## **WELCOME**

On behalf of the staff at Allen East High School, welcome to our school. This handbook was created to answer questions you might have concerning policy at the high school. This handbook replaces all prior handbooks and other written material on the same subjects. This handbook does not create a contract between the school and the student and/or parent, but only reflects the current status of the Board's policies and the school's rules. If any of the policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guideline prevails. While every effort is made to ensure the accuracy of the information provided, Allen East reserves the right to make changes at any time without prior notice. Copies of current Board policies and administrative guidelines are available on the District's website. This book should be kept for further reference throughout the school year. We hope you will take advantage of all that Allen East has to offer and that your activities will credit yourself, your family, and your community.

Students who stay at school after 3:10 pm are expected to be in one of the following areas no later than 3:30pm: detention; practice, rehearsal, or meeting; classroom (for academic makeup, tutoring, and/or support); the Library (for academic study and/or support); the Main Doors (waiting on rides); or the Commons (waiting on practice to begin or waiting on rides after practice). Students are expected to be in the designated areas where they will be under staff supervision.

### **Attendance Policy & Procedure**

The Board of Education requires all students enrolled in the schools of this District to attend school regularly in accordance with the laws of the State. The district's educational program is based upon the presence of the student and requires continuity of instruction and classroom participation. The regular contact of students with one another in the classroom and their participation in a well-planned instructional activity under the guidance of a competent teacher are vital to this purpose. It is imperative that students be in attendance each school day in order not to miss a significant portion of their education. Chronic absences, tardiness, or early release disrupts the learning process. Make-up work is not a sufficient substitute for physical attendance in school. It is critical that the school and home come together to ensure students achieve a high attendance rate. Allen East Local Schools is required to follow the State of Ohio law - House Bill 410.

The following is a brief description of the requirements of the law and the guidelines that Allen East Local Schools will follow when communicating with families concerning student absences.

Allen East School District Board Policy 5200

	<b>Consecutive hours</b>	<b>Hours per school month</b>	<b>Hours per school year</b>
<b>Habitual Truancy</b>	<b>30</b> <i>without</i> legitimate excuse	<b>42</b> <i>without</i> legitimate excuse	<b>72</b> <i>without</i> legitimate excuse
<b>Excessive Absences</b>	---	<b>38</b> <i>with</i> or <i>without</i> legitimate excuse	<b>65</b> <i>with</i> or <i>without</i> legitimate excuse
<b>Chronic Absenteeism</b>	---	---	<b>10%</b> <i>with</i> or <i>without</i> legitimate excuse

Allen East Local Schools will take several steps to engage the student and family. As a last resort, a complaint with the juvenile court will be filed.

**When a student is excessively absent or habitually truant, the following will occur:**

- The parent/guardian will be notified within 7 days of the triggering absence.
- The school will attempt to secure the participation of the student’s parent/guardian on an intervention attendance team.
- The Attendance Team will select interventions at a hearing held at the school.
- The student will follow the plan for the absence intervention.
- The student/family may be referred to community resources.

### Examples of legitimate excuses (including but not limited to)

- Medical excuse (a written physician's statement will be required for the student)
- Death in the family
- Court Proceedings
- Good cause as may be acceptable to the Superintendent

When a parent, guardian, or other person having care of a student has failed to initiate a telephone call or other communication notifying the school or building administration of the student's excused and unexcused absence within 120 minutes after the beginning of the school day, the attendance officer or designee for each building shall make at least one (1) attempt to contact the parent, guardian, or other person having care of any student who is recorded as absent without legitimate excuse within 120 minutes after the beginning of each school day by a method designated by the Superintendent in accordance with Ohio law (see AG 5200).

### **Absence Procedure**

Attendance and promptness to school/class is the responsibility of each individual student and his/her parents or guardian. It is the Parent/Guardian responsibility to call **419-648-3333** each day to explain a student's absence, or the student must present an absentee note from their parent/guardian to the high school office on the day the student returns to school. A student will be considered unexcused until documentation is on file in the office. It is the school, not the parent or guardian that may determine whether an absence is excused or unexcused.

A medically excused absence occurs any time a student is out of school due to illness or medical visit (physician, dentist, mental health, etc.). A medical excuse for personal illness will be accepted in the form of doctor's note within five (5) school days of the absence or parent call-in on the day of the absence due to illness or doctor's visit. A student may have up to ten (10) medically excused absences without a doctor's note, but with a phone call from a parent/guardian.

If a student does not attend school due to illness, fever, or communicable disease; or has 45 minutes of unexcused absence at any time during the school day without a legitimate excuse approved by building administration, the student is not permitted to attend school/co-curricular/extra-curricular activities on that day.

In accordance with the "Missing Child Act," parents should notify the school the day a student is absent. If no communication is had by the end of the school day, we will send a card in the mail. The parents or guardian will be required to provide a written note verifying their student's absence. No contact from the parent or guardian will result in an unexcused absence.

### **Tardy To School / Unexcused Absence**

**All students entering school after 8:15 A.M will be considered tardy/unexcused** and must report to the office to sign in, and receive a class admission slip. The teacher will not admit the student to class without a valid admission slip. **Any unexcused absence not accompanied by a note or parent/guardian phone call will accumulate towards discipline.** The discipline procedure for unexcused absences may be as follows:

- 4<sup>th</sup> and 5<sup>th</sup> tardy to school / unexcused absence in a semester may result in an Administrative Detention for each tardy.
- 6<sup>th</sup> through 10<sup>th</sup> tardy to school / unexcused absence in a semester may result in an After School Detention for each tardy.
- 11<sup>th</sup> or more tardies to school / unexcused absences in a semester may result in progressive suspension from school with possible recommendation for expulsion.

### **Tardy To Class**

For the purpose of consistency, classroom tardiness is defined as a student not being in their “assigned location” at the conclusion of the tardy bell. A teacher may define “assigned location” in her/his classroom rules. Students have the responsibility to be familiar with individual teacher expectations and teacher-imposed penalties for classroom tardiness. Discipline for Tardy to Class may be as follows:

- 1<sup>st</sup> through 3<sup>rd</sup> tardy to class in a semester – Warning
- 4<sup>th</sup> & 6<sup>th</sup> tardy to class in a semester – After School Detention.
- 7<sup>th</sup> tardy to class and above in a semester – progressive Discipline.

In general, dress should be such that it ensures the health, sanitation, welfare, and safety of the members of the student body and staff. Drugs includes any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State statute, or substance that could be considered a “look-a-like” controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbooks, up to and including expulsion from school. When required by State law, the District will also notify law enforcement officials. The District is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which s/he receives help through programs and services available in the community. Students and their parents should contact the school principal or counseling office whenever such help is needed.

### **Drug Testing Policy**

Pursuant to Board Policy 5530.01, recognizing that observed and suspected use of alcohol, tobacco and illicit drugs by the Allen East Local School District students participating in extra-curricular activities is increasing, a program of deterrence will be instituted as a pro-active approach to a truly drug free school. Likewise, through participation in extra-curricular activities, students using illegal drugs pose a threat to their own health and safety, as well as to that of other students. The purpose of this program is threefold:

- A. To provide for the health and safety of all students participating in extra-curricular activities;
- B. To undermine the effects of peer pressure by providing a legitimate reason for students participating in extra-curricular activities to refuse to use illegal drugs; and
- C. To encourage students participating in extra-curricular activities who use drugs to participate in drug treatment programs.

The program is non-punitive. It is designed to create a safe, drug free, environment for students participating in extra-curricular activities and assist them in getting help when needed. At the beginning of the 7th grade year or at the beginning of a student's first school-sponsored extra-curricular activity involvement in the Allen East Local School system, the student and parent/guardian/custodian shall complete and sign the Allen East Extra-Curricular Code of Conduct and Expectations Informed Consent Agreement. **No student may participate in any extra-curricular activities until the code of conduct is properly executed and on file with the Athletic Director and/or high school office.**

At the beginning of the school year all students wishing to participate in extra-curricular activities that school year may be subject to testing for illicit or banned substances as specified in "ILLICIT OR BANNED SUBSTANCES" below. Following possible initial team testing, a set number of eligible students participating in extra-curricular activities may be randomly tested anytime during the year. **Any student who refuses to submit to drug testing will not be allowed to practice or participate in extra-curricular activities at Allen East Schools as the refusal shall count as a positive test and the applicable penalties described in this Policy shall apply.** A full list of penalties can be found in Board Policy 5530.01

### **Exterior Doors**

The front entrance is the only entrance that is permitted to be used between the hours of 8:15 am and 3:10 pm. Once the front doors are locked at 8:15 am, all visitors must push the security bell to be permitted entry and are required to report directly to office.

### **Extra-Curricular Activities**

Much of the enjoyment you will receive from attending Allen East High School will be the result of your involvement in the extra-curricular activities. These activities are designed to allow a student to pursue individual likes, and you are urged to take advantage of them. If a student does not attend school due to illness, fever, or communicable disease; or has 45 minutes of unexcused absence at any time during the school day without a legitimate excuse approved by building administration, the student is not permitted to attend school/co-curricular/extra-curricular activities on that day. Exceptions will be made with the approval of the administration. To participate in any extra-curricular activity a student must pass a minimum of five-one credit classes the preceding grading period and have a minimum 1.00 GPA.

Allen East Local Schools follows the guidelines of the Family Educational Rights and Privacy Act regarding all student records. The exception to disclosure of student information without consent is the release of “directory information.” The district will make the information listed below as directory information available upon a legitimate request unless a parent/guardian or student 18 years or older notifies the District on FinalForms each school year that he/she will not permit distribution of the following information. Under Ohio law directory information includes the following:

If the student wishes to go home, **they must report to the office so school officials can contact the student’s parent/guardian to secure permission for the student to leave school.** No one may leave the building without permission from the office.

### Library Services

Any material taken out of the library must first be checked out at the circulation desk. Circulation time for books is two weeks although there are some situations where they will be checked out for a longer or shorter period of time. Books may be renewed as many times as necessary unless someone else has requested a particular book. Books should be renewed rather than left to become overdue.

### Lockers

Students are expected to use their assigned lockers. Each locker has a school issued lock. There are to be no book bags, purses, etc. being carried during the school day. Students’ right to privacy with regard to hall lockers and gym lockers is limited to the concept that these lockers provide a secure place for students to store articles of personal clothing and scholastic materials. Hall and gym lockers are owned by the school district. They are provided to students for the aforementioned purposes. Students will be held responsible for the condition of their lockers. The school expects students to maintain their lockers in a manner befitting any school property. Graffiti, either inside or outside the lockers, is not allowed. Do not glue any objects to the lockers. Valuables should not be stored in lockers. The school cannot be held responsible for loss of valuables stored in lockers. Students should not share lockers or locker combinations. Such actions compromise the security of the student’s lockers. If you have problems with your locker, see an administrator or the custodian.

Student lockers, desks, cabinets, and similar items are the property of the Allen East Board of Education provided to students as a convenience for their use. Lockers and other such property carry no expectation of privacy for the student who occupy them. School lockers, desks, cabinets, etc. and their contents are subject to search by school authorities at any time and without warning.

### Lost And Found

All items found will be sent to the office. The school is not responsible for stolen personal belongings. Please check with the secretary for an item before you report it missing.

### Medications

State law requires that schools have instructions on file when it is necessary for students to receive any prescribed or non-prescribed (over the counter) medication at school. A prescribed medication form must be completed and signed by the physician and the parent or guardian. A parent must sign the non-prescribed medication form. These forms are available in the office. The medication must be received in the original container in which it was dispensed/purchased by the prescribing physician, licensed pharmacist or pharmacy. Medication must be given to the office staff on arrival at school.

### **Parking Lot / Motor Vehicles**

No student shall be in the parking lot during school hours (8:15am-3:00pm) without the permission of Administration. No student shall operate a vehicle in such a way as could cause physical injury to himself/herself, students, school employees, or other persons on school grounds. All vehicles are subject to random searches. Driving to school and using the parking lot of the school is a privilege and can be revoked at any time.

### **Personal Belongings**

Students are responsible for all belongings brought to school and should be placed in their locker. The school is not responsible for stolen personal belongings. Valuable items should not be brought to school. In the event it is necessary to bring valuables to school, take them to the office for safekeeping.

### **Personal Communication Devices & Headphones/Earbuds**

**Once students enter the school building**, all PCDs must be placed in their locker and cannot be on a student's person. Students are strongly encouraged not to bring any PCDs to school. Students may use PCDs before and after school as long as they do not create a distraction, disruption or otherwise interfere with the educational environment, during after school activities (e.g., extra-curricular activities), or at school-related functions. Students may use PCDs on field trips and extra-curricular activities to take pictures but cannot use their PCDs in restrooms, locker rooms or places where privacy is expected. Students may not use PCDs on school property or at a school sponsored activity to access and/or view internet web sites that are otherwise blocked to students at school.

Students may use PCDs while riding to and from school on a school bus or other Board-provided vehicles or on a school bus or Board-provided vehicle during school-sponsored activities, at the discretion of the bus driver, classroom teacher, or sponsor/advisor/coach. (Distracting behavior that creates an unsafe environment will not be tolerated.) **Students will not be permitted to take photos, film and/or record conversations while using PCDs on buses.** PCD use on a school bus must not create a distraction by being too loud and used in an unauthorized way.

During after school activities, PCDs shall be powered completely off (not just placed into vibrate or silent mode) and stored out of sight when directed by the administrator or sponsor.

Under certain circumstances, a student may keep his/her PCD "On" with prior approval from the Principal.

Except as authorized by an administrator, -students are prohibited from using PCDs during the school day, including while off-campus on a field trip, to capture, record and/or transmit the words or sounds (i.e., audio) and/or images (i.e., pictures/video) of any student, staff member or other person. Using a PCD to capture, record and/or transmit audio and/or pictures/video of an individual without proper consent is considered an invasion of privacy and is not permitted.

PCDs, including but not limited to those with cameras, may not be activated or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include, but are not limited to, classrooms, gymnasiums, locker rooms, shower facilities, rest/bathrooms, and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes. The Superintendent and Principal are authorized to determine other specific locations and situations where use of a PCD is absolutely prohibited.

Students are expressly prohibited from using covert means to listen-in or make a recording (audio or video) of any meeting or activity at school. This includes placing recording devices, or other devices with one- or two-way audio communication technology (i.e., technology that allows a person off-site to listen to live conversations and sounds taking place in the location where the device is located), within a student's book bag or on the student's person without express written consent of the Superintendent. Any requests to place a recording device or other device with one- or two-way audio communication technology within a student's book bag or on a student's person shall be submitted, in writing, to the Principal. The District representative shall notify the parents), in writing, whether such request is denied or granted within five (5) days.

Students shall have no expectation of confidentiality with respect to their use of PCDs on school premises/property.

Students may not use a PCD in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed or intimidated. See Policy 5517.01 - Bullying and Other Forms of Aggressive Behavior. In particular, students are prohibited from using PCDs to: 1) transmit material that is threatening, obscene, disruptive, or sexually explicit or that can be construed as harassment or disparagement of others based upon their race, color, national origin, sex (including sexual orientation/transgender identity), disability, age, religion, ancestry, or political beliefs; and 2) engage in "sexting" - i.e., sending, receiving, sharing, viewing, or possessing pictures, text messages, e-mails or other materials of a sexual nature in electronic or any other form. Violation of these prohibitions shall result in disciplinary action. Furthermore, such actions will be reported to local law enforcement and child services as required by law.

Students are also prohibited from using a PCD to capture, record, and/or transmit test information or any other information in a manner constituting fraud, theft, cheating, or academic dishonesty. Likewise, students are prohibited from using PCDs to receive such information.

Possession of a PCD by a student at school during school hours and/or during extra-curricular activities is a privilege that may be forfeited by any student who fails to abide by the terms of this policy, or otherwise abuses this privilege.

Violations of this policy may result in disciplinary action and/or confiscation of the PCD. The Principal will also refer the matter to law enforcement or child services if the violation involves an illegal activity (e.g., child pornography, sexting). Discipline will be imposed on an escalating scale ranging from a warning to an expulsion based on the number of previous violations and/or the nature of or circumstances surrounding a particular violation. If the PCD is confiscated, it will be released/returned to the student's parent/guardian after the student complies with any other disciplinary consequences that are imposed, unless the violation involves potentially illegal activity in which case the PCD may be turned-over to law enforcement. A confiscated device will be marked in a removable manner with the student's name and held in a secure location in the building's central office until it is retrieved by the parent/guardian or turned-over to law enforcement. School officials will not search or otherwise tamper with PCDs in District custody unless they reasonably suspect that the search is required to discover evidence of a violation of the law or other school rules. Any search will be conducted in accordance with Policy 5771 - Search and Seizure. If multiple offenses occur, a student may lose his/her privilege to bring a PCD to school for a designated length of time or on a permanent basis.

A person who discovers a student using a PCD, recording device, or other device with one- or two-way audio communication technology in violation of this policy is required to report the violation to the Principal.

Students are personally and solely responsible for the care and security of their PCDs. The Board assumes no responsibility for theft, loss, or damage to, or misuse or unauthorized use of, PCDs brought onto its property.

Parents/Guardians are advised that the best way to get in touch with their child during the school day is by calling the school office.

Students may use school phones to contact parents/guardians during the school day.

The possessing, taking, disseminating, transferring or sharing of nude, obscene, pornographic, lewd or otherwise illegal images of photographs, whether by electronic data transfers or otherwise (commonly called texting, emailing or sexting, etc.) may constitute a crime under state and/or federal law. Any person possessing, taking, disseminating or sharing nude, obscene, pornographic, lewd or otherwise illegal images or photographs may be punished under this code of conduct and may be reported to the appropriate law enforcement agencies.

If such reasonable grounds exist, an administrator may conduct a search of a student's person or personal effects. The search shall be reasonably intrusive in light of the age and sex of the student, and the nature of the possible infraction that may have or may be occurring. Unannounced and random canine searches may also be conducted.

### **Notice Of Policy On Searching Lockers**

All hazing incidents shall be reported immediately to the Superintendent. Students, administrators, faculty members, and other employees who fail to abide by this policy may be subject to disciplinary action and may be held personally liable for civil and criminal penalties in accordance with law.

The Superintendent shall distribute this policy to all students and Board employees, and shall incorporate it into building, staff, and student handbooks. It shall also be the subject of discussion at employee staff meetings or in-service programs.

Administrators, staff members and volunteers shall not intentionally remain ignorant of hazing or potential hazing activities.

### **Substitute Teachers**

Students are to show any substitute teacher the same respect shown a regular staff member. This is a difficult task for the substitute, and your cooperation is expected.

### **Surveillance Cameras**

For students' safety and welfare, video surveillance cameras are placed throughout the building, school grounds and on buses. Actions recorded on these cameras may be used as evidence in disciplinary action. Any attempt to damage or interfere with the function of these devices will result in disciplinary action by the school and possible referral to law enforcement agencies.

### **Textbooks**

Textbooks are the property of the school, and are furnished for student use. Reasonable wear is expected through daily use. Unreasonable wear or damage will result in the student making appropriate payment for damages. Lost books must be replaced at the student's expense.

### **Transportation**

Due to bus capacity, regular resident students of an assigned route will have priority; babysitting stops and open enrollment ridership will only be authorized on a space available basis. If a student has a change in pick up or delivery sites, a written note from a parent or guardian must be received ahead of time by the Transportation Director.

### **Vacation Policy**

Parents are encouraged to plan vacations in conjunction with school vacations. Although students have the opportunity to make up work missed, it is never possible to regain the information and learning experience provided by daily classroom instruction. Whenever a proposed absence for vacation is requested, a vacation form must be filled out. After the form is filled out, it must be returned to the office at least one day before the student leaves. Administrators will determine whether the absence will be excused or unexcused. The Board permits 10 vacation days and no more than 7 can be during one semester.

### **Visitors**

A visitor must register at the office before visiting a student, teacher, the commons, or a classroom. Those who do not register will be asked to leave. Those who refuse to register or continually reappear will be charged with trespassing. Visitors for students must be prior approved and is limited to lunch time only. Teachers may have approved visitors during their individual conference time.

### **Work Permits**

Applications for work permits are available in the office. The application consists of (1) Student Application form, (2) Pledge of Employer, (3) and Physician's Certificate. After all parts are completed, the application must be returned to the high school office.

### **Work Related Early Release**

Except for students enrolled in a state approved work-study program, no student shall be released early to work unless previously approved by the administration.

## Section II- Mustang Academics

### **Allen East Academic Honors**

**Honor Roll:** Quarterly 3.0 to 3.9 grade point averages and a 4.0 and above will be recognized as an honor roll student for the quarter.

**Academic Letters:** In May of each year, AE will host an Academic and Scholarship Night. Allen East and Apollo Students are recognized yearly for a 1st, 2nd, and 3rd quarter GPA for the year of a 3.5 or higher. Failure to meet this requirement in any of the three quarters will eliminate students until the following school year.

### **College Credit Plus**

College Credit Plus (CCP) allows high school students to earn college credit and apply that credit toward their high school graduation requirements. The purpose of this program is to promote rigorous academic pursuits and to provide a wide variety of options to college-ready students. Taking a college course (either online, on-campus, or at Allen East High School) from a public college or university is free (no cost for tuition, books, and/or fees) for those involved in the CCP program. Those students interested in taking advantage of this opportunity should review the following timeline and important notes:

- Talk with your school counselor! Discuss your interest in taking college courses and how it fits in with your overall academic plan and career goals.
- Prior to February 15th, the district will hold an informational session about the CCP program for all students in grades 9-12. If you cannot attend, schedule an appointment with your school counselor.
- By April 1st, notify your school counselor if you intend to participate in CCP the following academic year. After April 1st, you will need permission from the school district superintendent to participate.
- It is important to note, financial responsibility (tuition, books, and/or fees) for failed coursework will be passed along to students' class fees.
- For courses completed online or offsite at a college or university campus, students will be responsible for gathering information, completing an admission application, any additional criteria/testing for acceptance into the CCP program. Once accepted, students will be responsible for registration as well.
- For courses completed through established university partnerships (University of Findlay) the application and registration process will differ slightly. The School counselor will supply students with admission applications and assist any necessary college-ready testing. School counselors will also assist with the registration process.

### **College Requirements**

The standardized college entrance tests, SAT (Scholastic Aptitude Test) or ACT (American College Test), are given to help you find a college that fits your needs academically. These tests may point out areas of strengths and weaknesses that might not show on your school record. These tests are helpful in your selection of college courses and programs. Please check with the Guidance Office for dates and places for these tests.

Recommended high school courses for college admission are as follows: 4-English, 4-Math, (Algebra I, II, Geometry), 3-Science, 3-Social Studies, 2-World Language, and 1-Visual Art. Each college sets its own entry requirements. Check the college catalog to determine those requirements.

### **College Visitations**

Juniors and Seniors are permitted two campus visits per school year. This will be considered a school activity as long as the permission slip signed by a parent and the Campus Visitation Verification form is returned to the Guidance Office. **No college visitations will be granted the first and last week of each semester. Additional days or exceptions may be granted with Administrative approval.**

## Commencement

Attendance at graduation is requested but not mandated. Participation at graduation is a privilege, not a right. Students may be prohibited from attending graduation for violating the student code of conduct, for failure to comply with the district dress code, and/or for failure to attend any graduation practices. Additionally, failure to adhere to the graduation ceremony dress code and acceptable expectations of behavior may result in a delay of receiving the graduate’s diploma. If for some reason a student cannot or chooses not to attend, their diploma may be picked up in the high school office the week following graduation.

## Early Graduation

Pursuant to Board Policy 5464, The Board of Education acknowledges that some students seek to pursue educational goals that include graduation from high school at an earlier date than their designated class.

For Early Graduation a student must:

- A. Meet the graduation course and testing requirements that were effective the year the student entered ninth grade for the first time.
- B. Show a need for early graduation.
- C. Complete steps 1 & 2 of the procedures by April 30th of their Sophomore year.

Procedures for early Graduation:

1. The parent/guardian and student must meet with the Guidance Counselor to determine the possibility of such an action. The meeting should determine if all state and local requirements will be met as well as all required testing. The counselor will list and sign what requirements must still be met before early graduation. The meeting shall occur prior to the submission of the application.
2. The student shall fill out the Request For Early Graduation Application form and return to the High School Principal.
3. The High School Principal will consider the request and approve or deny the graduation prior to one’s class on an individual case-by-case basis.
4. If approved, diplomas will be issued at the end of the school year or following the spring graduation ceremony.

## MINIMUM ACADEMIC GRADUATION REQUIREMENTS

# OHIO'S GRADUATION REQUIREMENTS

## CLASS OF 2023 AND BEYOND

Ohio's long-term graduation requirements take effect for the class of 2023. As students entering ninth grade on or after **July 1, 2019**, Ohio's new high school graduation requirements provide more flexibility to choose a graduation pathway that builds on a student's strengths and passions – one that ensures students are ready for their next steps after high school. Students in the classes of 2018 through 2022 may also use these requirements as a pathway to graduation.

As a part of this pathway to graduation, students must show that they have completed all three parts of these requirements.

### 1. Credit Requirements:

Students must earn a **minimum total of 20 credits** in specified subjects and take your required tests. Schools can locally require more than 20 credits. Students also still need to take all the high school end-of-course assessments. These are: English language arts I, Algebra I (or Integrated Math I), Geometry (or Integrated Math II), Biology, American History, and American Government. Beginning with the class of 2023, English language arts I is no longer required.

### 2. Competency:

Students can demonstrate competency by earning a passing score on Ohio's high school Algebra I (or Integrated Math I) and English language arts II tests. Students who do not pass the test will be offered additional support and must retake the test at least once. If students have not met the competency score on these tests, there are four additional ways to show competency. Students must have taken Ohio's state tests twice, with remediation, before using Options 2-5.

Option 1	Option 2	Option 3	Option 4	Option 5
Ohio's State Tests	Career Readiness	College Credit Plus	Military Enlistment	ACT or SAT

**Option 1.** To demonstrate competency using Ohio’s state tests, students must earn a score of 684 or above on both the Algebra I (or Integrated Math I) and English II end-of-course exams.

**Option 2.** To demonstrate competency by Career Readiness, students must demonstrate two career-focused activities, at least one must be a foundational option.

- Foundational options: 1. Cumulative score of proficient on Webxams. 2. A 12-point industry credential. 3. A apprenticeship or acceptance into an approved apprenticeship. 4. State-issued license for a practice in a vocation.
- Supporting options: 1. Work-Based Learning. 2. Earn the workforce readiness score on the Workkeys. 3. Earn the OhioMeansJobs Readiness Seal

**Option 3.** To demonstrate competency through the College Credit Plus, students must earn credit in a non-remedial math or English course for the subject area not passed.

**Option 4.** To demonstrate competency through Military Enlistment, students must provide evidence of enlistment in a branch of the armed forces to demonstrate competency.

**Option 5.** To demonstrate competency using the ACT or SAT, students must obtain a remediation-free score in the math and/ or English subject area on the ACT or SAT. To demonstrate competency in English, a student must be remediation-free in the subjects of English and reading on the ACT or SAT.

### 3. Readiness:

Students can meet the readiness requirement by earning two diploma seals. In alignment with their graduation plan, students should be choosing seals that align with their goals and interests. These seals give students the chance to demonstrate academic, technical and professional skills and knowledge that align to their passions, interests and their post-high school pathway.

Of the two seals students are required to earn, at least one of the two must be Ohio-designed. Ohio’s 12 diploma seals are:

- OhioMeansJobs Readiness Seal (State-Defined)
- Industry-Recognized Credential Seal (State-Defined)
- College-Ready Seal (State-Defined)
- Military Enlistment Seal (State-Defined)
- Citizenship Seal (State-Defined)
- Science Seal (State-Defined)
- Honors Diploma Seal (State-Defined)
- Seal of Biliteracy (State-Defined)
- Technology Seal (State-Defined)
- Community Service Seal (Locally-Defined)
- Fine and Performing Arts Seal (Locally-Defined)
- Student Engagement Seal (Locally-Defined)

Students who fail a course will retake that course one time. After the second failure, the student will have to take the course in summer school or via a school-approved correspondence course.

### **Schedule Adjustments**

It should be understood by parents and students that when registering for courses, students place an obligation upon the school administration to accommodate the courses requested, to staff them with qualified and certified teachers, and to provide adequate textbooks and materials. It is impossible to maintain acceptable class size balances when many requests for schedule changes occur. Students are encouraged to make realistic course selections based upon prerequisite requirements, teacher recommendations, and prior classroom performance.

A student may request to drop or add a full-year course only within the first ten days of the school year. A full-year course **cannot** be dropped for half credit at the semester. A semester-only course change request can be made within the first ten days of the beginning of the semester. Any dropped courses after that time will result in a "WF" withdrawal/failing on the student transcript. Not all requests will be honored.

It is the student and guardian(s) responsibility to request the best possible courses for the student in the early spring before the school year begins. Changing your mind does not institute an approved course adjustment. Take the scheduling process seriously so this does not occur.

Students are only allowed one study hall period per semester; this includes one teacher aide period only as approved by the supervising teacher.

**Approved Schedule Adjustments:**

Courses will only be dropped or added due to

- Failure to meet prerequisites
- Enrolling in an equivalent CCP course
- Taking or failing to take a summer school course
- Graduation requirements not being met

**Transcripts**

Copies of transcripts are available to students online through Parchment which is located on the main page of the school webpage.

**Valedictorian And Salutatorian**

GPA is weighted and the highest cumulative GPA in the graduating class after the 1st semester of senior year will be valedictorian. The second highest cumulative GPA in the graduating class will be salutatorian. Ties for either will result in two or more valedictorians or salutatorians. Only cumulative GPA is used to determine the top of the class. Both will speak at graduation.

# Section III- Mustang Athletics

The full Allen East Athletic Handbook can be found on the school website, FinalForms, or in the Athletic Office.

## **Message to Student/Athletes and Their Parents**

This handbook is being presented to you because your son/daughter has a desire to participate in interscholastic athletics at Allen East High School. The school is very pleased that they have made this decision and we hope that the experience will be positive as well as educational. Participation in athletics provides the student the opportunity to learn leadership skills, gain confidence, self-discipline, organization, decision-making skills, and to set goals. Once the decision is made to participate in athletics, there are often many questions, which both you and your son or daughter may have regarding the Allen East High School Athletic Program. In order to assist in making the athletic experience a positive one, this handbook has been assembled to answer questions about the guidelines and philosophy of the Allen East High School Athletic Program. We hope this will be of assistance, and we encourage you to use it as a reference throughout the year. If you have additional questions, please feel free to contact the Allen East Athletic Office at 419-648-3333 X 2013.

## **Philosophy**

It shall be the purpose of Allen East High School to provide a well-planned and well-balanced program of interscholastic athletics for our students. Competitive sports are an important part of the total education program for students in our school. Student-Athletes develop physically, mentally, socially, and emotionally, while participating in athletics. The Athletic Department will offer athletic programs that will instill pride and reinforce a sound value structure that helps promote an individual's self-image, as well as the image of the school district and the community. Athletic activities will provide educational experiences not otherwise provided in the curriculum. Emphasis will be upon teaching through activities in addition to teaching the skills of activities. Every attempt will be made to provide numerous opportunities for students to participate in activities, which promote growth and development, teach social and recreational skills, and develop leadership qualities. It is the mission of the Allen East High School Athletic Department to offer as many of these educational opportunities as possible so students can compete in a manner that will help them develop personally, foster teamwork, and teach important life skills necessary for becoming a valued member of society. The interscholastic athletic program will operate and be managed under the policies and guidelines set forth by the Allen East Board of Education, the Ohio High School Athletic Association, and the North West Conference. The athletic program shall be based on the following premises:

1. That interscholastic athletics are an integral part of the overall educational program.
2. That the total development of the student is our main concern.
3. That the fundamental functions of the school are academics and that extracurricular work should supplement, not interfere with the basic functions for which schools are established and maintained.
4. That the contest rules, regulations and supervision of the programs should insure the maximum protection of the health and safety of the participants.

## **Junior High/High School Athletic Teams**

### **Fall**

Boys/Girls Cross Country (JH, Var) Football (JH, JV, Var) Girls Volleyball (JH, JV, Var) Boys/Girls Golf (Var) Cheerleading (JH, JV, Var), Boys/Girls Soccer (JV/Var)

### **Winter/ Spring**

Boys Basketball (JH, 9, JV, Var) Boys Baseball (JV, Var) Girls Basketball (JH, 9, JV, Var) Girls Softball (JV, Var) Wrestling (JH, JV, Var) Boys Track (JH, JV, Var) Cheerleading (JH, JV, Var) Girls Track (JH, JV, Var)

\*All teams listed above are dependent upon roster numbers.

## **Levels of Competition**

### **Freshman**

The emphasis at the freshman level is on participation, success and further development of their skill development. If the program supports a freshman squad, squad limitations may occur at this level and attempts will be made to play as many students as possible during each contest, while striving for victory for the entire team.

### **Junior Varsity**

The emphasis at this level of competition begins to focus on skill refinement. Squad limitations may occur at this level and it is possible that not every player will play in every game.

### **Varsity**

The perfection of skill, putting the best players in the game, and winning is the emphasis at this level. While winning at all costs is not a part of the athletic department's philosophy, no apology should be necessary if the varsity team does all it can to win each contest within the bounds of ethics, integrity and sportsmanship. In certain sports, squad limitation may be used at this level and it is extremely likely that not every player will play in every contest.

### **Participation/Doubling**

All junior high/high school students at Allen East High School who qualify under OHSAA rules and the policies of the Allen East Board of Education will be given the opportunity to participate in the athletic program. Permitting an athlete to participate in more than one sport in a season is based on the philosophy that we need to allow the athlete to fully develop his/her interests and talents. Coaches must place the good of the individual and the total athletic program ahead of any feeling of needing "to win" a single contest. Coaches are expected not to discourage students from broadening their athletic interests and abilities by participating in more than one sport. A student will be permitted to participate in two sports in one season provided that:

1. The participant must declare to the coaches of the involved sports his/her intention to participate in two sports and must declare in final forms which sport is to be their priority sport.
2. The participant must attend practices in both sports.

In all cases of schedule conflicts, the participant will be expected to participate in his/her declared priority sport. The only exception to this will be if a major sport non-league or non-tournament contest conflicts with a secondary sport's league contest (in sports where each contest counts toward league title) or an OHSAA tourney contest. The participant will be expected to miss a practice of his/her major sport to compete in a contest in the secondary sport.

### **Eligibility**

In order for a student to be eligible to participate in athletics, a student must be currently enrolled and must have been enrolled the immediately preceding grading period. During the preceding grading period, the student must have received passing grades in a minimum of five one-credit courses or the equivalent, which count toward graduation as well as 1.0 GPA. (5-credit rule) All coaches should remind athletes to be taking at least 6 credits each grading period. Per OHSAA Junior High Eligibility Guidelines: Passing grades must have been received in a minimum of five subjects in which the student was enrolled in the immediately preceding grading period. All courses in which a student receives a grade count toward this eligibility requirement.

1. Junior High/High School athletes that are ineligible may practice at the coaches discretion. Dressing for a game is prohibited.

### **Facility Usage**

No student is to use any facility (gym, weight room, etc.) without a staff member being present.

### **Missing Practice**

Practice is an integral part of the athletic processes where coaches determine the abilities and capabilities of their athletes as well as building team cohesiveness. It is very important that athletes do not miss practice. If an athlete has to miss practice, he/she must directly consult his/her head coach before missing practice. Never rely on a teammate to deliver this message! Missing practice or a game without good reason will be dealt with according to specific team rules. Head coaches will state penalties for missing practice in their rules specific to their sport.

### **Cancellation of Athletic Contests**

In the event that school should be canceled due to inclement weather, the decision to cancel any scheduled contest will be determined by the principal and the AD. The decision to cancel will be made as early as possible so that all concerned can be given notice. It is usually the visiting or traveling team that will make the final decision on whether or not the contest will be held. Practices on inclement weather days may only be held with AD's permission. The safety of the athlete is to be given prime consideration in making the decision to hold practice. At no time will an athlete be required to attend a practice, if in the mind of the student/parent; the safety of the student (due to road conditions) is in question. Practice sessions on inclement weather days will not be announced via the team app. The head coach will already have a prearranged schedule or a telephone calling system developed in case of no school. When a contest is canceled, the AD will notify the transportation director to cancel transportation. Also, the AD and/or the head coach will notify the through school messenger.

### **Transportation of Teams**

1. Bus transportation will be provided to transport all participating school personnel to contests. Coaches need to turn in transportation sheets to the Transportation Supervisor for each away contest prior to the start of their season or a minimum of 10 days prior to the contest.
2. Coaches are to remind athletes that they will travel on the bus both to and from contests. The only exception is when the parent/guardian gives the coach written permission signed by the principal releasing the athlete to their custody. The coach may deny this request due to team considerations. The athlete may not travel home with anyone other than the parent/guardian. Student athletes will not be permitted to be transported in a private vehicle other than with their parent or guardian.
3. Coaches that drive their respective teams will develop and enforce a seating chart. This will tell who is on the bus and where they are seated.
4. Coaches are responsible for the conduct of their players while on the bus. Conduct must be in a manner befitting a representative of Allen East High School.

### **Absence from School**

1. Student/Athletes must attend school regularly to demonstrate the responsibility and dedication that are rewarded by the privilege of interscholastic competition. Regular attendance is also important in maintaining scholastic eligibility.
2. If a student does not attend school due to illness, fever, or communicable disease; or has 45 minutes of unexcused absence at any time during the school day without a legitimate excuse approved by building administration, the student is not permitted to attend school/co-curricular/extra-curricular activities on that day. ### **Drug Testing Policy**

*\*Refer to Board Policy for Full Up-to-date Policy\**

The Allen East Board of Education Drug Testing Policy was formed because of a concern that alcohol and illicit drugs may be used by students at Allen East. The Allen East Board of Education desires to implement a policy, which will attempt to provide this district with a safe and healthful student program. This policy reflects the Allen East Board of Education and the community's strong commitment to establish a truly drug and alcohol-free school program. Because of the pervasive nature of drug use in our society, Allen East have selected student athletes, students who participate in extracurricular activities, and students who, along with consent from their parents, volunteer to be tested, for inclusion in the testing pool. This policy applies to all athletes, volunteers and extracurricular activities from grades 7-12.

### **PURPOSE OF THIS POLICY SHALL BE:**

1. To provide a healthy and safe environment to all students participating in the athletic and extracurricular program year around.
2. To discourage all students from using drugs and alcohol. Students will assume all responsibility for regulating their personal lives in ways that will result in their becoming healthful members of a team and worthy representatives of the school and community.
3. To provide students with the opportunity to become leaders in the student body for a drug free school.
4. To provide solutions for the student who does use drugs and alcohol.
5. To provide the school with positive guidelines and disciplinary policies for violations of the drug free policy.
6. To encourage those students who participate in athletic and extracurricular programs to remain drug free and alcohol free.

### **TYPES OF TESTING**

#### **1. TEAM TESTING**

At the beginning of each season, all eligible students will submit to urine drug and alcohol testing. This testing will be completed within the first two weeks of the season on a specified date and time. The collection process will take place on school property or at a Board of Education approved testing facility. The Head Coach/Advisor is responsible for ensuring that all students and their parent/guardian/custodian properly sign the INFORMED CONSENT AGREEMENT prior to testing. Any student moving into the District shall be tested prior to the time he/she joins the team. No student will be permitted to compete in a scrimmage, contest or approved activity until the informed consent agreement is signed.

#### **2. RANDOM TESTING**

In-session random testing shall be done throughout the season. Each team or extracurricular group may have up to 20% of its eligible students tested per random selection. A student may be tested more than once per season. In the event of a positive result, the specimen will be sent to a laboratory for confirmation of results and a certified Medical Review Officer will determine the results.

a. Random selection of students involved in extracurricular activities: The vendor will have a list of students to test. They will randomly select the test group.

b. Scheduling of random testing: Random testing will be unannounced. The Athletic Director and/or building administrator will select the day and date. The athletic director cannot call for random testing without first consulting with a building administrator. Random testing may be done weekly.

#### **3. RANDOM TESTING ONLY**

If only the random testing process is used, students in all extracurricular activities for all seasons (Fall, Winter and Spring) must declare their intent to participate in August, prior to the start, to be included in the list for random sampling throughout the year. If a student does not declare their intent to participate in August and decides to try out or participate in an extracurricular activity they will be subject to a mandatory drug test during the month prior to the start of the season. They will then be included in the random sampling list for the remainder of the year.

#### **1. DRUGS FOR WHICH ATHLETES MAY BE TESTED:**

LSD, Alcohol, Marijuana, Amphetamines, Methadone, Anabolic Steroids, Methaqualone, Barbiturates, Nicotine (Tobacco), Benzodiazepines, Opiates, Cocaine, Propoxyphene (Darvon), or Any substance included in U.S.C. 802 (6), which an individual may not sell, offer to sell, possess, give, exchange, use, distribute, or purchase under State or Federal Law. This definition also includes all prescribed and over-the-counter drugs being used in any way other than for medical purposes in accordance with the directions for use provided for in the prescription or by the manufacturer.

#### **2. COLLECTION PROCESS (Urine Screens)**

The student will be notified to report to the collection site. A specimen from the student will be collected as follows and all students must follow this process:

All students must have a picture ID or be identified by the Athletic Director/Student Advisor or Principal. No exceptions will be allowed. Drug testing area must be secured during the testing. Only lab technicians and students will be witness to the test. Privacy must be kept for all students. The Athletic Director/Student Advisor is responsible for ensuring that all of the forms are completed and signed by both parent/guardian/custodian and student. No student is to enter the collection site until forms, money and proper ID are completed. When students arrive and cannot give a sample, they will need to start drinking water, pop or juice. After 36 oz. the human body will need to urinate.

No bags, backpacks, purses, cups, containers or drinks will be allowed to enter the collection area. All coats, vests, jackets, sweaters, hats, scarves or baggy clothing must be removed before entering the collection site. Only pants and t-shirts or dresses may be worn

in the collection area. Any infringement of the rules will result in the student taking the test over. Students processed by the lab technician who cannot produce a sample will be kept in a secured area to wait until they can test. If they leave this area, they will not be allowed to test. They are not to have contact with anyone until after the sample is given. Students will be asked to hold out their hands and a sanitizer will be put on their hands or will wash hands with water. The bathroom personnel will add a dye to the toilet.

Students will be asked to urinate directly into the collection cup given to them by the lab personnel. The lab technician will stand outside the stall and listen for normal sounds of urination. Any and all adulteration of the specimen will be detected and considered the same as a test refusal or 1<sup>st</sup> time infraction. (The lab checks every sample for adulteration, such as additives you drink or add to urine to change the sample.)

Adulterations: We will treat adulterations and diluted samples as first time offenses. They are not called positives but have the same consequences. A retest will be required within 24 hours. Any suspicion of tampering with the sample will be brought to the tester's attention. The sample will be sent to the lab for immediate confirmation of tampering.

The sample must be taken in one attempt and be at least 30 ml in size. The student must hand the cup to the lab technician. Students are not to flush the toilets or urinals. In the event that a student flushes the toilet he or she will be required to give a new sample immediately or the sample will be invalid. With student watching, the lab technician will recap the sample and hand it to the student who must then return it to the intake technician. In the event that the student does not hand the cup directly to the intake technician, the sample is invalid and a new sample must be taken. If the student leaves the collection area or has contact with anyone, the sample will be invalid and the student will have to give another sample.

This collection procedure is subject to change because of procedural requirements by the testing agency. The School Board reserves the right to change the collection procedure to coincide with the testing guidelines set forth by the testing agency. When using rapid screens, all non-negative screens will be sent out with a chain of custody to a certified laboratory for confirmation. A Certified Medical Review Officer will verify the positive test. Any student that tests positive will be subjected to testing every time the school conducts testing with drug counseling and testing at the expense of the student and or parent. Testing will be done by a Board approved licensed company.

### **3. RESULTS OF A POSITIVE TEST**

Any positive urine drug test results will be made known to the school counselor, who in turn will notify the parents/guardians/custodians and student. Parents at their own expense can appeal the result of the drug screenings lab. Parents can have the questioned specimen sent to another approved lab as long as the chain of custody is not jeopardized. All positive specimens will be frozen and kept by the drug screening company up to

one year. If a test result comes back positive for a banned substance for a student and the parent can verify the student has a valid, active prescription for the substance that can be legally used for medical purposes in the state of Ohio and the United States, the positive result will be changed to a negative result.

### **4. IF A POSITIVE TEST OCCURS:**

**The first violation: For the first positive result, the student will be given the option of:**

- A) Having a mandatory meeting with the school social worker with at least one parent/guardian being present. The social worker may determine if an assessment must be conducted by an outside agency. If determined by the social worker that the student does not need an assessment, the student must participate with in-house drug and alcohol educational meetings with the social worker. The social worker will set the meetings and activities. If it is determined that the student must receive an assessment from an outside agency, the parent must sign a waiver to allow the social worker access to the results. The recommendations from the assessment must be followed. The parent/guardian is responsible for all expenses associated with the assessment and/or drug/alcohol program prescribed by the outside agency.
- B) If the student/parents choose option A, there will be no missed games/contests or extra-curricular activities. The student may NOT participate in any contests/activities until the meeting is complete with the school social worker. The student will not miss any games/activities after the initial meeting with the social worker as long as he/she follows through with the program recommended by the school social worker and/or the health care facility. Any missed timelines or failure to follow through with any aspect of a drug/alcohol program will result in missed contests/games or activities as determined by the building administrator. The student will also be required to submit to testing every time a random test is administered at school for the remainder of the school year.
- C) For a first time tobacco offense, the student will have to participate in a school sponsored anti-tobacco program. The student will miss no games, contests or activities as long as the student agrees to participate in the program. Failure to follow through with the program will result in missed games, contests and/or activities as determined by the building administrator. The student will also be required to submit to testing every time a random test is administered at school for the remainder of the school year.
- D) Denial of participation in interscholastic athletics and/or extracurricular activities for one calendar year if the student refuses to be tested or refuses to participate in a drug, alcohol, or tobacco assessment/program.

The school social worker will refer the student/ parents to the appropriate agency to get the student help. Parents must give the social worker permission to talk to the drug/alcohol agency. The student will be held out of all games/contests until the student completes a drug/alcohol assessment and attends the first session of the program. If the student misses subsequent sessions of the drug/alcohol program without an excuse approved by the principal or fails to follow through with the entire drug/alcohol program, the student will be denied participation in all extra-curricular activities for 12 months from the date of discovery of the violation. The parent/guardian is responsible for costs associated with the assessment and drug/alcohol program.
- B) The student will also be required to submit to testing every time a random test is administered at school for the remainder of the student's junior high/high school career.
- C) A second tobacco offense will result in the student having to complete a tobacco program offered by an outside agency at the parent's expense. The student will be withheld from all extracurricular events until he/she goes to the first session. Failure to complete the program or missing subsequent sessions without approval from the principal will result in a 12 month suspension from extracurricular activities from date of discovery of the violation. The student will also be subjected to testing every time a random test is administered at the school for the rest of the student's junior high/high school career. Parents must give the social worker permission to talk to the agency providing the tobacco education program.

The parent/guardian is responsible for the costs of the assessment and drug/alcohol program.

  - Student completes a certified drug/alcohol program at the parent's expense.
  - Student during the 12-month suspension agrees to be tested every time a random test is administered at the school at the parent's expense.
  - Student will be required to be tested every time a random test is administered at the school for the rest of the student's junior high/high school career.

- B. If a student refuses to be tested, he/she will be held out of all extracurricular activities for at least a 12 month period depending on previous violations to the extracurricular code of conduct. Students are free to self-refer before any test is administered with the understanding that the student is now subjected to the violation phase of the code of conduct corresponding to the appropriate violation level.
- C. Drug testing may occur when a district administrator, coach or activity advisor has reasonable suspicion that a student is using a controlled or banned substance.
