

Device Protection Plan Information

This is not an open enrollment plan; the deadline is November 15, 2024.

Families can purchase a *Device Protection Plan* for a student's device (tablet, Chromebook, or laptop) to cover the cost if the device is accidentally broken, damaged, or stolen. The Device Protection Plan costs \$40.00/year per student device and is nonrefundable. **Participation in the Device Protection Plan is highly recommended.**

Device insurance can be purchased through MySchoolBucks or by providing a check in the amount of \$40 made payable to East Islip UFSD to the school building main office. The deadline is November 15, 2024.

Suppose the Device Protection Plan is NOT purchased. In that case, students' families are responsible for the entire cost of any repair(s) for physical damage to the device, any loaner devices issued to the student, the power adapter, and the protective case. This will also include the total replacement cost of the device if it is deemed unrepairable. Damages can include (but are not limited to) a cracked screen, a broken keyboard, or a water-damaged motherboard.

The *Device Protection Plan* does NOT cover misuse, neglect, intentional damage, or lost devices. Students will be responsible for the entire cost of repairing or replacing devices damaged through student misuse, neglect, deliberate damage, or loss. In case of theft, an official police report will be required.

Student families without insurance will need to assume the cost of repairs:

Device	Replacement	AC Adapter & Power Cord	Keyboard (Even 1 key)	Screen	Trackpad	Audio Jack	Hinge	Case
Tablet	\$250	\$20	N/A	\$150	N/A	\$100	N/A	\$25
Chromebook	\$340	\$20	\$75	\$160	\$75	\$100	\$50	\$25
Laptop	\$525	\$20	\$120	\$160	\$75	\$60	\$60	\$25

(Subject to change based on manufacturing and distribution prices)

Loaner Devices

The school will provide a loaner device if repair or replacement is necessary due to loss or damage. The loaner device may not be identical to the damaged device.

Lost Devices

Students will be responsible for the replacement cost of lost devices and chargers (refer to the cost tables for replacement costs). If a lost device is found in good condition, the 'loss fee' will be fully refunded or the charge removed from the student's Infinite Campus account.

Stolen Devices

If the device is stolen, students with the *Device Protection Plan* will have a replacement device provided when an official police report is provided. Students without the *Device Protection Plan* are responsible for the cost of the stolen devices.

Outstanding Fees

All charges incurred will be listed on the student's Infinite Campus account under "Fees." Any documented incidents will remain on file if a student withdraws from the East Islip UFSD and then re-enrolls. Fees can be paid by check (payable to East Islip UFSD) or added to the MySchoolBucks account upon request.

Patterns of Device Misuse/Abuse

If a student continues to damage their device, take-home privileges can be revoked by the school administration.
