

# Elementary Division

## At-A-Glance

### THE BASICS

## Grades K-6 Coeducational Classes

Our K-6 program combines **nurturing classrooms, robust academics** and the practice of **Values and Faith** that children experience daily as a Division and K-12 community.

### ACADEMICS

**Dedicated faculty with an average of 14 years experience in the Elementary Division.**

**Core Curriculum:** Reading, Language Arts (Phonics, Grammar, Spelling Composition + Handwriting), Math, Science, Social Studies and Religion.

**Co-curricular Classes (twice per week):** Art, Music and Physical Education classes are held during the week. Instrumental lessons are options for students in Grades 4-6.

**Extra-curricular activities** are seasonal and subject to yearly modifications. The following clubs are available: Choir, Liturgical Dance, Art, World Cultures, Chess and Sewing. The following clinics will be offered to our elementary students at our Main Property: Soccer, Fencing, Wrestling and Swimming.

K-6 students participate in **Junior Achievement (JA)**, a nationwide program that teaches work readiness, financial literacy and entrepreneurship through hands-on experiences.

**“One of the best schools in the country, teaching leadership, community and faith.”**

### LIVINGSTON STREET LOCATION

The Elementary Division has a dedicated space to learn and grow. Located six-tenths of a mile from 520 MLK Boulevard, the Livingston Street building features ample-sized classrooms, music room, small group library reading room, community center for daily Convo (student led), breakfast, lunch and physical education activities, counseling and play therapy room.

### DISTINCTIONS UNIQUE TO ST. BENEDICT'S PREP

#### Values and Faith are Experienced Daily

Prayer service, held once a month for the entire Division, gives each class the opportunity to explore a lesson from scripture and share their understanding through music, dance, skits and follow-up activities.

Students become aware of the needs of others, on a local and global scale, through the **Tasha Club**, and raise contributions for organizations like St. Jude Hospital on **David Day**, our traditional Field Day held in May.

### LEADERSHIP STARTS EARLY!

**Elementary Division Leader** – One student in Grade 6 is a role model who assists with making suggestions that will benefit the Elementary Division, share announcements with the Class Leaders and younger students and take on other responsibilities of service. Within Grades K-6, students may become Class Leaders. Every child in K-6 learns to take responsibility and help others as Prayer Leaders, Line Leaders and other classroom jobs.

**Amplifying Voices** – Daily Convocation is led by students in grades K-6. The Convo team, on a rotating basis, consists of three students who proclaim a message of encouragement from Scripture, lead the praying of a daily psalm and closing prayer, along with the spirited call and response of our SBP affirmations and songs. The Division Leader and Class Leaders support and encourage our youngest students to speak eloquently and confidently.

# How to Apply to

# St. Benedict's

PREPARATORY SCHOOL

## Applying to the Elementary Division

Families interested in applying for the Elementary Division are encouraged to complete an application online. Parents will be asked to provide a Teacher Recommendation letter, provide a copy of the child's birth certificate and immunization records.

The Admissions Office will then schedule a time for both the parent/guardian and the student to tour the Elementary Division Property. During that time, all questions can be answered by our staff.

Parents/guardians will be notified of acceptance via email after March 1.

Our academic school year for all of our Divisions begins at the end of July.

## AGE REQUIREMENTS

### Kindergarten

Children must be age 5 by October 1.

### Grade 1

Children must be age 6 by October 1.
