissal procedures are not necessary for probationary employees.
- 16.2 The Superintendent/designee may dismiss, suspend or demote any permanent employee in the classified service for cause. Among the causes which shall be deemed sufficient for dismissal, suspension, demotion or other disciplinary action are the following:

- 16.2.1 Excessive unauthorized absence or tardiness;
 - 16.2.2 Commitment or conviction of any criminal act;
 - 16.2.3 Conduct unbecoming any employee in the public service;
 - 16.2.4 Disorderly or immoral conduct;
 - 16.2.5 Incapacity due to mental or physical disability;
 - 16.2.6 Incompetency or inefficiency;
 - 16.2.7 Insubordination;
 - 16.2.8 Violation of any lawful regulation or order made by a line superior;
 - 16.2.9 Neglect of duty;
 - 16.2.10 Negligence or willful damage to public property or waste of public supplies or equipment;
 - 16.2.11 Intoxication;
 - 16.2.12 Willful violation of any provisions of these rules and regulations;
 - 16.2.13 Willful falsification of the application for employment;
 - 16.2.14 Abuse or misuse of sick leave, or unauthorized absence;
 - 16.2.15 These and other causes for dismissal as outlined in the Education Code.
- 16.3 In non-critical situations, an employee whose work or conduct is of such nature as to possibly incur discipline shall first be warned, in writing, by the supervisor. The supervisor shall give not more than ten (10) workdays to permit the employee to correct the deficiency without incurring disciplinary action. No more than one written warning shall be given before disciplinary action is imposed.
- 16.4 No disciplinary action shall be taken for any cause which arose prior to the employee becoming permanent, nor for any cause which arose more than two (2) years preceding the date of the filing of the notice of cause unless such cause was concealed or not disclosed by such employee when it could have reasonably been assumed that the employee should have disclosed the facts to the employing District.
- 16.5 Preliminary Written Notice (Skelly Notice): A permanent classified employee shall receive a preliminary written notice of any proposed suspension without pay, termination or demotion. The written notice must contain a specific statement of charges or grounds upon which the proposed disciplinary action is based and the date the disciplinary action will be effective. The notice also establishes a date on which the employee may appear to show cause why charges should not be filed. The written notice shall be personally served on the employee or mailed to the employee's last known address via certified mail. Any known written materials, reports or documentation upon which the disciplinary action is based must be attached to the preliminary written notice.
- 16.6 Notice of Suspension or Dismissal: A permanent classified employee who is suspended without pay, terminated or demoted shall be given written notice of the specific charges. The dismissal or suspension notice shall contain a statement of the employee's rights to a hearing on such charges and said notice shall be accompanied by a paper, the signing and filing of which with the Superintendent/Superintendent Designee shall constitute a demand for hearing and a denial of all charges. Failure of the employee to file a request for a hearing within five (5) working days shall constitute a waiver of the employee's right to a hearing and appeal.
- 16.7 A permanent classified employee may be placed on paid administrative leave, pending the outcome of the proposed disciplinary action.
- 16.8 No suspension shall be effective for a period of more than thirty (30) days without the prior approval of the Governing Board of the District.

- 16.9 The Governing Board's determination of the sufficiency of the cause for disciplinary action shall be final and binding on all parties.
- 16.9.1 If the appeal of the employee is sustained, the Governing Board may order full or partial compensation from the time of dismissal, suspension or demotion and shall order employee's reinstatement.
- 16.9.2 If the order of the Superintendent is sustained, the Governing Board shall declare the Superintendent's action effective as when made.

ARTICLE 17: EVALUATION PROCEDURES

- 17.1 Regular evaluations are to be made of all classified employees. No evaluation of any employee shall be placed in any personnel file without an opportunity for discussion between the employee and the evaluator. No evaluation shall be made based upon hearsay or undocumented statements not previously discussed with the employee, but shall be based only upon the direct observation and knowledge of the evaluator (the evaluator being the immediate supervisor). Any negative evaluation shall include specific deficiencies and specific recommendations for improvements and provisions for assisting the employee in implementing any recommendations made, with the exception of any attendance issues. If an employee chooses to attach a statement to the evaluation form, it must be done within 10 working days of receiving the evaluation. Permanent employees who receive an overall evaluation of "needs to improve" may ask their supervisor for a re-evaluation, no earlier than 6 months after the start of the subsequent fiscal year. Supervisors are under no obligation to grant the request.
- 17.2 Probationary Status: Each employee shall serve a probationary period of six (6) months or 130 days, whichever is longer, in the classification to which he/she has been assigned and may be evaluated prior to the end of the first, third and fifth months. Upon the successful completion of the probationary period the employee becomes permanent. A probationary employee may be released without cause at any time during the probationary period. The probationary period may be extended for a period not to exceed the unpaid leave of the employee.
- 17.2 Permanent Status: Permanent employees are to be evaluated at least once annually. The evaluations process shall be reviewed and signed by the employee and be completed by May 15th. If this process is not completed by May 15th, the evaluation shall not be placed in the employee's personnel file. However, a letter noting this deficit, signed by the Superintendent, shall be placed in the employee's personnel file in place of that year's evaluation. If the employee is unavailable or off work at the evaluation deadline, the timeline may be extended to one (1) week after the employee returns to work.
- 17.3.1 Permanent employees with five (5) years of service in the District, who are not in a "needs improvement" status, shall be evaluated every two years, unless the evaluator determines at any time that there exists cause for the employee to remain on, or return to, the existing evaluation schedule.
- 17.3.2 An employee shall receive one (1) copy of the completed evaluation and one (1) copy shall be placed in his/her personnel file no later than June 1st.
- 17.4 Standard Evaluation Form: The District agrees to use a standard evaluation form agreed to by the Association and the District.

ARTICLE 18: EARLY RETIREMENT

- 18.1 An Early Retirement Incentive Program (ERIP) will be provided by the District. Those employees eligible for retirement under the Public Employee's Retirement System (PERS) for school members shall be eligible to participate in the District ERIP providing the following provisions are met:
- 18.1.1 The employee must have completed a minimum of fifteen (15) years of continuous service to the District, including service to the Oakdale Joint Union High School District and/or the Oakdale Joint Union Elementary School District.
 - 18.1.2 The employee must have attained the age of fifty-five (55) years of the retiring year.
 - 18.1.3 To be eligible, the classified employee shall notify the District Superintendent of his/her intent to retire early no later than thirty (30) days prior to retirement.
 - 18.1.4 Early retirement shall apply to those classified employees between 55 and including 63 years of age.
 - 18.1.5 No classified employee who is to receive ERIP payment may accept a position in the Oakdale Joint Unified School District or any other public school district in California. (Substituting or any other short-term contracts allowed by PERS and not affecting the retirement payments are exceptions.) If this provision is violated, the amount of the ERIP payment paid shall be returned to the District and subsequent payments terminated.
 - 18.1.6 Such incentive payments are not utilized in determining compensation for retirement benefit payment purposes.
 - 18.1.7 The amount of ERIP incentive shall be determined as follows:
 - 18.1.7.1 Fifty percent (50%) of his/her current yearly salary for retiring between the age of 55 and including 59 years of age.
 - 18.1.7.2 Forty-five percent (45%) of his/her current yearly salary for retiring at 60 years of age.
 - 18.1.7.3 Twenty-five percent (25%) of his/her current yearly salary for retiring at 61 years of age.
 - 18.1.7.4 Fifteen percent (15%) of his/her current yearly salary for retiring between 62 and including 63 years of age.
 - 18.1.7.5 Longevity pay is included in computation, but not overtime pay.
- 18.2 The employee may elect to:
- 18.2.1 Receive all or part of the ERIP payment prior to the effective date of retirement:

OR
 - 18.2.2 Receive the ERIP payment in installments, the amounts and dates of which will be designated by the employee, so that the retiree does not receive in excess of that allowed by PERS regulation from public school employment in any fiscal year. Total ERIP payments shall be made within five (5) years.

- 18.3 In case of death of the retiree, the unpaid portion of the ERIP payment(s) shall be paid to his/her estate.
- 18.4 Retirees may continue the benefits of group rates for medical, dental, prescription drugs and vision programs as long as the retiree continues to reimburse the District for these programs. Retirees may continue other health benefit programs as long as the cost of such is reimbursed to the District.

ARTICLE 19: LAYOFF

- 19.1 No regular employee (permanent or probationary) of the classified service shall be laid off from any position while employees serving under short-term, emergency provisional or substitute employment are retained in positions of the same or similar class.
- 19.2 Layoff Notice: An employee may be subject to layoff for lack of work or lack of funds. A reduction in hours shall be viewed as a layoff. Procedures for layoff notice and right to hearing are set forth in Ed Code section 45117
 - 19.2.1 Per Ed Code 45117 permanent employees subject to layoff will be notified by March 15th. Employees subject to layoff due to expiration of a specially funded program shall be given (60) calendar days' notice.
- 19.3 Definition of Seniority: Seniority shall be based on date of hire in the District.
 - 19.3.1 For layoff purposes, any layoff shall be administered within a classification. The order of layoff shall be based on Classification Seniority within that class and higher classes in which the employee has served. The employee(s) with the least seniority within the classification shall be laid off first. See Article 32 for definition of Classification Seniority.
- 19.4 Displacement Rights: An employee laid off from his/her present classification may have the option of displacement into the next lower class in which the employee has served and has greater seniority. The employee may continue to displace into such equal or lower classes to avoid layoff provided the employee has worked previously in the lower class position. An employee who elects to this option will be placed on a sixty-three (63) month re-employment list.
- 19.5 Layoff in Lieu of Displacement: An employee who elects a layoff in lieu of displacement maintains his/her reemployment rights under this Agreement for a period of thirty-nine (39) months.
- 19.6 Equal Seniority: If two (2) or more employees subject to layoff have equal classification seniority, the determination of who shall be laid off will be made on the basis of the greater District Seniority; and if that be equal, the determination shall be made by lot.
- 19.7 Reemployment Rights: Laid off persons are eligible for preferred reemployment in the class from which laid off for a thirty-nine (39) month period and shall be offered employment in reverse order of layoff. A laid off employee who has accepted demotion in lieu of layoff shall have an additional twenty-four (24) months to be reemployed in the former position, or a total of sixty-three (63) months from the date of the original layoff.

- 19.7.1 Notice of the opportunity for reemployment shall be made by certified mail, personal service or by every contact that is logged. When verbal contact is utilized, the notice of opportunity for reemployment by verbal contact shall be followed up by notice using certified mail or personal service.
- 19.7.2 The laid off person shall accept or reject the opportunity for reemployment no later than the close of business on the second day following receipt of such notice. An employee's rejection of the offer of reemployment shall not deprive him/her of reemployment rights contained in this section. If an employee rejects reemployment, the District has the option of asking the employee if he/she wishes to be taken off the reemployment list.
- 19.7.3 When reemployment is accepted, the person shall have a maximum of five (5) working days to report to work. If the employee is employed with other employment at the time of acceptance of reemployment, the person shall have the maximum of ten (10) working days to report to work. Failure to report within the time described above shall be just cause for removing the laid off employee's name from the reemployment list.
- 19.7.4 Time limits may be extended for a reasonable period or the laid off person's name may be passed over to a definite point of time upon receipt of verification of willingness or an acceptable personal hardship as determined by the Superintendent. Such extensions or passing over shall not be unreasonably upheld.
- 19.8 Retirement in Lieu of Layoff: Any employee who was subject to being, or was in fact, laid off and who was qualified for an elected service retirement from the Public Employee's Retirement System (PERS), shall be placed on an appropriate reemployment list. The District shall notify the Board of Administration of PERS of the fact that retirement was due to layoff. If he/she is subsequently subject to reemployment and accepts, in writing, the appropriate vacant position, the District shall maintain the vacancy, but may fill it on a temporary basis until the Board of Administration of PERS has properly processed his/her request for reinstatement from retirement.
- 19.9 Right to Apply for Vacancies: A laid off employee may place an application on file for any position for which he/she feels qualified. If an application is on file, the laid off employee shall be notified of any such vacancy during the layoff period. Vacant positions will be filled by qualified laid off employees first. If rehired during a thirty-nine (39) month period, all rights and benefits shall be restored.
- 19.10 Seniority Roster: In the event a layoff is necessary, the District shall prepare an updated hire date seniority list. Such roster shall be available to CSEA.
- 19.11 Sick Leave Benefits: If the employee is laid off, all unused sick leave accumulated prior to the effective date of layoff shall be credited back to the employee's records upon his/her reemployment with the District.
- 19.12 Vacation: An employee who is laid off and is subsequently reemployed shall be credited with no break in service for purposes of placement on the vacation schedule.
- 19.13 Longevity and Step Increases: When an employee is laid off or elects retirement in lieu of layoff and is reemployed by the District within thirty-nine (39) months, all time during which he/she was in a laid off status shall count as seniority towards longevity and step increments and no break in service shall be considered.
- 19.14 Health and Welfare Benefits: If an employee is laid off or elects retirement in lieu of layoff, his/her eligibility for District health and welfare benefits shall continue for eighteen (18) months

from the effective date of layoff at his/her own expense by making payments to the District in advance.

ARTICLE 20: SAVING CLAUSE

- 20.1 If any provision of this Agreement should be held invalid by operation of law, or by any state or federal court or administrative agency of competent jurisdiction, or if compliance with or enforcement of any provision should be restrained by any state or federal court or administrative agency of competent jurisdiction pending final determination as to its validity, all other provisions of this Agreement shall not be affected thereby, invalidated or suspended provisions shall be renegotiated within thirty (30) days after a particular provision is covered.
- 20.2 Upon request, CSEA shall have the right to negotiate upon the reduction or elimination of classified employees benefits included in this master contract resulting from the amendment or repeal of statutory guarantees incorporated into this Agreement.

ARTICLE 21: MISCELLANEOUS PROVISIONS

- 21.1 By mutual consent of the District and CSEA, any Article in this Agreement may be reopened during the duration of this Agreement.
- 21.2 Any agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto.
- 21.3 Distribution of Agreement: Within sixty (60) days after the execution of this Agreement, the District shall print or duplicate and provide, without charge, a copy of this Agreement to each employee on the negotiating team and site reps. The District will also post on the District website. Each newly employed employee shall be provided with a copy of the Agreement by the District, without charge, at the time of employment.
- 21.4 Responsibility to check and respond to District email: Classified personnel, who are contracted to work at least six (6) hours per day and ten (10) months per year, are required to check and respond to their District email account on a regular basis, during work hours. The District will make a reasonable effort to ensure that all bargaining unit employees have access to computers and District email during their scheduled shifts.
- 21.5 During the life of this agreement the District may contract out work, so long as such contracting does not violate Ed Code 45103.1 and does not involve work which is customarily and routinely performed by employees in the bargaining unit.

ARTICLE 22: HEALTH AND WELFARE BENEFITS

- 22.1 Classified employees shall have the District contribution for health and welfare benefit coverage based upon the following, effective July 1, 2001:
 - 22.1.1 Six (6) hours or more of employment per day shall qualify for the maximum District contribution, which currently is \$8,292/year. If the selected health and welfare coverage with the current Insurance Company-costs less than the District's maximum contribution, the employee may cash out the difference. For those 6 to 8 hour per day employees choosing to cash out the district's contribution, the following article applies:

22.1.1.2 Employees that work 6 hours, but less than 8 hours, per day are required to take medical, dental, and vision insurance with the District's current insurance provider unless the employee provides proof that he/she currently has other medical, dental, and vision coverage. Proof of other coverage must be provided to the district twice annually, no later than February 28th and August 31st each and every year.

22.1.1.3 Employees that are entitled to health and welfare benefits are required to purchase life insurance through the District's group life insurance plan.

22.1.2 Less than six (6) hour/day and four (4) hour or more day employees would receive a straight pro ration of the District's contribution, based upon an eight (8) hour workday. These employees may cash out based on the same criteria as listed in 21.1.1 and 22.1.1.2.

22.1.3 Less than a four (4) hour employee would not be entitled to any health and welfare coverage nor District contribution.

22.2 As an election, those "Grandfathered" employees who have elected to "cash out" shall receive a maximum of \$7,050.00 per year, prorated, rather than receiving health benefit coverage

22.2.1 If, at any subsequent time, any of the above "Grandfathered" individuals wish to receive any level of health benefit coverage, other than group life insurance, through the District, that election shall thereafter terminate their right to receive the cash payment in lieu of benefit coverage. "Grandfathered" employees that have elected to "cash out" are required to purchase life insurance through the District's group life insurance plan.

22.3 Retiree Health Benefit Coverage: The District shall provide retirees who have ten (10) years of service with the District and are between the age of 55 and 66 with medical benefits for the employee only, not to exceed the active employee cap at the time of retirement from the District. The coverage will be in effect for a maximum of eleven (11) years or until the retiree reaches the qualification age for Medicare, whichever comes first.

If the qualified retiree chooses to purchase medical coverage other than what is district provided, the retiree will be reimbursed for single party coverage OR if the retiree is added to dependent coverage, the retiree will be reimbursed the difference between 2-party and single party coverage. The reimbursement is not to exceed the active employee cap at the time of retirement from the district.

22.4 Health Benefits Review Committee: The District and CSEA, beginning with the 2023-2024 school year, will work periodically, but not less than every three years, to review current Health Benefit options, investigate alternate options with the goal to maintain highest quality Health Benefits and cost containment. The CSEA Chapter President may designate up to 3 bargaining unit members to participate on the Committee.

ARTICLE 23: TERM OF AGREEMENT

23.1 The Association and the District shall submit their initial proposals together for a successor Agreement or any re-openers at the regularly scheduled September Board meeting.

23.2 Term: Contract duration through July 1, 2023, through June 30, 2026, with 2 reopeners of each parties choosing plus salary and benefits in 2024-2025 and 2025-2026.

- 23.4 The parties may re-open additional articles at any time by mutual agreement as requested by either party.

ARTICLE 24: ORGANIZATIONAL RIGHTS

- 24.1 Authorized representatives of CSEA may transact official business of CSEA on District property during non-duty hours, including monthly meetings. Authorized representatives may operate on District property at reasonable times during duty hours for the purpose of representing bargaining unit members on grievances and matters related thereto. The immediate supervisor shall be notified reasonably in advance by the authorized representatives.

a. When the District determines to fill a current or new bus route with a classified employee, that opening will be posted in the Transportation Department for five (5) days. During this time, a Bus driver may request a transfer to the new open route. The open route will be filled by the Bus driver with the highest Classification Seniority requesting the open position.

b. In the event two or more regular employees have an identical hire date, the tie shall be determined by lot.

29.2.3 Regular Hours: Each bus driver shall have designated start/end times for his or her scheduled workday. Eight (8) unexcused trip refusals in a year will eliminate that driver from both trip lists for the remainder of the work year

29.2.5.3 Trips will be assigned in rotation by seniority.

29.2.5.4 If the driver cannot be reached, as determined by the District, to assign a last minute trip, or the driver declines a trip assignment for that day, it will not be counted as a refusal.
