Hey Lagway Parents!

It was a great start to the school year...teachers spent time making connections, establishing routines, and reviewing expectations. We also started digging into content as well. There's no doubt your child will be learning something every day so don't forget to ask in the evening time.

A few reminders...

We enjoyed parents walking students to class this week; however, Monday we'd like to start our normal routine. Car riders will need to be dropped off in the car rider line. If your child doesn't remember where to go, we will have staff available to help. Bus riders and Day Care will unload, and staff will also be available to assist on where to go next if there's confusion. If you have business to take care of in the office, you may park and walk in; otherwise, please drop your child off in the car rider line to keep everyone safe during arrival time.

Afternoon car riders...Please make sure you have a car rider sign visible until you pick up your child from the curb, and please do not switch lanes after entering the driveway. We have a system that works, but we need your cooperation too. We were able to cut down the time every afternoon this week. Here are [videos](#) for clarification.

Spirit Wear...If you didn't get a chance to order spirit wear, there's still time! Click [here](#) to see the many options. Orders can be placed until August 30th. PTO will send your shirt order home in your child's backpack when ready.

Be sure and check out [the website](#). It has a new look! If you want to make a change in your child's transportation, make a lunch appointment, apply to be a volunteer, etc...don't forget to check it out!

Thank you,

Mrs. Wilder
