CLARIFICATION

1. Addendum 2, Pg. 5 of 6, Questions 27 Response:
 - a. Replace “If a Food Service Consultant is required, the Food Service Consultant shall be the responsibility of and part of the Architect’s team.” with “If a Food Service Consultant is required, the Food Service Consultant shall be hired by APSB and coordinated with the Architect.”

QUESTIONS:

1. **QUESTION:** Lake Elementary Renovation and Additions - Am I correct in that this is to hire someone or a company to oversee these construction jobs? I see that you will need 20 modular buildings but do not see any requirements. We want to bid on the buildings but do not see any information for that part.

RESPONSE: The additional Modular Classrooms Buildings to accommodate capacity growth due to redistricting efforts have been constructed, but final determination of any additional modular building space will be determined by Owner and the selected Architect.
